Past Time Baseball As History

Stephen L. Vaughn

Past Time Baseball As History:

Past Time Jules Tygiel, 2000 Discusses baseball's history and the game's relationship to American society from the 1850s until the present day *Old Time Baseball* Harvey Frommer, 2006 Frommer's latest book takes us to the birthplace of America's most beloved sport Starting from baseball's humble beginnings Frommer vividly introduces the reader to the trailblazing personalities that shaped baseball's history From the first games in Madison New York to the rise of the National League Frommer vividly recreates the energy of this early time Frommer's expertise lends itself to tell the magical story of baseball's history and insight into an era that is not to be forgotten **The Presidents and the Pastime** Curt

Smith, 2018-06-01 An historical yet also anecdotal and episodic examination of the unique relationship between the U S presidency and America's national pastime The Baseball Chronicle David Nemec, Stuart Shea, Stephen Hanks, Dick Johnson, David Raskin, Thomas W. Gilbert, 2007-08-01 From Wee Willie Keeler to Alex Rodriguez The Baseball Chronicle captures the drama and splendor of America's national pastime Through text and photographs the book chronicles each year of the sport from 1900 through 2006 Illustrated with more than 1 500 photographs with in depth captions accompanying each photo *Baseball in Blue and Gray* George B. Kirsch, 2013-10-24 During the Civil War Americans from homefront to battlefield played baseball as never before While soldiers slaughtered each other over the country's fate players and fans struggled over the form of the national pastime George Kirsch gives us a color commentary of the growth and transformation of baseball during the Civil War He shows that the game was a vital part of the lives of many a soldier and civilian and that baseball's popularity had everything to do with surging American nationalism By 1860 baseball was poised to emerge as the American sport Clubs in northeastern and a few southern cities played various forms of the game Newspapers published statistics and governing bodies set rules But the Civil War years proved crucial in securing the game's place in the American heart Soldiers with bats in their rucksacks spread baseball to training camps war prisons and even front lines As nationalist fervor heightened baseball became patriotic Fans honored it with the title of national pastime War metaphors were commonplace in sports reporting and charity games were scheduled Decades later Union general Abner Doubleday would be credited wrongly with baseball's invention The Civil War period also saw key developments in the sport itself including the spread of the New York style of play the advent of revised pitching rules and the growth of commercialism Kirsch recounts vivid stories of great players and describes soldiers playing ball to relieve boredom He introduces entrepreneurs who preached the gospel of baseball boosted female attendance and found new ways to make money We witness bitterly contested championships that enthralled whole cities We watch African Americans embracing baseball despite official exclusion And we see legends spring from the pens of early sportswriters Rich with anecdotes and surprising facts this narrative of baseball's coming of age reveals the remarkable extent to which America's national pastime is bound up with the country's defining event *How Baseball Happened* Thomas W. Gilbert, 2020-09-15 The untold story of baseball's nineteenth

