## **Pat Robertson A Biography:**

**Pat Robertson** John B. Donovan,1988 The only authorized biography of Robertson this book will show how the graduate of Yale Law School born to one of America s most distinguished families has created an influential broadcasting network with an audience of two million people and is also a Presidential candidate for the 1988 election      **Pat Robertson** Neil Eskelin,1987      Pat Robertson David Edwin Harrell,2010-04 The fascinating authoritative biography of an often controversial American leader Pat Robertson A Life and Legacy is the first sweeping overview of the remarkable life and the vast international empire led by Marion Gordon Pat Robertson 1930 one of the consummate and most controversial American visionaries of the twentieth century Based on thousands of documents from the files of the Christian Broadcasting Network and the private correspondence of Robertson himself this meticulously researched book will become the definitive account of Pat Robertson s life and legacy As part of his scholarly research distinguished historian David Edwin Harrell Jr has conducted more than 100 hours of interviews with 75 people in seven countries including extensive conversations with the Robertson family Covering everything from Robertson s unique position of influence to the truth behind the caricature often painted of him Harrell weaves all these resources together in this utterly captivating story I have studied and written about the charismatic movement of which Pat Robertson has been an important part for forty years and I have come to know well many of his good friends who were leaders in that movement I have always been struck by the juxtaposition of the gracious professional atmosphere at the lovely campus of CBN and Regent University in Virginia Beach and the popular perception that the organizations founded by Robertson are sinister to the core led by the most dangerous man in America a wacko fascist extremist This seemed to me to be an irony worth exploring How could a man so respected indeed revered by seemingly bright and reasonable people around the world who know him well be perceived by so many critics as an inconsequential buffoon from the preface      *The Power of the Holy Spirit in You* Pat Robertson,2022-01-11 Who Is the Holy Spirit and Why Do You Need Him in Your Life After His crucifixion and resurrection Jesus gave His disciples an assignment to change the world but told them to wait until the power of the Holy Spirit had come upon them before setting out His charge to modern day believers is no different To do the works that Jesus did and even greater ones as He said it is imperative that we operate from the indwelling power of the Holy Spirit But Who is this mysterious Third Person of the Trinity How do we get this power and what are we to do with it when we receive it Pat Robertson founder of the Christian Broadcasting Network and beloved longtime host of The 700 Club tackles these questions and many others in this the final book of a life that is now in its ninth decade Robertson traces the path of the Holy Spirit through both the Old and New Testaments and shares stories from his own life and that of many 700 Club viewers testifying to how the power of the Holy Spirit has miraculously freed and healed them today If you want a better understanding of the Holy Spirit and are hungry to know more about the power that is available through Him to every Christfollower today this book is for you      **Right on the Money** Pat

**STRANGER AT THE GATE** Mel White, 2015-12-08 Compelling eloquent and compassionate We learn as much about growing up in the Christian right as we do about gay life in Mel White s heartfelt and revealing memoir San Francisco Examiner Until Christmas Eve 1991 Mel White was regarded by the leaders of the religious right as one of their most talented and productive supporters He penned the speeches of Oliver North He was a ghostwriter for Jerry Falwell worked with Jim Bakker flew in Pat Robertson s private jet walked sandy beaches with Billy Graham What these men didn t know was that Mel White evangelical minister committed Christian family man was gay An engrossing journey to unite sexuality with faith Dallas Morning News Stranger at the Gate details Mel White s twenty five years of being counseled exorcised electric shocked prayed for and nearly driven to suicide because his church said homosexuality was wrong But his salvation to be openly gay and Christian is more than a unique coming out story It is a chilling expos that goes right into the secret meetings and hidden agendas of the religious right Told by an eyewitness and sure to anger those Mel White once knew best Stranger at the Gate is a warning about where the politics of hate may lead America an important book by a brave man whose words can make us both richer in spirit and much wiser too

**Robertson** David John Marley, 2007 A portrait of the 700 Club host and co founder of the Christian Coalition considers his role as a reviled figure in the secular world and a formidable role model among Christian fundamentalists in a profile that lauds his achievements while questioning some of his decisions     *Your Best Life Now* Joel Osteen, 2004     American Fascists Chris Hedges, 2008-01-08 From the celebrated author of *War Is a Force That Gives Us Meaning* comes a startling exposé of the political ambitions of the Christian Right a clarion call for everyone who cares about freedom     **The New World Order** Pat Robertson, 1992 An analysis of the current geopolitical arena explores the meanings of a new world order developing in Europe the Middle East and the United States     *The Duck Commander Family* Willie Robertson, Korie Robertson, 2014-08-12 Presents a behind the scenes look at the Robertson family documenting the teenage romance and marriage of Willie and Korie Robertson their success as a multi million dollar hunting equipment business and their rise to stardom on reality television     Up from Conservatism Michael Lind, 2013-08-06 For nearly a decade Michael Lind worked closely as a writer and editor with the intellectual leaders of American conservatism Slowly he came to believe that the many prominent intellectuals he worked with were not the leaders of the conservative movement but the followers and apologists for an increasingly divisive and reactionary political strategy orchestrated by the Republican party Lind's disillusionment led to a very public break with his former colleagues on the right as he attacked the Reverend Pat Robertson for using anti-Semitic sources in his writings In *Up From Conservatism* this former rising star of the right reveals what he believes to be the disturbing truth about the hidden economic agenda of the conservative elite The Republican capture of the U S Congress in 1994 did not represent the conversion of the American public to conservative ideology Rather it marked the success of the thirty year old southern strategy begun by Barry Goldwater and Richard Nixon From the Civil War to the civil rights revolution the southern elite combined a low wage low tax strategy for economic development with a politics of demagoguery based on race baiting and Bible thumping Now Lind maintains the economic elite that controls the Republican party is following a similar strategy on a national scale using their power to shift the tax burden from the rich to the middle class while redistributing wealth upward To divert attention from their favoritism toward the rich conservatives play up the culture war channeling popular anger about falling real wages and living standards away from Wall Street and focusing it instead on the black poor and nonwhite immigrants The United States Lind concludes could use a genuine one nation conservatism that seeks to promote the interests of the middle class and the poor as well as the rich But today's elitist conservatism poses a clear and present danger to the American middle class and the American republic     **Answers to 200 of Life's Most Probing Questions** Pat Robertson, 2008-11 Now in paperback from Pat Robertson     **The Secret Kingdom** Pat Robertson, 1992 With powerful insight Pat Robertson reveals the secrets to success in your personal life your family your work the church national government and international relations
