Solution-focused Pastoral Counseling Charles Allen Kollar, 1997 This groundbreaking book now updated and expanded furthers its original effective time saving approach that benefits pastors overtaxed by counseling demands Dr Charles Kollar presents a departure in pastoral counseling showing that counseling need not be long term or depend on psychological manipulation to produce dramatic results In most cases the solution lies with the counselees themselves Using the tested methods found in Solution Focused Pastoral Counseling pastors apart from counselors will be well equipped to help their counselees discover a solution and put it in motion speedily and productively SFPC is short term typically one to five sessions in which the counselor seeks to create solutions with not for the counselee The focus is on the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive The goal is healthy change sooner rather than later by helping the counselee see and work on the solution with God's activity already present in his or her life The solution focused approach does not require the counselor to be a highly trained psychological expert It requires biblically based sensitivity and common sense Yet this approach also recognizes its limitations and understands that there are situations in which other professional and or medical help is required

Benner, 2003-09-01 Therapeutic counseling in a Christian context can be highly effective when it maintains narrowly focused goals in a time limited setting The details of this proven model of pastoral counseling are described in this practical guide This second edition of Strategic Pastoral Counseling has been thoroughly revised and includes two new chapters Benner includes helpful case studies a new appendix on contemporary ethical issues and updated chapter bibliographies His study will continue to serve clergy and students well as a valued practical handbook

on pastoral care and counseling **Pastoral Counseling** James E. Dittes, 1999-01-01 In this invaluable resource for pastors and seminarians James Dittes offers answers to some of a minister's basic counseling questions: how do I guide counseling conversations yet empower those who feel helpless? How do I negotiate relationships with people who I may counsel on one day and from whom I must seek a housing allowance on the next? Can I be psychologically adept while remaining theologically faithful? Dittes offers a wealth of insight into these and other fundamental issues. *Basic Types of Pastoral Counseling* Howard Clinebell, 1966 A survey of approaches to pastoral counseling. *Spirituality in Pastoral Counseling and the Community Helping Professions* Harold G. Koenig, Charles J. Topper, 2012-10-12 An enlightening guide to bringing spirituality into the helping professions. This unique handbook will help you make the journey that will turn spirituality into the touchstone of your practice. For too long spirituality has been a skeleton in the closet of many practitioners, but now there is a growing movement to integrate the vital beliefs of clients into the healing process. *Spirituality in Pastoral Counseling and the Community Helping Professions* addresses the core values of the movement, providing you with a step-by-step process you can follow to increase empathy and healing while building on the foundation of spirituality. Each chapter includes penetrating reflection questions to help you better understand your own spiritual perspective and a list of suggested resources to help you learn more. *Spirituality in Pastoral Counseling and the Community Helping Professions* investigates the best tools for spiritual assessment, how ethnic background influences spirituality, the language of the sacred in daily life, how people can develop greater empathy, integrating spirituality into community, the importance of ritual. As author Dr. Charles J. Topper says, "Spirituality is the integrating core element of human experience." Reading this book, both clients and care providers will learn to explore their own vibrant spirituality, a powerful innate source of strength and healing. *Spirituality in Pastoral Counseling and the Community Helping Professions* aims to make spirituality more accessible to everyone. *Spirituality in Pastoral Counseling and the Community Helping Professions* shows how you can take an active approach to integrating spirituality into your profession, helping the people around you see not just their problems but the connections between every facet of their lives. Asquith, 2010 Surveys the essentials of pastoral care and counseling. **Pastoral Care and Counseling** Helsel, Philip Browning, 2019 Addresses the critique that pastoral care is indistinguishable from secular psychotherapy by placing a person's relationship to God at the center of pastoral care. **A Theology of Biblical Counseling** Heath Lambert, 2016-04-05 A landmark textbook for Christian counselors that unpacks the core theological convictions behind sound counseling and outlines practical wisdom for counseling today. Since the beginning of the biblical counseling movement in 1970, biblical counselors have argued that counseling is a ministry of the Word, just like preaching or missions. As a ministry, counseling must be defined according to sound biblical theology rather than secular principles of

psychology For over four decades biblical theology has been at the core of the biblical counseling movement Leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling and bad theology leads to bad counseling A Theology of Biblical Counseling is an ideal resource for use in training biblical counselors at colleges seminaries and training institutes In each chapter doctrine comes to life in real ministry to real people dramatically demonstrating how theology intersects with the lives of actual counselees
