Past Present And Murder Skyline:

Midnight in the Garden of Good and Evil John Berendt, 1994-01-13 NEW YORK TIMES BESTSELLER A modern classic of true crime set in a most beguiling Southern city now in a 30th anniversary edition with a new afterword by the author The basis for the upcoming Broadway musical coming in 2025 Elegant and wicked might be the first true crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty early morning hours of May 2 1981 Was it murder or self defense For nearly a decade the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss hung oaks and shaded squares In this sharply observed suspenseful and witty narrative John Berendt skillfully interweaves a hugely entertaining first person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case It is a spellbinding story peopled by a gallery of remarkable characters the well bred society ladies of the Married Woman's Card Club the turbulent young gigolo the hapless recluse who owns a bottle of poison so powerful it could kill every man woman and child in Savannah the aging and profane Southern belle who is the soul of pampered self absorption the uproariously funny drag queen the acerbic and arrogant antiques dealer the sweet talking piano playing con artist young people dancing the minuet at the black debutante ball and Minerva the voodoo priestess who works her magic in the graveyard at midnight These and other Savannahians act as a Greek chorus with Berendt revealing the alliances hostilities and intrigues that thrive in a town where everyone knows everyone else Brilliantly conceived and masterfully written Midnight in the Garden of Good and Evil is a sublime and seductive reading experience

The Murder of Helen Jewett Patricia Cline Cohen, 1999-06-29 In 1836 the murder of a young prostitute made headlines in New York City and around the country inaugurating a sex and death sensationalism in news reporting that haunts us today Patricia Cline Cohen goes behind these first lurid accounts to reconstruct the story of the mysterious victim Helen Jewett From her beginnings as a servant girl in Maine Helen Jewett refashioned herself using four successive aliases into a highly paid courtesan She invented life stories for herself that helped her build a sympathetic clientele among New York City's elite and she further captivated her customers through her seductive letters which mixed elements of traditional feminine demureness with sexual boldness But she was to meet her match and her nemesis in a youth called Richard Robinson He was one of an unprecedented number of young men who flooded into America's burgeoning cities in the 1830s to satisfy the new business society's seemingly infinite need for clerks The son of an established Connecticut family he was intense arrogant and given to posturing He became Helen Jewett's lover in a tempestuous affair and ten months later was arrested for her murder He stood trial in a five day courtroom drama that ended with his acquittal amid the cheers of hundreds of fellow clerks and other spectators With no conviction for murder nor closure of any sort the case continued to tantalize the public even though Richard Robinson disappeared from view Through the Erie Canal down the Ohio and the Mississippi and by way of New

Orleans he reached the wilds of Texas and a new life under a new name Through her meticulous and ingenious research Patricia Cline Cohen traces his life there and the many twists and turns of the lingering mystery of the murder Her stunning portrayals of Helen Jewett Robinson and their raffish colorful nineteenth century world make vivid a frenetic city life and sexual morality whose complexities contradictions and concerns resonate with those of our own time
