Pat Nixon The Untold Story:

Pat Nixon Julie Nixon Eisenhower,1986 The biography of Pat Nixon wife of Richard Nixon former President of the United States of America written by her daughter **Pat Nixon** Julie Nixon Eisenhower,1987-11-01 This portrait follows the former First Lady from her birth in a boomtown mining shack to the White House and is full of anecdotes and behind the scenes glimpses of historical figures **Pat Nixon** Mary C. Brennan,2023-08-18 Pat Nixon may be the least understood of modern first ladies Although public opinion polls rated her one of our nation s most admired women few Americans really knew much about her This first scholarly biography of Thelma Ryan Nixon the first biography in thirty five years and the first to access her papers goes further than any other book to show readers the real Pat Nixon Lester David s The Lonely Lady of San Clemente painted her as a tragic figure while Julie Nixon Eisenhower s adoring Pat Nixon The Untold Story fell short of offering an objective portrait Now Mary Brennan moves beyond the oversimplified appraisals of this neglected first lady to provide a powerful study of a complex and fascinating presidential spouse Drawing on Mrs Nixon s recently opened papers as well as on recollections of both friends and adversaries Brennan debunks the myth of Plastic Pat and fleshes out the real woman behind the stories and stereotypes The Nixons had more in common with small town Americans than with Washington society and Brennan shows that part of Pat s difficulty in dealing with the political world was that she never quite left the normal Pat behind Political and social upheaval during her husband s presidency further complicated her role as first lady as she had to confront a shifting cultural terrain with the whole world watching Brennan emphasizes Pat s activism the first presidential wife to serve as official government representative as well as the most traveled and examines her complicated relationship with her husband Often seen as a good soldier Pat in reality engaged in constant warfare with her husband and his advisers as she tried to protect her own schedule from interference from the West Wing Blending empathy and objectivity Brennan shows that Pat Nixon was a strong woman caught up in circumstances beyond her control who did as her ancestors had done gritted her teeth and got the job done as best she could This account of an embattled first lady opens a new window on the Nixon years and finally allows Pat Nixon to take center stage in her own life **The League of Wives** Heath Hardage Lee,2019-04-02 With astonishing verve The League of Wives persisted to speak truth to power to bring their POW MIA husbands home from Vietnam And with astonishing verve Heath Hardage Lee has chronicled their little known story a profile of courage that spotlights 1960s era military wives who forge secret codes with bravery chutzpah and style Honestly I couldn t put it down Beth Macy author of Dopesick and Factory Man Exhilarating and inspiring Elaine Showalter Washington Post The true story of the fierce band of women who battled Washington and Hanoi to bring their husbands home from the jungles of Vietnam On February 12 1973 one hundred and sixteen men who just six years earlier had been high flying Navy and Air Force pilots shuffled limped or were carried off a huge military transport plane at Clark Air Base in the Philippines These American servicemen had endured years of brutal torture kept shackled and starving

