**Forthcoming Books** Rose Arny,1988-07 *American Book Publishing Record* ,1988 **American Fascists** Chris Hedges,2008-01-08 From the celebrated author of War Is a Force That Gives Us Meaning comes a startling expos of the political ambitions of the Christian Right a clarion call for everyone who cares about freedom **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles White Too Long Robert P. Jones,2020-07-28 Drawing on history public opinion surveys and personal experience Robert P Jones delivers a provocative examination of the unholy relationship between American Christianity and white supremacy and issues an urgent call for white Christians to reckon with this legacy for the sake of themselves and the nation As the nation grapples with demographic changes and the legacy of racism in America Christianity s role as a cornerstone of white supremacy has been largely overlooked But white Christians from evangelicals in the South to mainline Protestants in the Midwest and Catholics in the Northeast have not just been complacent or complicit rather as the dominant cultural power they have constructed and sustained a project of protecting white supremacy and opposing black equality that has framed the entire American story With his family s 1815 Bible in one hand and contemporary public opinion surveys by Public Religion Research Institute PRRI in the other Robert P Jones delivers a groundbreaking analysis of the repressed history of the symbiotic relationship between Christianity and white supremacy White Too Long demonstrates how deeply racist attitudes have become embedded in the DNA of white Christian identity over time and calls for an honest reckoning with a complicated painful and even shameful past Jones challenges white Christians to acknowledge that public apologies are not enough accepting responsibility for the past requires work toward repair in the present White Too Long is not an appeal to altruism Drawing on lessons gleaned from case studies of communities beginning to face these challenges Jones argues that contemporary white Christians must confront these unsettling truths because this is the only way to salvage the integrity of their faith and their own identities More broadly it is no exaggeration to say that not just the future of white Christianity but the outcome of the American experiment is at stake

**The Intimidation Factor** Charles Redfern,2020-08-05 What do we do when a formerly vibrant back to the Bible movement drifts into a toxic swamp rimmed with attack dogs Charles Redfern faces that grim question squarely He discovers that American evangelical Christianity which surged in the mid twentieth century and offered a more genteel intellectually vigorous alternative to caustic fundamentalism fell into the hands of intimidators and backbiters It was a short journey from there to the movement s partisan sell out and the abandonment of time honored creeds Redfern describes his own story in which he came into the faith at the movement s height in the 1970s then views evangelicalism s decay across its spectrum He doesn t spare conflict adverse moderates in the process But he also discovers hope A winsome remnant survives and its wooing the back to the Bible people back to the Bible bearing the fruits of the Holy Spirit as they do so *Paperbound Books in Print* ,1992 The Doolittle Family in America William Frederick Doolittle,Louise Smylie Brown,Malissa R

Lindsey,Barry Schachter,2011-01-11 Praise for How I Became a Quant Led by two top notch quants Richard R Lindsey and Barry Schachter How I Became a Quant details the quirky world of quantitative analysis through stories told by some of today s most successful quants For anyone who might have thought otherwise there are engaging personalities behind all that number crunching Ira Kawaller Kawaller Co and the Kawaller Fund A fun and fascinating read This book tells the story of how academics physicists mathematicians and other scientists became professional investors managing billions David A Krell President and CEO International Securities Exchange How I Became a Quant should be must reading for all students with a quantitative aptitude It provides fascinating examples of the dynamic career opportunities potentially open to anyone with the skills and passion for quantitative analysis Roy D Henriksson Chief Investment Officer Advanced Portfolio Management Quants those who design and implement mathematical models for the pricing of derivatives assessment of risk or prediction of market movements are the backbone of today s investment industry As the greater volatility of current financial markets has driven investors to seek shelter from increasing uncertainty the quant revolution has given people the opportunity to avoid unwanted financial risk by literally trading it away or more specifically paying someone else to take on the unwanted risk How I Became a Quant reveals the faces behind the quant revolution offering you the chance to learn firsthand what it s like to be a quant today In this fascinating collection of Wall Street war stories more than two dozen quants detail their roots roles and contributions explaining what they do and how they do it as well as outlining the sometimes unexpected paths they have followed from the halls of academia to the front lines of an investment revolution     Without a Prayer John W. Robbins,1997     **The Popol Vuh** Lewis Spence,1908     *Christ and Civilization* John W. Robbins,2007 Christ and Civilization explains the origin of Western civilization not in pagan Greece and Rome nor in the superstitious and dictatorial Roman Church State but in the system of ideas found in the Bible Christianity It was the Christian Reformation of the sixteenth century that created Western civilization and Western civilization is collapsing because Christianity is disappearing in the West Publisher     *Harper's Bazaar* ,1871     *Toward a Theory of Spacepower* National Defense University Press,2011-03 This volume is a product of the efforts of the Institute for National Strategic Studies Spacepower Theory Project Team which was tasked by the Department of Defense to create a theoretical framework for examining spacepower and its relationship to the achievement of national objectives The team was charged with considering the space domain in a

broad and holistic way incorporating a wide range of perspectives from U S and international space actors engaged in scientific commercial intelligence and military enterprises This collection of papers commissioned by the team serves as a starting point for continued discourse on ways to extend modify refine and integrate a broad range of viewpoints about human initiated space activity its relationship to our globalized society and its economic political and security interactions It will equip practitioners scholars students and citizens with the historical background and conceptual framework to navigate through and assess the challenges and opportunities of an increasingly complex space environment

**Religion, Reason, and Revelation** Gordon Haddon Clark, 1961      **Just Give Me Jesus** Anne Graham Lotz, 2009-04-27 How did the apostle John know that two thousand years after he lived your life would need a fresh touch from God How did John know that at the beginning of a new millennium our lives would be so busy our focus so divided our bodies so tired our minds so bombarded our families so attacked our relationships so strained our churches so programmed that we would be desperate for the simplicity and the purity the freedom and the fulfillment of a life lived in Jesus name John probably didn't know But God did That's why He gives us Jesus And that's why as Anne Graham Lotz reveals John's eyewitness account of Jesus life is unmistakably relevant to your life today The same Jesus who turned water into wine is the One who provides for your needs at this very moment Enter into His life and find your soul refreshed with Living Water This new edition of Just Give Me Jesus contains an in depth devotional guide to help you explore the words of John in a personal and practical way either on your own or in a group You'll find inspiration and revelation as you study the Scripture more closely and record your reflections in space provided at the back of the book

Unbelievers Alec Ryrie, 2019-11-19 How has unbelief come to dominate so many Western societies The usual account invokes the advance of science and rational knowledge Ryrie's alternative in which emotions are the driving force offers new and interesting insights into our past and present Charles Taylor author of A Secular Age Why have societies that were once overwhelmingly Christian become so secular We think we know the answer pointing to science and reason as the twin culprits but in this lively startlingly original reconsideration Alec Ryrie argues that people embraced unbelief much as they have always chosen their worldviews through the heart more than the mind Looking back to the crisis of the Reformation and beyond he shows how long before philosophers started to make the case for atheism powerful cultural currents were challenging traditional faith As Protestant radicals eroded time honored certainties and ushered in an age of anger and anxiety some defended their faith by redefining it in terms of ethics setting in motion secularizing forces that soon became transformational Unbelievers tells a powerful emotional history of doubt with potent lessons for our own angry and anxious times Well researched and thought provoking Ryrie is definitely on to something right and important Christianity Today A beautifully crafted history of early doubt Unbelievers covers much ground in a short space with deep erudition and considerable wit The Spectator Ryrie traces the root of religious skepticism to the anger the anxiety and the desperate search for certainty that drove thinkers like John Donne to grapple with church dogma New Yorker
