Party Discipline And Parliamentary Government Parliaments And Legislatures Series:

Party Discipline and Parliamentary Government Shaun Bowler, David M. Farrell, Richard S. Katz, 1999 Brings together empirical studies of the internal cohesiveness of political party groups in European parliaments and the leadership behavior that leads to disciplined parties in parliament in sections on theories and definitions the Westminster Model established continental European systems newly emerging systems and parliamentary discipline and coalition governments Chapters originated as papers presented at a spring 1995 workshop held in Bordeaux France Annotation copyrighted by Book News Inc Portland OR *Party Discipline and Parliamentary Politics* Christopher J. Kam, 2009-03-26 This text examines the interaction and contention between party leaders and MPs to study the underlying structure of party unity

The Oxford Handbook of Legislative Studies Shane Martin, Thomas Saalfeld, Kaare Strøm, 2014 Legislatures are arguably the most important political institution in modern democracies The Oxford Handbook of Legislative Studies written by some of the most distinguished legislative scholars in political science provides a comprehensive and up to date description and critical assessment of the state of the art in this key area *Presidentialism, Parliamentarism, and Democracy* Jose Antonio Cheibub, 2006-11-20 This book addresses the following question why are presidential democracies more likely to break down than parliamentary ones Conventional wisdom among political scientists points to the incentives generated by the form of government itself the independence of the executive and legislature that defines presidentialism generates incentives that are not conducive to the consolidation of democracy On the basis of a data set that covers all democracies between 1946 and 2002 this book demonstrates that this is not the case the incentives generated by presidentialism are as conducive to the consolidation of democracy as the ones generated by parliamentarism The book argues that what kills presidentialism is the fact that it exists in countries where democracies of any type are not likely to survive This book will be of interest to academic researchers graduates and advanced undergraduates enrolled in courses on comparative politics and political economy *Comparing and Classifying Legislatures* David Arter, 2013-09-13 Recent years have witnessed substantial work in the legislative studies field But what do we know about legislatures today and are there clear criteria for comparing and classifying them This is a new review of the state of our knowledge of parliament and tackles key questions Do legislatures matter in legislative terms and if so how much What is the extent of the legislature's control of the legislative process How can we classify legislatures on the basis of their relative legislative performance Five measures of the policy power of parliaments are applied in the country region chapters This book was previously published as a special issue of the leading Journal of Legislative Studies **Legislative Voting and Accountability** John M. Carey, 2008-12-15 Legislatures are the core representative institutions in modern democracies Citizens want legislatures to be decisive and they want accountability but they are frequently disillusioned with the representation legislators deliver Political parties can provide decisiveness in legislatures and they may provide collective accountability but citizens and political reformers frequently demand another

type of accountability from legislators at the individual level Can legislatures provide both kinds of accountability This book considers what collective and individual accountability require and provides the most extensive cross national analysis of legislative voting undertaken to date It illustrates the balance between individualistic and collective representation in democracies and how party unity in legislative voting shapes that balance In addition to quantitative analysis of voting patterns the book draws on extensive field and archival research to provide an extensive assessment of legislative transparency throughout the Americas Parliament and Democracy in the Twenty-first Century David Beetham,2006

Tension, Dilemma and Conflict in Party-Candidate Campaign Strategies Lukas Hohendorf,2025-06-30 This book examines the campaign communication of political candidates in parliamentary democracies set within the broader trends of globalization and political personalization It explores how district candidates balance local voter preferences national party demands and personal beliefs in their campaigns Using Germany as a case study and drawing on a wide range of data sources the book reveals how situational factors such as electoral rules candidate experience and local party organization influence campaign strategies It demonstrates how campaign positions in parliamentary democracies often deviate from national party stances with implications on party unity and democratic representation Framed by the pressing challenges of regional divergence and the rise of political personalization the book shows why studying individual candidate behavior rather than simply focusing on party leaders is crucial for understanding modern democratic systems This book will be a key resource for scholars students and practitioners in the fields of political parties and elites electoral studies political communication and more broadly comparative politics Constitutional Conventions in Westminster Systems Brian

Galligan,Scott Brenton,2015-08-04 Constitutional conventions precede law and make law making possible but attempting to define them is politically risky yet increasingly necessary **The Politics of Parliamentary Debate** Sven-Oliver

Proksch,Jonathan B. Slapin,2015 This book explains how parties and their members of parliament structure parliamentary debate providing novel insights into intra party politics and representation *The Anthropology of Parliaments* Emma Crewe,2021-05-13 The Anthropology of Parliaments offers a fresh comparative approach to analysing parliaments and democratic politics drawing together rare ethnographic work by anthropologists and politics scholars from around the world Crewe s insights deepen our understanding of the complexity of political institutions She reveals how elected politicians navigate relationships by forging alliances and thwarting opponents how parliamentary buildings are constructed as sites of work debate and the nation in miniature and how politicians and officials engage with hierarchies continuity and change This book also proposes how to study parliaments through an anthropological lens while in conversation with other disciplines The dive into ethnographies from across Africa the Americas Asia Europe the Middle East and the Pacific Region demolishes hackneyed geo political categories and culminates in a new comparative theory about the contradictions in everyday political work This important book will be of interest to anyone studying parliaments but especially those in the disciplines of

anthropology and sociology politics legal and development studies and international relations

