Ministry Loves Company John T. Galloway, 2003-01-01 In *Ministry Loves Company* John Galloway provides new and veteran pastors with insights on establishing and maintaining a vital parish ministry while remaining invigorated by the practice of ministry. Drawing on the image of a congregation as a family, Galloway uses anecdotes to describe the life of a congregation and the life of a pastor who have both been called to be the body of Christ. Poignant, memorable, and often humorous, Galloway's reflections derive from his own personal experiences as a pastor. *Ministry Loves Company* uniquely addresses the many challenges facing today's pastors and serves as a practical guide for those entering the ministry as well as those veteran pastors who are seeking to remain courageous and excited about parish ministry.

Rather than following the pastor's leadership and receiving the pastor's care, one or more of the flock begin to turn on their shepherd. Sometimes the build-up is obvious; sometimes it's explosive and comes seemingly from nowhere. Regardless of how it happens, the sheep attack. When sheep attack, the fallout surrounding the attack takes a toll on the shepherd and his family, the flock, and on the attack sheep themselves. Inside, you will find some of the common traits of attack sheep, some reasons that sheep attack, and some of the challenges that exist before, during, and after an attack. Before you're through, you will learn some things you can do to stop or lessen the damage of the attack and some specific steps you can take to pick up the pieces afterwards.
