Pastoral Care Its Roots And Renewal:

Pastoral Care Herbert T. Mayer, 1979 The Christian Pastor Wayne E. Oates, Wayne Edward Oates, 1982-01-01 A standard work in seminaries and a reliable guide for clergy in many denominations for over thirty years The Christian Pastor has been revised to include up to date research on the role of pastors in contemporary life In examining today s changing ministry Wayne Oates makes use of recent psychological interpretations and at the same time preserves the biblical and theological emphases of earlier editions *The Pastoral Conversion of the Parish Community* Congregation for Clergy, 2020-07-31 Outlines for the renewal of parish structures in a more dynamic and missionary direction *Recalling Our Own Stories* Edward P. Wimberly, 2019-02-01 How religious caregivers can find spiritual renewal in their own story *Recalling Our Own Stories* which author Edward P Wimberly describes as a spiritual retreat in book form is designed to help clergy and religious caregivers face the challenges of ministry It is also a valuable resource for practitioners who assist these clergy and caregivers in meeting the challenges of their work Wimberly enables caregivers to map out and come to grips with cultural expectations of their profession He also helps readers explore and edit the mythologies that make up their self image attitudes toward others expectations about their performance and role and convictions about ministry Finally he provides a model for spiritual and emotional review grounded in narrative psychology and spiritual approaches As Wimberly explains this book offers a way to renew our motivation for ministry by reconnecting to our original call visualizing again how God has acted and remains intricately involved in our lives Wimberly demonstrates how religious caregivers often facing burnout can tap the sources of renewal that reside in the faith community *The Chicago Theological Seminary Register* Chicago Theological Seminary, 1978 Alumni directory issue 1859 1951 v 44 no 4 v 45 no 1 **Planning Sabbaticals** Robert C. Saler, 2019-11-01 Sabbaticals are becoming increasingly common practice in congregations and while there are many books on helping pastors prepare for their time away there are no texts that approach the experience with the congregation in mind from start to finish This guide for congregations and their pastors draws on nearly two decades of wisdom from the Lily Endowment Clergy Renewal Program and helps draw the conversation away from a pastor centric model and towards a holistic congregational framework for thinking about how the entire community can benefit from a pastor s sabbatical

Will We Get There From Here Chris Watkins Ron Best and Caroline Lodge **Worship as Pastoral Care** William H. Willimon, 1979 Using insights gained from pastoral care and pastoral psychology William H Willimon explores what happens to people when they become involved in Christian worship True pastoral care he shows cannot take place apart from an active worshipping community of faith Worship as Pastoral Care sensitizes pastors to the many ways Christian worship and pastoral care methods can be blended to enrich and support one another It encourages pastors to broaden their understanding of corporate worship and to become aware of the importance of their role as priests To illustrate his concepts Dr Willimon examines four familiar acts of worship the funeral the wedding baptism and the Lord s Supper The psychological dimensions are discussed and suggestions are given on ways pastors can nurture and sustain their congregations through these services Engaging and readable Worship as Pastoral Care contains practical spiritual implications for all pastors in their leadership of corporate worship *Introduction to Pastoral Counseling* Loren L. Townsend, 2009 An in depth look at who pastoral caregivers are what they do and how and why they do it **A Theology of Pastoral Care** Eduard Thurneysen, 2010-07-01 From a thoroughly biblical viewpoint Eduard Thurneysen probes deeply into the nature and practice of pastoral care His rich understanding of men his experience in counseling and his grasp of theological thought infuse his approach with vitality and truth As he considers the basis of pastoral care Thurneysen puts forward the thesis that the purpose of counseling is to communicate the Word of God to individuals Pastoral care is a ministry along with those of sermon and sacrament its aim is to lead the counselee back to sermon and sacrament in the worship of the church Although he does little more than hint at rules and techniques for pastoral care Thurneysen is greatly concerned with its practical aspects It is his belief that the care of souls occurs through conversation confident open minded conversation which is founded on the Word of God informed by prayer and manifested in active listening to and acceptance of the counselee Thurneysen demonstrates the importance of a knowledge of psychology and the principles of psychotherapy Depth psychology and psychotherapy deeply enrich our understanding of human nature and serve to communicate the message of forgiveness all the more powerfully This book provides a critical theological study of the whole field of pastoral care As a work in practical theology it will be stimulating and useful to professors of counseling as well as to students in the field Counselors and pastors will find it helpful because it throws light on the fundamental issues involved in problems which they face in their ministries **Still Time to Care** Greg Johnson, 2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism s leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth

