Internal Revenue Service,2002      **Queering Christianity** Robert E. Shore-Goss,Thomas Bohache,Patrick S. Cheng,Mona West,2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices      **ThirdWay**,1994-05 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      **The Morning Star and Free Baptist**,1907      Religion and Spirituality Martin Dowson,Stuart Devenish,2010-06-01 Religion and spirituality make critical contributions to an inclusive vision for the welfare of minorities the marginalized and other disadvantaged groups in societies and cultures around the globe Religious movements and spiritual traditions work to improve social outcomes for disenfranchised groups by enriching educational political and social agendas and by providing a wide variety of justice driven programs and services Values underpinning these services include the dignity of the human person the sanctity of human life the foundational role of families and communities the transformative power of learning and the advancement of shared personal and social rights and responsibilities These values act as a counter balance to other attitudes and values that may impede pro social cohesion and development Drawing on diverse religious and spiritual perspectives and traditions this new volume provides exciting and enriching examples of theory research and practice that directly contribute to our understanding of how religion and spirituality promote and facilitate social justice and equity in diverse social and cultural contexts with a particular focus on educational settings contexts processes and outcomes Religious communities invest heavily in schools colleges and universities in the belief that these educational institutions enable them to inculcate into their membership the kinds of moral values and qualities that lie at the heart of their spiritual teachings Looking beyond the sacred secular impasse religious organisations attempt to provide

a education for life which draws from both the scientia of science and the sapientia of religion and spirituality These depth dimensions provide the pool of values which enable citizens to enact equity mercy and justice in society in the name of God and for the sake of humanity The chapters which comprise this volume demonstrate the possibility of a healthy integration between religion and education from a truly global transdisciplinary and ecumenical perspective From contexts within Asia Africa the USA and Australia and from disciplines ranging from ethics to social work from health to educational curriculum from personal identity to community consciousness this volume makes a unique contribution to the theory and practice of the educational and religious inter face It is a contribution which holds a great deal of promise for being pro humanitas

**Becoming a Social Worker** Vivienne E. Cree,2013-01-22 This is a book about social workers and social work It tells the story of the journey into and through social work of people from around the world living and working in social work today We hear what has brought them into social work and what has kept them in it since Their lively accounts demonstrate that commitment and passion remain at the heart of social work today This new edition of *Becoming a Social Worker* is made up of entirely new stories It describes what it is like to be a social worker in a range of different practice settings in different countries While many of the narratives are from practitioners and educators who either grew up in or came as adults to the UK half of the narratives explores the experiences of social workers and educators working in different parts of the world in countries as diverse as Australia and New Zealand India and Bangladesh Ireland Sweden and Eastern Europe Nigeria the USA and Canada The book ends with a commentary which argues that social work is truly a global profession Some of the contributors will be recognised as those who have played a key part in shaping social work over the years and they provide valuable insights into how the profession has developed over time Other contributors less well known but no less interesting give a vivid account of the challenges that social work education and practice face and the shared values that underpin social work wherever it is located Social work is a demanding and difficult job that goes largely unseen within society We only ever hear about social work and social workers when something goes wrong and a vulnerable adult or child is hurt *Becoming a Social Worker* sets out to change that to make social work visible so that those considering a career in the caring professions across the world can make an informed choice about whether social work is the career for them **The Foundation**
