Davis, Richard Beadle, Colin Richmond, 2004 The Paston family papers have long been consulted for their information about social history and politics in the fifteenth century both within East Anglia and also nationally Parts I and II of Paston Letters and Papers of the Fifteenth Century edited by Norman Davis were originally published by the Clarendon Press in 1971 and 1976 and were reissued with corrections by EETS in 2004 Part III completes the edition It contains the texts of 120 additional letters and papers many of them relating to Sir John Fastolf and his circle These texts are previously unprinted or printed only in part some only came to light after the publication of Parts I and II The texts have been edited according to the principles established by Norman Davis and are accompanied by an Introduction and Bibliography as well as a consolidated index to all three parts of the edition a glossary to the entire edition a concordance of the principal editions and original sources and a working chronology of the documents Richard Beadle is Reader in English Literature and Historical Bibliography at the University of Cambridge Colin Richmond is Emeritus Professor of Medieval History at the University of Keele

Financing Queenship in Late Fifteenth Century England Michele L. C. Seah, 2025-05-06 Seah's important book richly documents and deftly analyzes the complex household economies of three fifteenth century queens consort of England who lived during a period of political and economic upheaval This book based on impressive meticulous research is more than just a much needed methodological model for studying queenly finances that fills a gap in the historiography of queenship It is a powerful study of the intrinsic worth of a queen Theresa Earenfight Professor Emerita of History Seattle University Late medieval queens required considerable economic and financial resources to enable them to dispense patronage exercise power and influence and establish and maintain political and social networks This book examines the

nature and usage of these resources via an in depth study of the reigns of three queens consort from the second half of the fifteenth century in England Margaret of Anjou Elizabeth Woodville and Elizabeth of York considering how the queens were supported in material terms and their impact on the economic landscape of the period It surveys in detail the economic assets available to these queens including dower lands monetary and non monetary grants and queens gold before moving on to a discussion of two major entities households and affinities which they needed to maintain It both sheds light on individual queens and on broader questions of authority and agency in late medieval English queenship [The Wars of the Roses](#) Michael Hicks,2010-10-26 A new assessment of the battle for the English throne All readers interested in late medieval history will appreciate this Library Journal The Wars of the Roses 1455 85 were a major turning point in English history But the underlying causes for the successive upheavals have been hotly contested by historians ever since In this original and stimulating new synthesis distinguished historian Michael Hicks examines the difficult economic military and financial crises and explains for the first time the real reasons why the conflicts between the House of Lancaster and the House of York began why they kept recurring and why eventually they ceased Alongside fresh assessments of key personalities Hicks sheds new light on the significance of the involvement of the people in politics the intervention of foreign powers in English affairs and a fifteenth century credit crunch Combining a meticulous dissection of competing dynamics with a clear account of the course of events this is a definitive and indispensable history of a compelling complex period [The Later Medieval Inquisitions Post Mortem](#) Michael Hicks,2016 Essays exploring the potential of the Inquisitions post mortem to shed important new light on the medieval world *Historians on Robin Hood* Stephen H. Rigby,2024-11-19 Offers a comprehensive thematic introduction to a wide range of medieval writings about the outlaw hero from a series of different historical perspectives By the fifteenth century churchmen were complaining that laypeople preferred to hear stories about Robin Hood rather than to listen to the word of God But what was the attraction of this outlaw for contemporary audiences The essays collected here seek to examine the outlaw s legend in relation to late medieval society politics and piety They set out the different types of evidence which give us access to representations of Robin and his men in the pre Reformation period ask whether stories about the outlaw had any basis in reality and explore the many different purposes for which his legend was adapted The volume is divided into six parts the sources for the medieval legend of Robin Hood and its origins social structure social conflict kingship law and warfare piety and the church and the outlaw s legend in Wales and Scotland Key issues addressed by its essays include the dating of the surviving tales attitudes to social hierarchy representations of gender and masculinity the extent to which the tales drew upon or shaped contemporary attitudes towards law and justice the development of Robin Hood plays and games and whether the legend emerged from or appealed to particular social groups It not only sheds new light on a character who whether real or not is one of the most important and memorable figures in the history of medieval England but also explores the extent to which the outlaw became popular in Scotland and