and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I m not gay anymore Now I m just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With warmth and humor as well as original research Still Time to Care provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion The Arts of Contemplative Care Cheryl A Giles, Willa B Miller, 2012-11-24 Powerful and life affirming this watershed volume brings together the voices of pioneers in the field of contemplative care from hospice and hospitals to colleges prisons and the military Illustrating the day to day words and actions of pastoral workers each first person essay in this collection offers a distillation of the wisdom gained over years of compassionate experience The stories told here are sure to inspire whether you are a professional caregiver or simply feel inclined toward guiding healing and comforting roles If you are inspired to read this book or even one touching story in it you just might find yourself inspired to change a life Real Life Theology Daniel McCoy, Bobby Harrington, 2021-09-17 REAL LIFE ANSWERS TO LIFE S BIGGEST QUESTIONS Real Life Theology invites you to a fresh way of living by bridging two areas of your life what we know about God and how we live our lives This collection of thirteen accessible books gives real life answers to fifty two of life s biggest questions such as What is the gospel What is saving faith What role does baptism play in salvation What are the essential important and personal elements of the faith How should we view marriage gender and race Real Life Theology was written with everyday Christians in mind We encourage you to read it walk with others through it and along the way learn God s real life answers to your biggest questions This series will help churches in their training of pastoral staff as well as the everyday disciple maker in your church or ministry Jim Putman author of Real Life Discipleship As our churches become more diverse and our culture less biblically literate we increasingly need Real Life Theology Mark Moore author of Core 52 This book is a one of a kind for our generation Highly recommended David Young author of King Jesus and the Beauty of Obedience Based Discipleship We re excited to integrate Real Life Theology into our leadership development resources at Southeast Christian Church Matt Reagan Associate Pastor of Southeast Christian Church It s imperative that we do theology wisely and well and this book is a fantastic help Matt Proctor President of Ozark Christian College BOBBY HARRINGTON DMin Southern Baptist Theological Seminary is CEO of Renew org and Discipleship org both national disciple

making networks Bobby is the founding and Lead Pastor of Harpeth Christian Church He is author or coauthor of more than a dozen books on disciple making DANIEL MCCOY PhD North West University is Editorial Director of Renew org He has created classes on philosophy ethics and world religions for Ozark Christian College Among his books are The Popular Handbook of World Religions general editor and The Atheist s Fatal Flaw coauthored with Norman Geisler *Worship as Pastoral Care* Bishop William H. Willimon,1982-06-01 Demonstrates how worship and pastoral care can be blended to sustain and enrich each other Using insights gained from pastoral care and pastoral psychology William H Willimon explores what happens to people when they become involved in Christian worship True pastoral care he shows cannot take place apart from an active worshipping community of faith Worship as Pastoral Care sensitizes pastors to the many ways Christian worship and pastoral care methods can be blended to enrich and support one another It encourages pastors to broaden their understanding of corporate worship and to become aware of the importance of their role as priests To illustrate his concepts Dr Willimon examines four familiar acts of worship the funeral the wedding baptism and the Lord s Supper The psychological dimensions are discussed and suggestions are given on ways pastors can nurture and sustain their congregations through these services *Reforming Pastoral Ministry* John H. Armstrong,2001 By its very nature the church requires an ongoing renewal by the power of the Sprit An essential instrument in that process is the pastor who must continually reform his ministry and seek Christ in the face of an ever changing world These writings by pastors from a variety of backgrounds will help spiritual shepherds recapture their focus and remind them of their practical needs as ministers of the gospel It s a resource that goes beyond theory to practically prepare pastors in season and out for God s work **Basic Types of Pastoral Care & Counseling** Howard Clinebell,2011-08-01 Basic Types of Pastoral Care and Counseling remains the standard in pastoral care and counseling This third edition is enlarged and revised with updated resources methods exercises and illustrations from actual counseling sessions This book will help readers be sensitive to cultural diversity ethical issues and power dynamics as they practice holistic growth oriented pastoral care and counseling in the parish Theological Context for Pastoral Caregiving William M Clements,Howard W Stone,2013-09-05 In Theological Context for Pastoral Caregiving Howard W Stone helps his fellow pastors and worship leaders provide effective and faithful pastoral care and counseling through the study of the correlation between pastoral care and theology You will learn that in order for pastoral care to be effective it must have a theological base to shape the caregiving experience At the same time theology must be informed by the needs and experiences of the people being served and by the ministry of pastoral care By relating these two issues you gain a unique viewpoint not offered by books with simply a psychological focus The author draws from his day to day clinical practice of pastoral care and counseling to show how pastoral care and theology can be brought together Through Howard Stone s work the reader learns of an overview of pastoral care and counseling today how to provide a pastoral assessment of the persons served the author s theological understanding of the ministry of pastoral care and

counseling methods for correlating theology and pastoral care how spiritual direction as a discipline can help pastoral care and counseling ministry regain a solid theological base theological themes that might be more explicitly and intentionally related to pastoral care Theological Context for Pastoral Caregiving provides useful information for parish pastors people in training to be parish pastors and specialists in the field of pastoral care counseling As one of the easiest to read books on this subject it can also be used as a text for graduate level classes in courses such as Theology and Pastoral Care Pastoral Theology and Practical Theology With this book seminary students will finally be able to relate the practical things learned in pastoral counseling classes with what is learned in theology classes **Subject Catalog** Library of Congress,1979 **A**

New Vision, a New Heart, a Renewed Call David Claydon,2005 **Images of Pastoral Care** Robert C Dykstra,2005-01-01 This book is an edited volume of works that have predominated over the past several decades in contemporary pastoral theology Through the writings of nineteen leading voices in the history of pastoral care Dykstra shows how each contributor developed a metaphor for understanding pastoral care Such metaphors include the solicitous shepherd the wounded healer the intimate stranger the midwife and other tangible images Through these works the reader gains a sense of the varied identities of pastoral care professionals their struggles for recognition in this often controversial field and insight into the history of the discipline Includes readings by Anton T Boisen Alastair V Campbell Donald Capps James E Dittes Robert C Dykstra Heije Faber Charles V Gerkin Brita L Gill Austern Karen R Hanson Seward Hiltner Margaret Zipse Kornfeld Bonnie J Miller McLemore Jeanne Stevenson Moessner Henri J M Nouwen Gaylord Noyce Paul W Pruyser Edward P Wimberly
