**The Path to Enlightenment** Dalai Lama XIV Bstan-'dzin-rgya-mtsho, 1997      **Steps on the Path to Enlightenment** Geshe Lhundup Sopa, 2004      **Great Treasure of the Six Yogas of Naropa** Geshe Acharya Thubten Loden, 2005

**Atisha's Lamp for the Path to Enlightenment** Atisha, 1997-01-01 Atisha's most celebrated text sets forth the entire Buddhist path. Atisha, the eleventh century Indian Buddhist scholar and saint, came to Tibet at the invitation of the king of Western Tibet, Lha Lama Yeshe Wo and his nephew Jangchub Wo. His coming initiated the period of the second transmission of Buddhism to Tibet, formative for the Sakya Kagyu and Gelug traditions of Tibetan Buddhism. Atisha's most celebrated text, *Lamp for the Path to Enlightenment*, sets forth the entire Buddhist path within the framework of three levels of motivation on the part of the practitioner. Atisha's text thus became the source of the lamrim tradition or graduated stages of the path to enlightenment, an approach to spiritual practice incorporated within all schools of Tibetan Buddhism.      **Mastering the Core Teachings of the Buddha** Daniel Ingram, 2020-01-20 The very idea that the teachings can be mastered will arouse controversy within Buddhist circles. Even so, Ingram insists that enlightenment is an attainable goal once our fanciful notions of it are stripped away and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind noise. Ingram sets out concisely the difference between concentration-based and insight vipassana meditation; he provides example practices and most importantly he presents detailed maps of the states of mind we are likely to encounter and the stages we must negotiate as we move through clearly defined cycles of insight. It's easy to feel overawed at first by Ingram's assurance and ease in the higher levels of consciousness but consistently he writes as a down-to-earth and compassionate guide and to the practitioner willing to commit themselves, this is a glittering gift of a book. In this new edition of the bestselling book, the author rearranges, revises, and expands upon the original material as well as adding new sections that bring further clarity to his ideas.      *Joyful Path of Good Fortune* Kelsang Gyatso, 1995 We all have the potential for self-transformation and a limitless capacity for the growth of good qualities, but to fulfil this potential we need to know what to do along every stage of our spiritual journey. With this book, Geshe Kelsang Gyatso offers us step-by-step guidance on the meditation practices that will lead us to lasting inner peace and happiness. With extraordinary clarity, he presents all Buddha's teachings in the order in which they are to be practised, enriching his explanation with stories and illuminating analogies. Following these practical instructions, we will come to experience for ourselves the joy that arises from making progress on a clear and structured path that leads to full enlightenment.      **Liberation in the Palm of Your Hand** Pha-boñ-kha-pa Byams-pa-bstan-'dzin-'phrin-las-rgya-mtsho, Khri-byañ Blo-bzañ-ye-śes-bstan-'dzin-rgya-mtsho, 2006-11-03 Pabongka Rinpoche was one of the twentieth century's most charismatic and revered Tibetan lamas, and in *Liberation in the Palm of Your Hand* we can see why. In this famous twenty-four day teaching on the lamrim or stages of the path, Pabongka Rinpoche weaves together lively stories and quotations with frank observations and practical advice to move readers step by

step along the journey to buddhahood When his student Trijang Rinpoche first edited and published these teachings in Tibetan an instant classic was born The flavor and immediacy of the original Tibetan are preserved in Michael Richards fluid and lively translation which is now substantially revised in this new edition *Along the Path to Enlightenment* David R.