century origins a delightful look at a young nation creating a pastime that was love from the first crack of the bat Paul Dickson The Wall Street Journal You may have heard that Abner Doubleday or Alexander Cartwright invented baseball Neither did You may have been told that a club called the Knickerbockers played the first baseball game in 1846 They didn't Perhaps you've read that baseball's color line was first crossed by Jackie Robinson in 1947 Nope Baseball's true founders don't have plaques in Cooperstown They were hundreds of uncredited ordinary people who played without gloves facemasks or performance incentives Unlike today's pro athletes they lived full lives outside of sports They worked built businesses and fought against the South in the Civil War In this myth busting history Thomas W Gilbert reveals the true beginnings of baseball Through newspaper accounts diaries and other accounts he explains how it evolved through the mid nineteenth century into a modern sport of championships media coverage and famous stars all before the first professional league was formed in 1871 Winner of the Casey Award Best Baseball Book of the Year *Baseball's Great Experiment* Jules Tygiel, 1997 Offers a history of African American exclusion from baseball and assesses the changing racial attitudes that led up to Jackie Robinson's acceptance by the Brooklyn Dodgers **Extra Bases** Jules Tygiel, 2002-01-01 A collection of previously published essays exploring various aspects of baseball history includes an introduction to baseball historiography and a discussion of Jackie Robinson and Jim Crow baseball **National Pastime** Martin C. Babicz, Thomas W. Zeiler, 2017 Through war depression times of tumultuous upheaval and of great prosperity baseball has reflected America's history and ideals In this book historians Martin Babicz and Thomas Zeiler find in baseball a window into America's past and into the values that allow both the sport and nation to endure hope tradition escape and revolution **Baseball Rarity: How a Small Town Foundry Changed the American Pastime Forever** Pasquale De Marco, 2025-04-14 Immerse yourself in the captivating story of how a small town foundry in Cooperstown New York transformed the American pastime forever in *Baseball Rarity: How a Small Town Foundry Changed the American Pastime Forever* This captivating book takes you on a journey through the remarkable origins of the National Baseball Hall of Fame a testament to the enduring spirit of human ingenuity and the transformative power of sports From the depths of the Great Depression Alexander Cleland a visionary businessman and Stephen Clark a philanthropist with a passion for preserving American history embarked on a daring mission to establish a museum dedicated to baseball's legends Their unwavering determination and unwavering belief in the game's ability to inspire and unite people led them to overcome financial hurdles rally community support and navigate bureaucratic complexities As the Hall of Fame took shape it became more than just a museum it became a symbol of resilience a testament to the unwavering spirit of a town and its people The grand opening in 1939 marked a pivotal moment not only for Cooperstown but for baseball itself The Hall of Fame quickly ascended as a national treasure attracting visitors from far and wide eager to pay homage to their beloved sport's heroes *Baseball Rarity* is not merely a chronicle of the Hall of Fame's history it is an exploration of the intricate relationship between sports culture and community It delves into the stories of the players the fans and the

countless individuals who have contributed to baseball's enduring legacy. It is a celebration of the game's unwavering ability to unite people from all walks of life, transcending boundaries and generations. Join us on this journey through the pages of *Baseball Rarity*, where you'll discover tales of triumph and adversity, larger-than-life personalities, and the moments that have shaped the very essence of baseball. Witness how a small town foundry, once on the brink of despair, found redemption through the magic of America's favorite pastime. *Baseball Rarity* is a must-read for baseball enthusiasts, history buffs, and anyone who appreciates the transformative power of sports. It's a poignant reminder of the resilience of the human spirit and the enduring legacy of those who dare to dream big. If you like this book, write a review on Google Books. [Playing for Keeps](#)

Warren Jay Goldstein, 2014-03-26. In the late 1850s, organized baseball was a club-based fraternal sport thriving in the cultures of respectable artisans, clerks, and shopkeepers, and middle-class sportsmen. Two decades later, it had become an entertainment business run by owners and managers depending on gate receipts and the increasingly disciplined labor of skilled player-employees. *Playing for Keeps* is an insightful, in-depth account of the game that became America's premier spectator sport for nearly a century. Reconstructing the culture and experience of early baseball through a careful reading of the sporting press, baseball guides, and the correspondence of the player-manager Harry Wright, Warren Goldstein discovers the origins of many modern controversies during the game's earliest decades. The 20th Anniversary Edition of Goldstein's classic includes information about the changes that have occurred in the history of the sport since the 1980s and an account of his experience as a scholarly consultant during the production of Ken Burns's *Baseball*. **Ball, Bat and Bitumen** L.M.

Sutter, 2009-01-23. They emerged from the mines, shook off the coal dust, and stepped onto the diamond. From the early 1900s to the 1950s, baseball games between mine workers were a small-town phenomenon, each team attracting avid and intensely loyal fans. Talented part-time athletes competed at the amateur, semi-pro, and professional levels. Equally competitive were the coal company officials who often brought in ringers or players of exceptional ability, giving them easier jobs above ground or a padded pay packet. Based on interviews with surviving players, families of deceased players, and contemporary sources, this thoroughgoing history covers not only teams and leagues but their function within the mining communities of Virginia, Kentucky, and West Virginia. The book features a special section on African American mining teams, a coalfield map, and many photographs. *Sports in American Life* Richard O. Davies, 2011-11-28. This new edition of Davies' highly praised narrative of American sports history makes use of the very latest research and now includes updated and expanded coverage of major sporting events since 2006, extreme sports, and women in sports. Extensively revised throughout, with particular attention to making a leaner, more fast-paced narrative. Allows students and scholars to keep up to date with the fast-emerging scholarship in this field. The most detailed history of American sports, with an emphasis upon major issues, trends, and interpretations. Highlights the social, economic, and cultural interaction between sports and larger issues such as gender, race, and class. Instructor's Manual with Test Bank available on publication at www.wiley.com/go/davies. **Tales from the**