in solitary confinement in rat infested mosquito laden prisons the worst of which was The Hanoi Hilton Months later the first Vietnam POWs to return home would learn that their rescuers were their wives a group of women that included Jane Denton Sybil Stockdale Louise Mulligan Andrea Rander Phyllis Galanti and Helene Knapp These women who formed The National League of Families would never have called themselves feminists but they had become the POW and MIAs most fervent advocates going to extraordinary lengths to facilitate their husbands freedom and to account for missing military men by relentlessly lobbying government leaders conducting a savvy media campaign conducting covert meetings with antiwar activists and most astonishingly helping to code secret letters to their imprisoned husbands In a page turning work of narrative non fiction Heath Hardage Lee tells the story of these remarkable women for the first time The League of Wives is certain to be on everyone s must read list *Pat Nixon: Untold St* Julie Eisenhower,1987-11 **Going Home To Glory** David Eisenhower,2011-10-11 David Eisenhower delivers a warm personal recollection of the retirement years of his grandfather Dwight D Eisenhower in Gettysburg Pennsylvania where they lived Blacklisted by History M. Stanton Evans,2009-11-24 Accused of creating a bogus Red Scare and smearing countless innocent victims in a five year reign of terror Senator Joseph McCarthy is universally remembered as a demagogue a bully and a liar History has judged him such a loathsome figure that even today a half century after his death his name remains synonymous with witch hunts But that conventional image is all wrong as veteran journalist and author M Stanton Evans reveals in this groundbreaking book The long awaited Blacklisted by History based on six years of intensive research dismantles the myths surrounding Joe McCarthy and his campaign to unmask Communists Soviet agents and flagrant loyalty risks working within the U S government Evans s revelations completely overturn our understanding of McCarthy McCarthyism and the Cold War Drawing on primary sources including never before published government records and FBI files as well as recent research gleaned from Soviet archives and intercepted transmissions between Moscow spymasters and their agents in the United States Evans presents irrefutable evidence of a relentless Communist drive to penetrate our government influence its policies and steal its secrets Most shocking of all he shows that U S officials supposedly guarding against this danger not only let it happen but actively covered up the penetration All of this was precisely as Joe McCarthy contended Blacklisted by History shows for instance that the FBI knew as early as 1942 that J Robert Oppenheimer the director of the atomic bomb project had been identified by Communist leaders as a party member that high level U S officials were warned that Alger Hiss was a Soviet spy almost a decade before the Hiss case became a public scandal that a cabal of White House Justice Department and State Department officials lied about and covered up the Amerasia spy case and that the State Department had been heavily penetrated by Communists and Soviet agents before McCarthy came on the scene Evans also shows that practically everything we ve been told about McCarthy is false including conventional treatment of the famous 1950 speech at Wheeling West Virginia that launched the McCarthy era I have here in my hand the Senate hearings that casually dismissed his charges the matter of leading

McCarthy suspect Owen Lattimore the Annie Lee Moss case the Army McCarthy hearings and much more In the end Senator McCarthy was censured by his colleagues and condemned by the press and historians But as Evans writes The real Joe McCarthy has vanished into the mists of fable and recycled error so that it takes the equivalent of a dragnet search to find him Blacklisted by History provides the first accurate account of what McCarthy did and more broadly what happened to America during the Cold War It is a revealing expos of the forces that distorted our national policy in that conflict and our understanding of its history since Richard M. Nixon Conrad Black,2008-10-23 From the late 1940s to the mid 1970s Richard Nixon was a polarizing figure in American politics admired for his intelligence savvy and strategic skill and reviled for his shady manner and cutthroat tactics Conrad Black whose epic biography of FDR was widely acclaimed as a masterpiece now separates the good in Nixon his foreign initiatives some of his domestic policies and his firm political hand from the sinister in a book likely to generate enormous attention and controversy Black believes the hounding of Nixon from office was partly political retribution from a lifetime s worth of enemies and Nixon s misplaced loyalty to unworthy subordinates and not clearly the consequence of crimes in which he participated Conrad Black s own recent legal travails though hardly comparable have undoubtedly given him an unusual insight into the pressures faced by Nixon in his last two years as president and the first few years of his retirement

The Nixon Conspiracy Geoff Shepard, 2021-10-26 Geoff Shepard's shocking expos of corrupt collusion between prosecutors judges and congressional staff to void Nixon's 1972 landslide reelection Their success changed the course of American history Geoff Shepard had a ringside seat to the unfolding Watergate debacle As the youngest lawyer on Richard Nixon's staff he personally transcribed the Oval Office tape in which Nixon appeared to authorize getting the CIA to interfere with the ongoing FBI investigation and even coined the phrase the smoking gun Like many others the idealistic Shepard was deeply disappointed in the president But as time went on the meticulous lawyer was nagged by the persistent sense that something wasn't right with the case against Nixon The Nixon Conspiracy is a detailed

and definitive account of the Watergate prosecutors internal documents uncovered after years of painstaking research in previously sealed archives Shepard reveals the untold story of how a flawed but honorable president was needlessly brought down by a corrupt deep state big media alliance a circumstance that looks all too familiar today In this hard hitting expos Shepard reveals the real smoking gun the prosecutors secret but erroneous Road Map which caused grand jurors to name Nixon a co conspirator in the Watergate cover up and the House Judiciary Committee to adopt its primary Article of Impeachment Shepard s startling conclusion is that Nixon didn t actually have to resign The proof of his good faith is right there on the tapes Instead he should have taken his case to a Senate impeachment trial where if everything we know now had come out he would easily have won
