Bishop Dr. Jackie L. Green

Pastors And Visionaries:

Future Church Will Mancini, Cory Hartman, 2020-12-01 Church growth models have often been long on promises and short on disciple making We continue to watch consistent church attendance shrink and our desire to reach the lost is infected with a need for self validation by growing our numbers at any cost If we believe that God wants his church to grow where do we go from here What is the future of the church Drawing from his 20 years and 15 000 hours of consulting author Will Mancini shares with pastors and ministry leaders the single most important insight he has learned about church growth With plenty of salient stories and based solidly on the disciple making methods found in Scripture Future Church exposes the church s greatest challenge today and offers 7 transforming laws of real church growth so that we can faithfully and joyfully fulfill Jesus s Great Commission *Soar!* T. D. Jakes, 2017 The author provides practical guidance on how to achieve success in business and entrepreneurship with methods that are rooted in Christian ideals offering motivation and inspiration

Lies Pastors Believe Dayton Hartman, 2017-10-09 Everyone is tempted to believe lies about themselves For many pastors the lies they re tempted to believe have to do with their identity that God has called them to lead a movement that they must sacrifice their home life for their ministry life or that their image as holy is more important than their actual pursuit of holiness In Lies Pastors Believe pastor and professor Dayton Hartman takes aim at these and other lies he has faced in his own ministry and seen other pastors struggle with With a winsome and engaging style Hartman shows current and future pastors why these lies are so tempting the damage they can do and how they can be resisted by believing and applying the truth of the gospel **Church Unique** Mancini, 2008-03-21 Written by church consultant Will Mancini expert on a new kind of visioning process to help churches develop a stunningly unique model of ministry that leads to redemptive movement He guides churches away from an internal focus to emphasize participation in their community and surrounding culture In this important book Mancini offers an approach for rethinking what it means to lead with clarity as a visionary Mancini explains that each church has a culture that reflects its particular values thoughts attitudes and actions and shows how church leaders can unlock their church s individual DNA and unleash their congregation s one of a kind potential Made to Lead Nicole Massie Martin, 2016-07-12 Women were made to lead Even in church Jesus affirmed women as leaders many contend Mary Magdalene was the first female minister Yet women in ministry face challenges and obstacles both from churches and from their own self doubts Both men and women miss out when women don t lead Made to Lead empowers you to live out your calling boldly and confidently Draw closer to God with relevant biblical examples and heart felt prayers Break down stereotypes of women in leadership And create your own successful reality in which you are a key part of God s holy community **Vanguard of Visions and Dreams** Bishop Dr. Jackie L. Green, 2012-12-29 Dreamers hope Visionaries see Vanguards hope see and lead This book is a dreamers tool box packed with what they need to know about provision for the vision the journey of a vision and the visionary s cup This book will speak to those that are at a spiritual crossroad and

Towns,Stan Toler,2002-12-10 Sunday School Teacher Elmer L Towns and Pastor Stan Toler give us a visionary look at the Sunday School of the future and definitely like what they see That s provided of course we begin today to build the Sunday Schools that will revitalize the Church and thereby ensure its long term growth This companion to What Every Sunday School Teacher Should Know is a practical exciting wake up call for every pastor who has a nagging notion that the Sunday School program is not the dynamic catalyst for growth that it should be *God Dreams Will* Mancini,Warren Bird,2016 God Dreams provides church leaders with a practical tool to identify and build on your church s strengths for greater Kingdom impact **The Flourishing Pastor** Tom Nelson,2021-12-14 With the risk of burnout at an all time high pastors need a new framework for ministry that will help them move from survival to flourishing Drawing on the image of the shepherd leader Tom Nelson offers pastors wisdom and timely vision for leadership that integrates in depth biblical teaching and whole life discipleship providing a roadmap for ministry resilience and longevity *Posting Peace* Douglas S.
