Past Unforgiving Midnight:

Five Past Midnight James Stewart Thayer, 1998 Escaping from Germany's Colditz Castle where he was being held as a prisoner of war Captain Jack Cray fights his way to Berlin in April 1945 following a twisted trail of terror across Germany The American Army commando has just been handed the most dangerous mission of his career the assassination of Adolf Hitler

The Last Call at Midnight Alice Arnold, In the heart of a city shrouded in shadows where the intoxicating aroma of illicit liquor mixes with the scent of fear Detective Aaron Cole finds himself thrust into a world of hidden motives and deadly secrets The discovery of a body in a clandestine speakeasy sets in motion a chain of events that will force him to confront not only a cunning killer but also the demons lurking within his own past The Last Call at Midnight delves into the murky world of bootlegging betrayal and revenge drawing the reader into a world of atmospheric suspense and intricate plotting Each character is carefully crafted harboring their own hidden agendas and motivations making it difficult to discern friend from foe The story is told through a hard boiled lens reflecting the cynical yet deeply human nature of Detective Cole His relentless investigation leads him down a path fraught with danger where every clue is a step closer to the truth but also a step closer to the precipice of his own emotional collapse As Cole unravels the complex web of deceit the reader will discover that the most dangerous secrets are often the ones hidden within Prepare to be immersed in a story that balances suspenseful twists with introspective character development a gripping narrative reminiscent of classic film noir yet undeniably modern in its exploration of trauma justice and redemption This is more than just a crime novel it's a journey into the darkest corners of the human psyche and the search for truth in a world where morality is constantly tested *Midnight in the Garden of Good and Evil* John Berendt, 1994-01-13 NEW YORK TIMES BESTSELLER A modern classic of true crime set in a most beguiling Southern city now in a 30th anniversary edition with a new afterword by the author The basis for the upcoming Broadway musical coming in 2025 Elegant and wicked might be the first true crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty early morning hours of May 2 1981 Was it murder or self defense For nearly a decade the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss hung oaks and shaded squares In this sharply observed suspenseful and witty narrative John Berendt skillfully interweaves a hugely entertaining first person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case It is a spellbinding story peopled by a gallery of remarkable characters the well bred society ladies of the Married Woman's Card Club the turbulent young gigolo the hapless recluse who owns a bottle of poison so powerful it could kill every man woman and child in Savannah the aging and profane Southern belle who is the soul of pampered self absorption the uproariously funny drag queen the acerbic and arrogant antiques dealer the sweet talking piano playing con artist young people dancing the minuet at the black debutante ball and Minerva the voodoo priestess who works her magic in

the graveyard at midnight These and other Savannahians act as a Greek chorus with Berendt revealing the alliances hostilities and intrigues that thrive in a town where everyone knows everyone else Brilliantly conceived and masterfully written *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience ... **Past Unforgiving**

Midnight Sam Sax,2004-01-12 *Spellbound by Midnight* Sebastian Hale,2025-04-08 *Spellbound by Midnight* When the clock strikes twelve the veil between dreams and nightmares shatters awakening the darkest fears that lurk within the hearts of the living In the shadowy realm of Eldergrove where Gothic landscapes stretch beneath a silvery moon Seraphine Nightwind a sorceress of unparalleled talent discovers the treacherous boundaries of her forbidden magic As she delves deeper into the arcane arts a single spell spirals out of control unleashing the Night Mare a creature born from the very essence of terror Now with every midnight toll she must confront the nightmares she has wrought or risk losing herself to the darkness forever Enter Gareth a solitary hunter with a past shrouded in regret and a heart hardened by loss Drawn to the haunted keeps and moonlit forests of Eldergrove he carries with him the weight of a promise to lift the curse that binds the realm in perpetual dread With each encounter Gareth must navigate the twisted pathways of fear and redemption battling both the Night Mare s haunting illusions and the demons of his own making As fate intertwines his path with Seraphine s he finds himself questioning the very nature of sacrifice and the lengths one must go to reclaim lost souls At the heart of this chilling tale lies Witch Selene the enigmatic figure whose motives remain shrouded in mystery Is she a guardian of the ancient secrets that could save Eldergrove or a puppeteer pulling the strings of fate for her own gain As Gareth and Seraphine unravel the dark tapestry woven by Selene they must confront their own insecurities and confront the shadows that threaten to consume them In *Spellbound by Midnight* the air is thick with suspense as the protagonists navigate their fears and desires amidst a backdrop of twisted trees and crumbling castles Each chapter unfolds like a dark lullaby luring readers deeper into a world where magic can be a double edged sword and every whispered secret carries the weight of doom Will Seraphine and Gareth find the strength to face their nightmares and redeem their souls before the last stroke of midnight or will they be forever trapped in a labyrinth of terror Prepare to be spellbound for this is a tale where every heartbeat echoes with the promise of redemption and the darkest corners of the human psyche are laid bare beneath the moonlight

Focuses on the variety and independence of pantomime in the provinces, especially Nottingham, Birmingham, and Manchester. Explores official and local censorship and the relationships between local theaters, managers, authors, and audiences. Unforgivable Collette Elliott, 2014-04-24. Unforgivable is the shocking real-life story of suffering and survival from child abuse victim Collette Elliott. I brought you into this world and I can take you out with one click of my fingers. What if Baby P or Daniel Pelka had lived to tell their tale? Collette Elliott once had a similar story. She slipped through the net and only just survived. Her childhood was a place of filth and terror. Her prostitute mother abused and neglected Collette, leaving her with clients starving her and beating her to a pulp. But the worst thing was that the people who were supposed to protect Collette turned a blind eye. This is the story of a little girl who waited years for justice. It's the story of a woman determined to protect other children from suffering her fate. Collette Elliott is a 35-year-old mother of four. She was born in Birmingham to Maureen Batchelor, a prostitute, and suffered years of physical and mental abuse. In April 2013, Birmingham City Council awarded her 20,000 in damages for the anguish she suffered and their failure to protect her. Collette is now happily married, a devoted mother to her girls, and is campaigning on behalf of other child abuse victims.

GOTTI: The Rise, Rule, and Ruthless Legacy of the Last Real John Levesley, 2025-05-23. John Gotti was more than a mob boss. He was a symbol of power, defiance, and discipline in a world built on silence. From the streets of New York to the courtroom spotlight, he ruled with presence, loyalty, and absolute control. This gripping true account dives deep into Gotti's rise through the ranks, his fearless command of the Gambino family, and the betrayals that led to his fall. Told with raw detail and powerful storytelling, it captures the last era of real order in the underworld and the man who stood at its center. Gotti never bent. He never broke. This is the story of the man who became the myth. Ruthless Prince Faith Summers, Khardine Gray, 2020-09-14. We were destined for disaster from the second we met Massimo D'Agostino. He is the heir to his father's empire. Don't be fooled by his handsome face or that piercing blue gaze. He's no prince charming. He's dangerous and feared. Possessive and fierce. Our first meeting began with a contract that forced me to marry him and sign my life away. I was a debt repayment and a pawn in his game to exact revenge against my father. The only way out is death. I belong to him now. Me, the Balesteri Mafia Princess. Pure and untouched. Owned by the devil who placed me in a gilded cage. But something unexpected happened: the moment our paths collided. It made me want more of what he had to offer every time I lay beneath him. Then the past came knocking at the door, and dark secrets scattered at my feet. Suddenly, I don't know truth from lies. Or who the monster in this story is. I thought it was my husband. Now I'm not so sure. **Ruthless Prince** is the first book in the Dark Syndicate series.
