

Party And Locality In Northern Uganda 1945 196

Cherry J. Gertzel

Party And Locality In Northern Uganda 1945 196:

Crisis of Legitimacy and Political Violence in Uganda, 1890 to 1979 Ogenga Otunnu, 2016-12-26 This book demonstrates that societies experiencing prolonged and severe crises of legitimacy are prone to intense and persistent political violence. The most significant factor accounting for the persistence of intense political violence in Uganda is the severe crisis of legitimacy of the state its institutions political incumbents and their challengers. This crisis of legitimacy which is shaped by both internal and external forces past and present accounts for the remarkable continuity in the history of political violence since the construction of the state.

Acholi Intellectuals Patrick William Otim, 2024-02-13 *Acholi Intellectuals* draws on the writings of homespun historians interviews with elderly men and women who remember the last days of colonial rule and government and missionary archives to illuminate the intellectual and political history of the colonial transition in northern Uganda. The book focuses on Acholiland a place that has been chronically understudied in comparison to Uganda's rich fertile and well documented south. Southerners there following the depictions of colonial officials and missionaries have often regarded northerners as uncultured people lacking ideas. *Acholi Intellectuals* challenges this prejudice bringing into view a whole category of men and a few women who mediated between indigenous and colonial knowledge systems and inaugurated a new kind of politics. Patrick William Otim studies a category of people known as healers messengers war leaders poet musicians and diplomats who possessed prestige and power in an older Acholi political logic and who in the dawning days of colonial government came to occupy positions of power in the British administration. Otim argues that these Acholi intellectuals were not simply creatures of British colonial self interest neither was their power invented by the coercive logic of indirect rule. He asserts instead that people who held moral and social power in the older system were able to transform that strength under colonial administration into a new form of political legitimacy.

The End of Empire in Uganda Spencer Mawby, 2020-05-14 The negative legacy of the British empire is often thought of in terms of war and economic exploitation while the positive contribution is associated with the establishment of good governance and effective modern institutions. In this new analysis of the end of empire in Uganda Spencer Mawby challenges these preconceptions by explaining the many difficulties which arose when the British attempted to impose western institutional models on Ugandan society. Ranging from international institutions including the Commonwealth to state organisations like the parliament and army and to civic institutions such as trade unions the press and the Anglican church Mawby uncovers a wealth of new material about the way in which the British sought to consolidate their influence in the years prior to independence. The book also investigates how Ugandans responded to institutional reform and innovation both before and after independence and in doing so sheds new light on the emergence of the notorious military dictatorship of Idi Amin. By unpicking historical orthodoxies about 20th century imperial history this institutional history of the end of empire and the early years of independence offers an opportunity to think afresh about the nature of the colonial impact on Africa and the development of

authoritarian rule on the continent **Politics in Modern Africa** Kenneth Ingham, 2025-03-03 First published in 1990
 Politics in Modern Africa explores the impact of traditional loyalties tribalism on political and economic problems in nine African states Uganda Ghana Nigeria Kenya Senegal Guinea Zaire Angola and Zimbabwe Professor Kenneth Ingham a leading historian of modern African history provides a lively introduction to a complex subject demonstrating that African countries have drawn more deeply upon their inner resources in shaping their political character than is often realised and that the intensity of traditional loyalty has varied greatly from country to country This book will be specially useful to students and teachers of African history or politics and to those on development studies courses **L'Ouganda et la question indienne (1896-1972)** Gérard Prunier, 1990-01-01 T00:00:00+01:00 Cet ouvrage est une r dition num rique d un livre paru au XXe si cle d sormais indisponible dans son format d origine *The Bookseller*, 1974 **Cooperatives & Development** Crawford Young, Neal P. Sherman, Tim H. Rose, 1981 Comparison examining the impact of agricultural policies on agricultural cooperative successes or failures in Ghana and Uganda discusses the historical and theoretical background economic policy membership Motivation leadership administrative aspects state intervention farmer attitudes impact on rural development etc and evaluates the potential as a means of achieving income redistribution and efficiency Maps references and statistical tables □□□□□□□□, 1976 *Die Kriege 1985 bis 1990* Jens Siegelberg, 1991 □□□□□□□□ □□□□□□□□ (Japan), 1976 *The Rise and Fall of a National Strategy, 1945-1963* Alan S. Milward, 2002 This text analyses British official thinking behind the UK s standing aloof from the moves after 1945 towards European economic collaboration The volume ends with General de Gaulle s veto of 1963 **Party and Locality in Northern Uganda, 1945-1962** Cherry J. Gertzel, 1974 SCOTT copy 1 from the John Holmes Library collection **Whitaker's Cumulative Book List**, 1974 *The Turning Point in Africa* Robert D. Pearce, 2005-08-10 This is a study of British colonial policy towards tropical Africa during a critical decade from the complacent trusteeship of the inter wqr eyars to the strategy of decolonization inaugurated after World War II *Weekly Record*, 1974 **Bibliographic Guide to Black Studies** Schomburg Center for Research in Black Culture, 1978 **'American Book Publishing Record' Cumulative** R.
