Past Imperfect An Autobiography:

Past Imperfect Joan Collins,1984-01-01 The beautiful and talented actress recounts her professional and personal life from her childhood in England through her three broken marriages and love affairs to her daughter's accident and recovery

Past Imperfect Joan Collins,1984 Imperfect Jim Abbott,Tim Brown,2013-03-26 Honest touching and beautifully rendered Far more than a book about baseball it is a deeply felt story of triumph and failure dreams and disappointments Jim Abbott has hurled another gem Jonathan Eig New York Times bestselling author of Luckiest Man NEW YORK TIMES BESTSELLER Born without a right hand Jim Abbott dreamed of someday being a great athlete Raised in Flint Michigan by parents who encouraged him to compete Jim would become an ace pitcher for the University of Michigan But his journey was only beginning By twenty one he'd won the gold medal game at the 1988 Olympics and without spending a day in the minor leagues cracked the starting rotation of the California Angels In 1991 he would finish third in the voting for the Cy Young Award Two years later he would don Yankee pinstripes and pitch one of the most dramatic no hitters in major league history In this honest and insightful book Jim Abbott reveals the challenges he faced in becoming an elite pitcher the insecurities he dealt with in a life spent as the different one and the intense emotion generated by his encounters with disabled children from around the country With a riveting pitch by pitch account of his no hitter providing the ideal frame for his story this unique athlete offers readers an extraordinary and unforgettable memoir Compelling a big hearted memoir Los Angeles Times Inspirational The Philadelphia Inquirer Includes an exclusive conversation between Jim Abbott and Tim Brown in the back of the book *Past Imperfect* Joan Collins,1984 *Imperfect* Sanjay Manjrekar,2017-12-20 A memoir like no other from a cricketing expert known for speaking his mind This book is about me my cricket career my life My strengths and weaknesses my successes and failures Every individual lives a uniquely different life Life stories are always interesting No one leads an uneventful life Having been a sportsman I also want young aspiring sportsmen to learn from my career Like a father once said to his son I made twenty mistakes in my life you'll make twenty new ones In *Imperfect* Sanjay Manjrekar uses his famous analytical powers to look back on his own career as a cricketer His photographic memory takes the reader along on his journey from the dusty maidans of Mumbai to the world stage as the combative batsman faces up to the fearsome West Indian and Pakistani pace attacks In his precise plainspeak Sanjay reflects on his father Vijay Manjrekar and the effects of his personality on his game He comments on the complex equations with the India greats with whom he shared the dressing room and on the lessons learnt from his opponents He also reveals his own excruciating obsession with batting technique the quest for perfection and the battle to shake off his mental shackles *Imperfect* sets a new standard for cricket writing in India with significant life lessons even for those who aren't cricket fans Harrison Ford Garry Jenkins,1998 Drawing on more than 100 interviews with family friends and colleagues portrays the life and career of Harry Ford Never Grow Up Jackie Chan,2018-12-04 A candid thrilling memoir from one of the most recognizable influential and beloved

cinematic personalities in the world Everyone knows Jackie Chan Whether it s from Rush Hour Shanghai Noon The Karate Kid or Kung Fu Panda Jackie is admired by generations of moviegoers for his acrobatic fighting style comic timing and mind bending stunts In 2016 after fifty six years in the industry over 200 films and many broken bones he received an honorary Academy Award for his lifetime achievement in film But at 64 years old Jackie is just getting started Now in Never Grow Up the global superstar reflects on his early life including his childhood years at the China Drama Academy in which he was enrolled at the age of six his big breaks and setbacks in Hong Kong and Hollywood his numerous brushes with death both on and off film sets and his life as a husband and father which has been admittedly and regrettably imperfect Jackie has never shied away from his mistakes Since The Young Master in 1980 Jackie s films have ended with a bloopers reel in which he stumbles over his lines misses his mark or crashes to the ground in a stunt gone south In Never Grow Up Jackie applies the same spirit of openness to his life proving time and time again why he s beloved the world over he s honest funny kind brave beyond reckoning and after all this time still young at heart

Second Act Joan Collins,1998 In this revealing autobiography Joan Collins discusses both her personal and private life with candor insight and humor

Colin Powell Jeffrey J. Matthews,2019-03-15 This fascinating biography of the late Colin Powell brings to light his towering achievements and errors in judgment during a lifetime devoted to public service Until he passed away in 2021 Colin Powell was revered as one of America s most trusted and admired leaders This biography demonstrates that Powell s decades long development as an exemplary subordinate is crucial to understanding his astonishing rise from a working class immigrant neighborhood to the highest echelons of military and political power including his roles as the country s first Black national security advisor chairman of the Joint Chiefs of Staff and secretary of state Once an aimless ambitionless teenager who barely graduated from college Powell became an extraordinarily effective and staunchly loyal subordinate to many powerful superiors who in turn helped to advance his career By the time Powell became chairman of the Joint Chiefs of Staff he had developed into the consummate follower motivated competent composed honorable and independent The quality of Powell s followership faltered at times however while in Vietnam during the Iran Contra scandal and after he became George W Bush s secretary of state Powell proved a fallible patriot and in the course of a long and distinguished career he made some grave and consequential errors in judgment While those blunders do not erase the significance of his commendable achievements amid decades of public service we can learn much from his good and bad leadership

The Measure of a Man Sidney Poitier,2007-01-26 I have no wish to play the pontificating fool pretending that I ve suddenly come up with the answers to all life s questions Quite that contrary I began this book as an exploration an exercise in self questing In other words I wanted to find out as I looked back at a long and complicated life with many twists and turns how well I ve done at measuring up to the

values I myself have set Sidney Poitier In this luminous memoir a true American icon looks back on his celebrated life and career His body of work is arguably the most morally significant in cinematic history and the power and influence of that work are indicative of the character of the man behind the many storied roles Sidney Poitier here explores these elements of character and personal values to take his own measure as a man as a husband and a father and as an actor Poitier credits his parents and his childhood on tiny Cat Island in the Bahamas for equipping him with the unflinching sense of right and wrong and of self worth that he has never surrendered and that have dramatically shaped his world In the kind of place where I grew up recalls Poitier what s coming at you is the sound of the sea and the smell of the wind and momma s voice and the voice of your dad and the craziness of your brothers and sisters and that s it Without television radio and material distractions to obscure what matters most he could enjoy the simple things endure the long commitments and find true meaning in his life Poitier was uncompromising as he pursued a personal and public life that would honor his upbringing and the invaluable legacy of his parents Just a few years after his introduction to indoor plumbing and the automobile Poitier broke racial barrier after racial barrier to launch a pioneering acting career Committed to the notion that what one does for a living articulates to who one is Poitier played only forceful and affecting characters who said something positive useful and lasting about the human condition Here is Poitier s own introspective look at what has informed his performances and his life Poitier explores the nature of sacrifice and commitment price and humility rage and forgiveness and paying the price for artistic integrity What emerges is a picture of a man in the face of limits his own and the world s A triumph of the spirit The Measure of a Man captures the essential Poitier
