Allender, 2000-09-26 Don t Waste Your Pain None of us escapes the heartache and disappointments of life To live is to hurt and we all have the wounds to prove it Regardless of how we ve been hurt we all face a common question What should we do with our pain Should we stoically ignore it Should we just get over it Should we optimistically hope that everything will work out in the end If we fail to respond appropriately to the wounds that life and relationships inflict our pain will be wasted it will numb us or destroy us But suffering doesn t have to mangle our hearts and rob us of joy It can instead lead us to life if we know the path to healing Healing is not the resolution of our past it is the use of our past to draw us into deeper relationship with God and his purposes for our lives If you re ready to shape a future characterized by love service and joy now is the time to step out onto The Healing Path *Healed and Set Free* Brown, 2014-01-01 Healed and Set Free Bible Study is a 9 week journey that will equip you to gain a deep understanding of how to truly forgive others This study introduces four biblical tools to help you overcome difficulties and hurts **Getting Past the Pain Between Us** Marshall