Wales The Haskins Society Journal 34 Person William North, Contributor Laura E Wangerin, 2024-10-08 Essays illuminating a wide range of topics from Cistercian preachers and the geography of purgatory to royal and ecclesiastical justice and power This volume continues the Society's commitment to historical and interdisciplinary research from the early and central Middle Ages and demonstrates its belief that the close interrogation of primary documents yields new insights into or important recalibrations of our understanding of the past It begins by surveying the works of the Greek Fathers rendered into Latin in late antiquity exploring their reception and deployment in England before the conquest The twelfth century occupies a central place in this volume Four papers offer close readings or re readings of key authors or sources one reconstructs William of Malmesbury's journeys in the mid 1130s another offers a new reading of two of Aelred of Rievaulx's royal biographies a third considers the influence of Henry of Marcy on Herbert of Clairvaux's *Liber visionum et miraculorum Clarevallensium* and a fourth examines the *Historia Gaufredi Ducis* and its outsized impact on the history of the ritual of dubbing Two papers address royal and ecclesiastical justice in mid thirteenth century France through meticulous work with archival sources they respectively consider the case of Geoffroy de Milly and limits of sovereign authority and enquetes as a technique of power Further topics include the emerging geography of purgatory in the imagination of the twelfth and thirteenth centuries the different dimensions of medieval institutional culture as seen in the intersection of earthly and angelic power in Angevin England placed in dialogue with American medieval historiography and the evolving historiographical treatment of men of the Church employed as trusted administrators by Italian communes The volume concludes with two essays on significant moments in the history of American medieval studies examinations of the publication history of Evelyn Faye Wilson's *Stella Maris* of John of Garland and of the life scholarship and legacy of Bennett David Hill round out the volume Richard III Michael Hicks, 2019-11-26 The definitive biography and assessment of the wily and formidable prince who unexpectedly became monarch the most infamous king in British history The reign of Richard III the last Yorkist king and the final monarch of the Plantagenet dynasty marked a turning point in British history But despite his lasting legacy Richard only ruled as king for the final two years of his life While much attention has been given to his short reign Michael Hicks explores the whole of Richard's fascinating life and traces the unfolding of his character and career from his early years as the son of a duke to his violent death at the battle of Bosworth Hicks explores how Richard villainized for his imprisonment and probable killing of the princes applied his experience to overcome numerous setbacks and adversaries Richard proves a complex conflicted individual whose Machiavellian tact and strategic foresight won him a kingdom He was a reformer who planned big changes but lost the opportunity to fulfill them and to retain his crown Provided by publisher **Revisiting the Medieval North of England** Anita Auer, Denis Renevey, Camille Marshall, Tino Oudesluijs, 2019-02-15 1 Interdisciplinary nature of the volume 2 Reflection of recent work carried on the North of England in various projects 3 Sheds new light on the North of England underexplored thus far and asks new questions sets out new lines

Writing War in Britain and France, 1370-1854 Stephanie Downes, Andrew Lynch, Katrina O'Loughlin, 2018-10-03 Writing War in Britain and France 1370 1854 A History of Emotions brings together leading scholars in medieval early modern eighteenth century and Romantic studies The assembled essays trace continuities and changes in the emotional register of war as it has been mediated by the written record over six centuries Through its wide selection of sites of utterance genres of writing and contexts of publication and reception Writing War in Britain and France 1370 1854 analyses the emotional history of war in relation to both the changing nature of conflicts and the changing creative modes in which they have been arrayed and experienced Each chapter explores how different forms of writing defines war whether as political violence civilian suffering or a theatre of heroism or barbarism giving war shape and meaning often retrospectively The volume is especially interested in how the written production of war as emotional experience occurs within a wider historical range of cultural and social practices Writing War in Britain and France 1370 1854 A History of Emotions will be of interest to students of the history of emotions the history of pre modern war and war literature

Maintenance in Medieval England Jonathan Rose, 2017-06-22 Identifying for the first time the true nature of maintenance this study uses primary sources to reach new findings on its lawfulness

Soldier, Rebel, Traitor Alexander R. Brondarbit, 2022-05-05 John Wenlock first Lord Wenlock was a leading diplomat courtier and soldier during the Wars of the Roses whose remarkable career offers us a fascinating insight into one of the most turbulent periods in English medieval history And yet he has hitherto been overshadowed by his more illustrious contemporaries Alexander Brondarbit's meticulously researched and perceptive biography is overdue It establishes Wenlock as a major figure in his own right and records in vivid detail how this shrewd nobleman found his way through the brutal conflicts of his times Wenlock served in Henry V's military campaigns in France in the 1420s before moving on to a career in the royal households of Henry VI Margaret of Anjou and Edward IV As a diplomat he led multiple embassies to Burgundy and France and in addition to the kings he served he was closely connected with other notable figures of the age such as Richard Neville earl of Warwick But Wenlock's speciality was on the battlefield he took part in many raids skirmishes and sieges and in three major battles including the Battle of Tewkesbury in 1471 where he lost his life Using primary sources as well as contemporary assessments in chronicles and letters Alexander Brondarbit gives a nuanced description of the main episodes in Wenlock's long career and throws new light on the motivation of a man who has been labelled a Prince of Turncoats because of his frequent changes of allegiance
