Path To Love Spiritual Strategies For Healing:

The Path to Love Deepak Chopra, M.D., 1998-01-12 NEW YORK TIMES BESTSELLER A remarkable fusion of Eastern wisdom and Western practicality that offers strategies for clearing away the obstacles to love your life for restoring the boundless soul of love and for finding romance that will last a lifetime Drawing on the Vedic texts of India and other great wisdom traditions Dr Deepak Chopra describes the seven stages of love beginning and culminating in ecstasy At each stage we hear stories like those of Clare who only falls in love with unattainable men of Frankie and Della whose eight year old marriage has become a battleground of distrust and of Gail and Jarrett who near retirement without understanding how they will fit together into their new lives As we see these couples overcome their obstacles and as we work through a series of specific exercises we anchor these lessons in our own experience We all know the only way to enjoy the ecstasy of true romance for a lifetime is first to discover love within ourselves but this task has often proved too difficult Until now In *The Path to Love* you will find an astonishing blueprint to the uncharted territory of your own heart First Dr Chopra orients us with timeless wisdom and contemporary real life examples then guides us step by step on the path to love And once we discover the love inside ourselves we start to see it everywhere in lovers husbands wives mothers fathers brothers sisters friends until our own lives become self sustaining acts of passion romantic and fulling and miraculous **The Path to Love**

Buddha Deepak Chopra, 2009-10-13 Deepak Chopra brings the Buddha back to life in this gripping New York Times bestselling novel about the young prince who abandoned his inheritance to discover his true calling. This iconic journey changed the world forever and the truths revealed continue to influence every corner of the globe today. A young man in line for the throne is trapped in his father's kingdom and yearns for the outside world. Betrayed by those closest to him, Siddhartha abandons his palace and princely title. Face to face with his demons, he becomes a wandering monk and embarks on a spiritual fast that carries him to the brink of death. Ultimately recognizing his inability to conquer his body and mind by sheer will, Siddhartha transcends his physical pain and achieves enlightenment. Although we recognize Buddha today as an icon of peace and serenity, his life story was a tumultuous and spellbinding affair filled with love, sex, murder, and loss, struggle and surrender. From the rocky terrain of the material world to the summit of the spiritual one, Buddha captivates and inspires, ultimately leading us closer to understanding the true nature of life and ourselves.

Hope, Help, Healing with Archangel Raphael and the Angels Mary LaSota, Harriet Sternberg, 2007-05 In this book, Hope, Help, Healing with Archangel Raphael and The Angels, many comments and much information is given which is extremely important at this time in terms of very much needed hope both in the present and for the future Planet Earth and the individuals living on it. They need to know about Angels, Archangels, Spirit Guides, and Ascended Masters in order to avail themselves of all the helpful, hopeful, healing, protecting, and guiding ways they have given in the past and about how all these offerings can be utilized now. The Emerald Joy Healing Ceremonials, the attunements, and the messages are valuable because they come directly from Archangel Raphael himself, his contributions benefiting us all. The authors' intensive and extensive research about past Golden Ages and the predicted Golden Age to come culminates in a last chapter which shows the cosmic role Planet Earth has played in the past and needs to play again. This book has come forth at this time to offer words of hope, help, and healing to a world in its transformational period.
