Dear Anxiety. This Is My Life: A Real Life Recovery Story John Crawford ,2016-11-07 When John s frantic search for spiritual accomplishment delivered way more than he expected things suddenly got extremely weird A reality shattering event propelled John an ordinary twenty two year old Londoner into a terrifying world where the very fabric of reality itself could not be trusted This sounds like fiction It is not Dear Anxiety is a first hand account of John s extraordinary journey of recovery from an existential crisis so profound that it left most therapists clueless about where to even begin After many years of fruitless attempts to resolve the debilitating anxiety and depression which followed John finally met a gifted therapist who was willing and able to go with him to the complex depths of healing necessary for recovery and he shares that journey with us in sometimes unsettling detail The book touches on matters both spiritual and clinical but deliberately leaves any conclusions about the crisis undecided Was it a clinical psychosis Or was it in fact a spiritual and transformational process John presents the details of his experience offers his thoughts and leaves it up to the reader to decide Dear Anxiety is a deep and fascinating biography but it is a warts and all account of a sustained period of severe struggle with poor mental health which may not be suitable for particularly fragile or anxious readers The intention though was to write a story of hope for those who have lost theirs In demonstrating how dark anxiety and depression can be it was necessary to share the gory details As a result it cannot be called a light read but many have found comfort in knowing that ultimately recovery is possible from even the darkest of places Now twenty five years on John Crawford is happy and well He went on to become a successful full time professional therapist from 2003 2018 He now writes full time and has published five self help books three of which have been Amazon UK bestsellers Get Dear Anxiety today for an introduction to the work of a true anxiety insider
