Pastoral Epistles New Testament Message 17 A Biblicaltheological Commentary:

The Pastoral Epistles I. Howard Marshall, Philip H. Towner, 2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format The Letters to Timothy and Titus Philip H. Towner, 2006-07-12 The most accessible most broadly pitched full length commentary on Timothy and Titus this NICNT volume explores Paul's three letters to Timothy and Titus within their historical religious and cultural settings In his introduction Towner sets out the rationale for his historical approach questions certain assumptions of recent critical scholarship and establishes the uniqueness and individuality of each letter Significantly Towner's work displays unprecedented interaction with four recent major commentaries on these Pauline letters Centered on an outstanding translation of the Greek text and including thorough footnotes bibliographical citations and indexes Towner's commentary on Timothy and Titus is sure to become a standard reference for busy pastors students and scholars Romans F. F. Bruce, 2014-06-10 While Romans has been among the most influential books of the New Testament it has also been the subject of some of the church's most heated debates In the concise and informative style that has become the hallmark of the Tyndale Commentaries F. F. Bruce guides us along the difficult but rewarding paths of this great letter Persuading the Cretans Aldred A. Genade, 2011-03-23 The Letter to Titus is often branded as incoherent its salutation inchoate Such premature conclusions are directly related to the authenticity debate that has marred analyses of the so called Pastoral Epistles From the corridors of academia echoes the cry to study the letters individually and independently of the authorship issue This book does exactly that It lays bare intricate and novel persuasive strategies strategies that belie the charge of incoherency In fact there is not one but three ways to describe the structure of this masterfully composed letter In Persuading the Cretans Aldred Genade does this utilizing a technique known as text generated persuasion analysis Careful thought has gone into the composition of the letter to communicate timeless truths relevant for generations of Christians This is first century outcomes based communication at its best and communicators preachers and scholars stand to benefit from the lessons in communication the author of Titus can teach us *Pseudepigraphy and Ethical Argument in the Pastoral Epistles* Lewis R. Donelson, 2015-09-29 By employing analyses of the literary structure of ancient pseudepigraphical letters and of the logical structure of ethical argument this study discovers in the Pastoral Epistles a consistent theological ethic that has cosmological and cultic grounding First an investigation of Greco Roman religious pseudepigraphical letters identifies

those literary patterns that determine the form of argumentation in the Pastoral Epistles Second an investigation of the structure of ethical argument produces categories for organizing and analyzing the apparently disorganized arguments in these letters Finally this study concludes that the author of the Pastoral Epistles builds a coherent theological ethic by falsifying Pauline history and by grounding his ethical warrants in church officers 1-2 Timothy and Titus Brian J. Tabb,2017-06-20 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word These 12 week studies lead participants through books of the Bible and are made up of four basic components 1 reflection questions that help readers engage the text at a deeper level 2 Gospel Glimpses that highlight the gospel of grace throughout the book 3 Whole Bible Connections that show how any given passage connects to the Bible's overarching story of redemption culminating in Christ and 4 Theological Soundings that identify how historic orthodox doctrines are taught or reinforced throughout Scripture With contributions from an array of influential pastors and church leaders these gospel centered studies will help Christians see and cherish the message of God's grace on every page of the Bible The letters to Timothy and Titus are among Paul's most personal and practical epistles The apostle writes to instruct these younger men in the importance of sound doctrine and to urge them to rebuke false teaching This accessible study shows how Paul's letters exhort all Christians to protect and pass on the true gospel of Jesus Christ which has the power to save and transform sinners

The Pastoral Epistles George W. Knight,2013-10-23 This is a thorough full scale English commentary on the Greek text of 1 and 2 Timothy and Titus While author George W Knight gives careful attention to the comments of previous interpreters of the text both ancient and modern his emphasis is on exegesis of the Greek text itself and on the flow of the argument in each of these three epistles Besides providing a detailed look at the meanings and interrelationships of the Greek words as they appear in each context Knight's commentary includes an introduction that treats at length the question of authorship he argues for Pauline authorship and proposes on the basis of stylistic features that Luke might have been the amanuensis for the Pastoral Epistles the historical background of these letters and the personalities and circumstances of the recipients Knight also provides two special excursuses the first gathers together the information in the Pastorals and elsewhere in the New Testament on early church offices and leaders the other excursus examines the motivations for conduct in Titus 2:1-10 with a view to their applicability to present day situations *Tyndale New Testament Commentaries* Leon L.

Morris,2009-12-27 The Tyndale New Testament Commentaries have long been a trusted resource for Bible study Written by some of the world's most distinguished evangelical scholars these twenty volumes offer clear reliable and relevant explanations of every book in the New Testament These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means The introduction to each volume gives a concise but thorough description of the authorship date and historical background of the biblical book under consideration The commentary itself examines the text section by section drawing out its main themes It also comments on individual verses and deals with problems of

interpretation The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today

The First Letter to the Corinthians Roy E Ciampa, Brian S Rosner, 2020-05-21 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life This thorough commentary presents a coherent reading of 1 Corinthians taking full account of its Old Testament and Jewish roots and demonstrating Paula s primary concern for the unity and purity of the church and the glory of God Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes The Message of 1 Timothy & Titus John

Stott, 2021-05-25 John Stott finds in 1 Timothy and Titus a dynamic truth that orders Christian life and in this revised BST volume he guides readers through the text highlighting key themes and applications for today Stott s pastoral voice and dedication to teaching the Word echo Paul s as he calls each generation to guard the message entrusted to them *The Letters to Timothy and Titus* Robert W. Yarbrough, 2018-10

Aageson, 2008 What happened to Paul after Paul This book examines the relationships between Paul s undisputed writings the Pastoral Epistles and the Pauline legacy adopted and adapted by the early church Book jacket

A Biblical-Theological Introduction to the New Testament Michael J. Kruger, 2016-05-31 Read the New Testament from a biblical theological perspective Featuring contributions from nine respected evangelical scholars this volume introduces each New Testament book in the context of the whole canon of Scripture helping anyone who teaches or studies the Bible to apply it to the church today **Colossians, Ephesians, First and Second Timothy, and Titus** Lewis R. Donelson, 1996-01-01 Paul s influence on Christian thought has been powerful and formative The deuteropauline epistles attributed to but not written by Paul were actually authored by early Christians in

an attempt to apply Pauline insights to particular challenges not addressed specifically by Paul According to Lewis Donelson this rearticulation and reinterpretation of Pauline wisdom served these early communities by linking them more closely to their apostolic roots It also provided them with a living gospel that had continuing relevance for their particular time and place Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups Baxter's Explore the Book J. Sidlow Baxter, 2010-09-21 Explore the Book is not a commentary with verse by verse annotations Neither is it just a series of analyses and outlines Rather it is a complete Bible survey course No one can finish this series of studies and remain unchanged The reader will receive lifelong benefit and be enriched by these practical and understandable studies Exposition commentary and practical application of the meaning and message of the Bible will be found throughout this giant volume Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures including pastors and teachers Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr Baxter It shows throughout a deep awareness and appreciation of the grand themes of the gospel as found from the opening book of the Bible through Revelation The Pastoral Epistles Benjamin Fiore (s.j.), 2007 First and Second Timothy and Titus have for many years borne the collective title The Pastoral Epistles Both their style and their content make it difficult to locate them within the corpus of Pauline letters and recent scholarship most often considers them pseudonymous works that imitate Paul's letters but apply the apostle's teaching to the concerns of a later time two or more decades after Paul's death The Pastorals differ from Paul's own letters in being addressed to single individuals coworkers of Paul who have been placed in charge of particular churches Timothy apparently in Ephesus Titus in Crete They provide instruction for community leaders both the individual addressees and other leaders whom they will appoint The specification of certain offices within the local churches is one of the features that appear to locate these works in a later phase of church development In this commentary Benjamin Fiore SJ places the Pastorals in their historical and literary context The reader will find here a solid introduction to parallel literary forms in Latin and Greek literature and particular descriptions of the way in which these documents use ancient rhetorical forms to achieve their paraenetic and hortatory purpose Drawing on his parish experience as well as his academic training Fiore also provides reflections on the contemporary pastoral application of these books giving readers a renewed appreciation for the pastoral label these epistles bear Benjamin Fiore SJ is president and professor of religious studies at Campion College at the University of Regina Canada *1 and 2 Timothy and Titus* Robert W. Wall, Richard B. Steele, 2012-12-19 This theological commentary on 1 2 Timothy and Titus by Robert Wall powerfully demonstrates the ongoing relevance and authority of the Pastoral Epistles for the church today Wall uniquely employs an apostolic Rule of Faith methodology for interpreting these
