## **Pastoral Voice Of Robert Perske:**

*The Pastoral Voice of Robert Perske* William C. Gaventa, David L. Coulter, 2003 Well known in mental health circles for his writing on mental retardation and community inclusion Robert Perske is an important advocate for the developmentally disabled today The Pastoral Voice of Robert Perske examines the earlier works from 1963 to 1971 of Robert Perske focusing on his role as a pastor and chaplain at the Kansas Neurological Institute These articles were some of the first on ministry and mental retardation yet they can easily be applied to the mental health and pastoral issues of today Not only is this collection useful to clergy and spiritual administrators as well as mental health professionals but the words of Robert Perske can be enlightening to the families of those who are developmentally disabled

**Graduate Theological Education and the Human Experience of Disability** Robert C Anderson, 2012-10-12 Create pathways in theological education and congregational practice for people with disabilities Graduate Theological Education and the Human Experience of Disability examines graduate schools of theology and their limited familiarity with the study of disability and the presence of people with disabilities in particular on their campuses Dubbed a missing note by one theologian this text offers critical research and illuminates new pathways for theology and practice in the community of faith Reviews of previous literature theology and practices illuminate how people with disabilities have historically been marginalized by the religious community Theologians people with disabilities and researchers offer suggestions for incorporating disability studies into theological education and religious life This text contains firsthand testimony from people with disabilities who are the necessary sources of wisdom for overcoming barriers By infusing education into existing theological curriculum seminaries may better prepare their students for leadership and ministry in their congregations People with disabilities number 18% of the population yet represent only 5.7% of congregational membership This book explores aspects of theology and disability such as the challenges faced by theological schools that desire to improve both theological curriculum and facilities a review of literature that connects theology and disability from sources such as scripture history faith traditions and social theory the various ideologies that shape the way the human body is understood redefining normal in theological education an overview of critical boundaries that mark the limits and possibilities for theological inquiry about the human experience of disability creative concepts that religious communities may use to better include people with disabilities and their families how the religious community may benefit from the gifts talents and leadership of people with disabilities Graduate Theological Education and the Human Experience of Disability contains a reprint of Dr Harold Wilke's landmark 1978 article from Theological Education published by the Association of Theological Schools Dr Wilke born without arms was the theologian minister and scholar who first articulated the need to address the human experience of disability in both theological education and congregational life With extensive biographies and inclusive liturgies this innovative text is a valuable resource for seminary professors and leaders clergy and disability advocates

*Theology and Down Syndrome* Amos Yong, 2007 While the struggle for disability rights

has transformed secular ethics and public policy traditional Christian teaching has been slow to account for disability in its theological imagination Amos Yong crafts both a theology of disability and a theology informed by disability The result is a Christian theology that not only connects with our present social medical and scientific understanding of disability but also one that empowers a set of best practices appropriate to our late modern context Publisher description *Critical Reflections on Stanley Hauerwas' Theology of Disability* John Swinton,2012-12-06 No other mainstream theologian has so consistently and trenchantly taken a stand with and for people with developmental disabilities John Swinton *Critical Reflections on Stanley Hauerwas Theology of Disability* Disabling Society Enabling Theology examines the influential writings of one of the most important contemporary theologians Over the past thirty years Time magazine Theologian of the Year 2001 Dr Stanley Hauerwas has consistently presented a theological position which values the deep theological significance of people with developmental disabilities as well as their importance to the life and the faithfulness of the church Ten key Hauerwas essays on disability are brought together in a single volume essays which reflect and illustrate his thinking on the theology of disability along with responses to each essay from multidisciplinary authoritative sources including Jean Vanier Michael B rub John O Brien and Ray S Anderson Dr Hauerwas has always been a fearless voice in the field of theology *Critical Reflections on Stanley Hauerwas Theology of Disability* Disabling Society Enabling Theology presents his work on the true meaning of disability and provides critical multidisciplinary discussions about his challenging ideas and their validity In his essays Hauerwas discusses his views on issues such as the social construction of developmental disabilities the experience of profound developmental disabilities in relation to liberal society and the community as the hermeneutic of the gospel Included is a new essay by Dr Hauerwas responding to the contributors to the book *Critical Reflections on Stanley Hauerwas Theology of Disability* Disabling Society Enabling Theology explores Hauerwas thoughts on the political nature of disability in liberal society the creation of a society where there is more love the dimensions of what is normal the key role of those treated as outsiders in building community the theological understanding of parenting which places responsibility for the individual child firmly within the Christian community using the model of the church as a social ethic developmental disability being equated with suffering the concept of the person in the theology of disability the developmentally disabled and the criteria for humanhood the importance of family in the process of caring for people with developmental disabilities *Critical Reflections on Stanley Hauerwas Theology of Disability* Disabling Society Enabling Theology is a fascinating exploration of contemporary theological reflection on disability and is essential reading for students and teachers of practical theology pastoral counselors clergy chaplains and social and health care students *Jewish Perspectives on Theology and the Human Experience of Disability* William Gaventa,2012-11-12 A re examination of Jewish scripture and teachings about disabilities Few people are untouched by the issue of disability whether personally or through a friend or relative *Jewish Perspectives on Theology and the Human Experience of Disability* shares moving insights from around the world and across
