Hardcase Dan Simmons, 2014-09-16 Once Joe Kurtz needed revenge and revenge cost him eleven years in Attica prison. Now Kurtz needs a job and the price is going to be higher. Out of prison, out of touch, Kurtz signs on with the Byron Farino Don of a Mob family whose son Kurtz had been protecting on the inside. Farino enlists Kurtz's help to track down the Family's missing accountant, a man with too much knowledge of Family business to have on the loose. But someone doesn't want the accountant found, and with enemies inside the Family vying for his throne and turf warfare just around the corner, Farino needs an outsider like Kurtz to flush out who's really behind this latest affront. As the story twists and turns and the body count rises, Kurtz no longer knows who he can trust. Everyone seems to be after something from the mob boss's sultry yet dangerous daughter to a hit man named The Dane, an albino killer who is good with a knife, and a dwarf who is armed to the teeth and hell-bent on revenge. Kurtz has always been an ace investigator. Now he's about to discover that to get at the truth, sometimes you have to go after it hard.

Stepbrother Broken Colleen Masters, 2015-08-29 Only Lukas Hawthorne could simultaneously break my spirit, crush my dreams, and make me dripping wet. He's a legend on campus, a star athlete with records that'll never be broken. I always see him on campus walking around with some new hot piece of ass, and I dream about what it would be like to be the one on his arm. It's totally unfair to have such an effortlessly handsome grad student as my TA. Who knew economic theory could be so sexy. Problem is, I've been so distracted by him all semester that now I'm failing his course, and I need to pass if I hope to graduate on time. He wants to meet with me after class to discuss how I can make up my grade this summer: extra assignments, private lessons, whatever it takes. But when a disgusting realization is made, our student-teacher sex sessions are permanently interrupted. Our parents are engaged. They're madly in love and can't wait to make me, Lukas, and all of our siblings one big happy family. To make matters worse, we have to endure a family vacation at his father's lake house. Together, a million miles away from everything, things are the more inappropriate, my desire for him the more intensely it burns, and he isn't shy about meeting me halfway. According to him, we're going to defile every room and every surface of his father's house before we go back to school. Challenge accepted.