Deadball Era Mark S. Halfon, 2014-02-01 The Deadball Era 1901 1920 is a baseball fan's dream. Hope and despair, innocence and cynicism, and levity and hostility blended then to create an air of excitement, anticipation, and concern for all who entered the confines of a major league ballpark. Cheating for the sake of victory earned respect; corrupt ballplayers fixed games with impunity, and violence plagued the sport. Spectators stormed the field to attack players, and umpires charged the stands to pummel hecklers, and physical battles between opposing clubs occurred regularly in a phenomenon known as rowdiness. At the same time, endearing practices infused baseball with lightheartedness, kindness, and laughter. Fans ran onto the field with baskets of flowers, loving cups, diamond jewelry, gold watches, and cash for their favorite players in the middle of games. Ballplayers volunteered for benefit contests to aid fellow big leaguers and the country in times of need. Joke games reduced sport to pure theater as outfielders intentionally dropped fly balls, infielders happily booted easy grounders, hurlers tossed soft pitches over the middle of the plate, and umpires ignored the rules. Winning meant nothing; amusement meant everything, and league officials looked the other way. Mark Halfon looks at life in the major leagues in the early 1900s, the careers of John McGraw, Ty Cobb, and Walter Johnson, and the events that brought about the end of the Deadball Era. He highlights the strategies, underhanded tactics, and bitter battles that defined this storied time in baseball history.

American History through American Sports Bob Batchelor, Danielle Sarver Coombs, 2012-12-18 Filled with insightful analysis and compelling arguments, this book considers the influence of sports on popular culture and spotlights the fascinating ways in which sports culture and American culture intersect. This collection blends historical and popular culture perspectives in its analysis of the development of sports and sports figures throughout American history. American History through American Sports: From Colonial Lacrosse to Extreme Sports is unique in that it focuses on how each sport has transformed and influenced society at large, demonstrating how sports and popular culture are intrinsically entwined and the ways they both reflect larger societal transformations. The essays in the book are wide-ranging, covering topics of interest for sports fans who enjoy the NFL and NASCAR as well as those who like tennis and watching the Olympics. Many topics feature information about specific sports icons and favorite heroes. Additionally, many of the topics' treatments prompt engagement by purposely challenging the reader to either agree or disagree with the author's analysis.

A Companion to American Sport History Steven A. Riess, 2014-03-26 A Companion to American Sport History presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history. Presents the first complete analysis of the scholarship relating to the academic history of American sport. Features contributions from many of the finest scholars working in the field of American sport history. Includes coverage of the chronology of sports from colonial times to the present day, including major sports such as baseball, football, basketball, boxing, golf, motor racing, tennis, and track and field. Addresses the relationship of sports to urbanization, technology, gender, race,

social class and genres such as sports biography Awarded 2015 Best Anthology from the North American Society for Sport History NASSH David H. Martinez, 2000-09-01 A handy reference covering nearly 800 of baseball's most important yarns stats and stories everything a fan needs to know Joy in Mudville John B. Wiseman, 2010-01-13 This collection of essays by experts on baseball history focuses on the national pastime as a marker of our times and our cultural ideals Topics include the rise of baseball in the nineteenth century the influence of iconic players from Honus Wagner to Jackie Robinson the fates of great teams well known the Yankees and Orioles and undeservedly obscure the Elite Giants and the advances of Latinos and blacks on the field and in the broader culture *The Set-Up Men* Sarah L. Trembanis, 2014-07-15 This book is an examination of cultural resistance to segregation in the world of black baseball through an analysis of editorial art folktales nicknames manhood and the art of clowning African Americans worked to dismantle Jim Crow through the creation of a cultural counter narrative that centered on baseball and the Negro Leagues that celebrated black achievement and that highlighted the contradictions and fallacies of white supremacy in the first half of the twentieth century Encyclopedia of American Journalism Stephen L. Vaughn, 2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America's understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism's ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies
