Pastoral Care Of Battered Women:

Pastoral Care of Battered Women Rita-Lou Clarke, 1986-01-01 As Howard Clinebell states in his forward the problem of battered women is a tragedy that has reached epic proportions in our society Recognizing that it is pastors to whom abused women will often turn for help and that their advice can be counterproductive Rita Lou Clark directs this important book to them She provides a thorough and clear discussion of the problem and gives practical guidance for care considering such topics as the crisis situation couple counseling and help for the abusers **Woman-battering** Carol J. Adams, Written by a new generation of recognized experts in pastoral care these brief foundational books offer practical advice to pastors on the most frequent dilemmas of pastoral care and counseling **Domestic Violence** Al Miles, 2011 Miles addresses the issues related to inadequate pastoral response to this pervasive problem He explores the dynamics of abusive relationships and the role which clergy members can take to heal this painful situation The revised edition designed to reach pastors and individuals preparing to serve builds upon the insights policies and programs in the original volume including new information on the pathology of domestic violence and the effect the economic downturn is having on victims survivors and batterers Miles also focuses on helping clergy and other pastoral ministers develop a more compassionate response to victims survivors who are gay lesbian bisexual and transgender *The Language of Battered Women* Carol L. Winkelmann, 2012-02-01 Winner of the 2005 Outstanding Book Award presented by the Organization for the Study of Communication Language and Gender OSCLG This study of battered women living in a shelter offers a rhetorical analysis of survivors personal theologies Author Carol L Winkelmann holds that while it is virtually ignored in the domestic violence literature the Christian heritage of many battered women plays a significant if complicated role in their language thoughts and lives The women s religious faith serves not only to sustain them through periods of profound suffering but also to develop solidarity with other culturally different women in the shelter Designed to assist women to greater independence the shelter actually functions as a culture of surveillance where women turn to one another and to their faith to cope with the trauma of violence To heal the women engage in dialogue that is dense in religious imagery talking about the relationship of God and the church to suffering and evil At the same time these women also acknowledge that organized religion is very much involved in the maintenance of patriarchal marriage and its attendant abuses in their own lives Together battered women are sometimes able to construct creative theological responses to the problem of suffering and evil A mix of religious and secular languages compels them to devise new ways of thinking about their role in family church and society **No Place for Abuse** Catherine Clark Kroeger, Nancy Nason-Clark, 2001-01-01 Representing the International Task Force on Abuse Catherine Clark Kroeger and Nancy Nason Clark help us hear the cries of abused women and find concrete ways for the church to respond so that no home will be a place of abuse **Gender, Violence, and Justice** Pamela Cooper-White, 2019-03-20 Gender Violence and Justice is a volume of collected essays by an expert in the field of violence

against women and pastoral theology It represents over three decades of research advocacy and pastoral theological reflection on the subject of sexual and domestic violence Topics include intimate partner violence sexual abuse and trauma and clergy sexual misconduct controversial theological issues such as forgiveness and as well positive frameworks for fostering well being in families church and society Framed by a foreword and an introduction that place this work in the context of new and contemporary challenges in theory and practice these essays show an evolution of issues and frameworks for theology care and activism arising over time from the movement to end violence against women both within and beyond religious communities while at the same time demonstrating an unchanging core commitment to gender justice **Women,**

Why Are You Weeping? Frank S. Morris Ph.D., 2019-02-28 Christian husbands are cursing choking punching beating kicking and in some instances using weapons to assault their wives Women Why Are You Weeping describes how trust is broken and collusive alliances are formed whenever the church chooses to not get involved in family violence issues When juxtaposed to Mary Magdalene s traumatic discovery at the tomb that caused her to cry they have taken away my Lord and I do not know where they have laid him this writing offers insight into ways Christ is poorly embodied when he is portrayed as complicitous in our unjust acts Women Why Are You Weeping is an appropriate inquiry into the depth of disappointments our fellow heirs of the grace of life undergo This question only appears twice in Scripture In both instances it is posed by divine beings looking into the affairs of mankind Policy and practical change will occur when the church views the violence as a concern of all God s people particularly clergy If the unredeemed can be there to listen to and comfort victims and have invested the money and time needed to give the victim survivors the encouragement and hope they so desperately seek how can the redeemed do less Spiritual Care in an Age of #BlackLivesMatter Danielle J. Violence Nancy Nason-Clark, Barbara Fisher-Townsend, Catherine Holtmann, Stephen McMullin, 2017-10-23 Intimate partner violence is a complex ugly fear inducing reality for large numbers of women around the world When violence exists in a relationship safety is compromised shame abounds and peace evaporates Violence is learned behavior and it flourishes most when it is ignored minimized or misunderstood When it strikes the homes of deeply religious women they are more vulnerable more likely to believe that their abusive partners can and will change less likely to leave a violent home temporarily or forever often reluctant to seek outside sources of assistance and frequently disappointed by the response of the religious leader to their call for help These women often believe they are called by God to endure the suffering to forgive and to keep on forgiving their abuser and to fulfill their marital vows until death do us part Concurrently many batterers employ explicitly religious language to justify the violence towards their partners and sometime they manipulate spiritual leaders who try to offer them help Religion and Intimate Partner Violence seeks to navigate the relatively uncharted waters of intimate partner violence in families of deep faith The program of research on which it is based spans over twenty five years and includes a wide variety of specific studies involving religious leaders congregations battered women men in batterer intervention programs and the army of workers who assist families impacted by abuse including criminal justice workers therapeutic staff advocacy workers and religious leaders The authors provide a rich and colorful portrayal of the intersection of intimate partner violence and religious beliefs and practices that inform and interweave throughout daily life Such a focus on lived religion enables readers to isolate examine and evaluate ways in which religion both augments and thwarts the journey towards justice accountability healing and wholeness for women and men caught in the web of intimate partner violence