The Roles and Function of Parliamentary Questions Shane Martin, Olivier Rozenberg, 2014-06-03 Parliamentary questions are a feature of almost all national legislatures Despite this we know very little about how questions are used by MPs and what impact questions have on controlling the government This volume advances our theoretical and empirical knowledge of the use of questioning in a number of different parliamentary settings The propensity of parliamentarians to ask questions indicates that the interrogatories are an important tool for measuring an individual legislator's job Ultimately how a parliamentarian chooses to use the questioning tool provides a unique insight into legislator behaviour and role orientation Many of the chapters in this volume provide new empirical measures of legislator activity and use this data to provide new tests of leading theories of legislator behaviour At an institutional level questions provide an important source of information for the chamber and are a critical tool of government oversight as many of the chapters in the volume indicate Evidence of the impact of questions on executive and bureaucratic oversight challenges conventional views of parliaments as weak and ineffective parts of the political process This book was published as a special issue of the Journal of Legislative Studies

The Parliamentary Mandate Marc van der Hulst, 2000 Undersøgelser af parlamentsmandatet baseret på svar på IPU spørgeskema fra 134 parlamente Svarene er sammenlignet systematisk med de respektive forfatninger lovgivning og parlamentsforretningsordener

Party Discipline in the U.S. House of Representatives Kathryn Pearson, 2015-08-06 A breakthrough study that looks at the disciplinary measures which party leaders employ to command loyalty from members

Handbook of Party Politics Richard S Katz, William J Crotty, 2006-01-26 The Handbook of Party Politics is the first book to comprehensively map the state of the art in contemporary party politics scholarship This major new work brings together the world's leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today

Government and Politics - Volume I Masashi Sekiguchi, 2010-08-27 Government and Politics is the component of Encyclopedia of Social Sciences and Humanities in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias The Theme on Government and Politics in the Encyclopedia of Social Sciences and Humanities deals with the discipline of general and introductory descriptions on a wide range of political phenomena in rather conventional ways It covers the following topics The first two topics Forms and Modes of Government and Structures of Government deal with institutional and structural aspects of political phenomena The third topic Political Aspects of Government is about dynamic political processes The fourth Ideas and Ideologies in Politics investigates political thoughts and ideologies in the modern world The fifth topic International Politics intend to give readers an international perspective since contexts and systems which have international or transnational characters are obviously important background against which a political aspect of building a sustainable society must be considered These two volumes are aimed at the following five major target audiences University

and College students Educators Professional practitioners Research personnel and Policy analysts managers and decision makers and NGOs The Paradox of Parliament Jonathan Malloy, 2023-02-27 The Paradox of Parliament provides a comprehensive analysis of all aspects of Parliament in order to explain the paradoxical expectations placed on the institution The book argues that Parliament labours under two different logics of its purpose and primary role one based on governance and decision making and one based on representation and voice This produces a paradox that is common to many legislatures but Canada and Canadians particularly struggle to recognize and reconcile the competing logics In The Paradox of Parliament Jonathan Malloy discusses the major aspects of Parliament through the lens of these two competing logics to explain the ongoing dissatisfaction with Parliament and perennial calls for parliamentary reform It focuses on overarching analytical themes rather than exhaustive description It centres people over procedure and theory with strong emphasis given to dimensions of gender race and additional forms of diversity Arguing for a holistic and realistic understanding of Parliament that recognizes and accepts that Parliament evolves and adapts The Paradox of Parliament puts forward an important and novel interpretation of the many facets of Parliament in Canada **European Politics** Paul Kubicek, 2015-10-05 European Politics surveys the history institutions and issues that are essential for understanding contemporary European politics Exploring a central question What is Europe this text s thematic approach helps students compare politics in individual countries and see the political big picture in the region European Politics examines not only countries already in the European Union but also those eligible to join to give students the most comprehensive picture of Europe s evolution in a globalized world *Practice and Procedure of Parliament* M. N. Kaul, Subhash C. Kashyap, S. L. Shakhder, 1991

Party Discipline And Parliamentary Government Parliaments And Legislatures Series Introduction

In today's digital age, the availability of Party Discipline And Parliamentary Government Parliaments And Legislatures Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Party Discipline And Parliamentary Government Parliaments And Legislatures Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Party Discipline And Parliamentary Government Parliaments And Legislatures Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Party Discipline And Parliamentary Government Parliaments And Legislatures Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Party Discipline And Parliamentary Government Parliaments And Legislatures Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Party Discipline And Parliamentary

Government Parliaments And Legislatures Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Party Discipline And Parliamentary Government Parliaments And Legislatures Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Party Discipline And Parliamentary Government Parliaments And Legislatures Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Party Discipline And Parliamentary Government Parliaments And Legislatures Series books and manuals for download and embark on your journey of knowledge?

FAQs About Party Discipline And Parliamentary Government Parliaments And Legislatures Series Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Party Discipline And Parliamentary Government Parliaments And Legislatures Series is one of the best book in our library for free trial. We provide copy of Party Discipline And Parliamentary Government Parliaments And Legislatures Series in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Discipline And Parliamentary Government Parliaments And Legislatures Series. Where to download Party Discipline And Parliamentary Government Parliaments And Legislatures Series online for free? Are you looking for Party Discipline And Parliamentary Government Parliaments And Legislatures Series PDF? This is definitely going to save you time and cash in something you should think about.
