Advanced Schutzhund Ivan Balabanov, Karen Duet, 1999-06-29 Ivan's training comes from the heart for the dog. He has certainly enhanced my view of training and has taught me many valuable yet simple techniques to achieve the most from my dogs and myself. Mary A. Allen, World Championship Competitor, USA Apprentice Judge, USA New England Regional Director. Ivan Balabanov is among the few top trainers in the country who truly understands dog behavior and drives. He is highly respected by the best Schutzhund competitors, trainers, and coaches in the country. Glenn Stephenson, United Schutzhund Clubs of America Judge, International competitor. Training methods for the top competitor. Advanced Schutzhund takes a problem-solving approach to Level III work that will help competitors bring their dogs to the highest level. Tracking, obedience, and protection are dealt with individually, analyzing specific problems that crop up in each skill and offering step-by-step solutions. The approach uses operant conditioning techniques that steer clear of compulsion methods and build a dog's confidence, courage, and problem-solving ability. You'll also find tips on how to compete at the National and World levels, including traveling with your dog.
