

Party Politics In Canada

Chris Cannon, Brian Calvert

Party Politics In Canada:

The Canadian Party System Richard Johnston, 2017-09-01 The Canadian party system is a deviant case among the Anglo American democracies It has too many parties it is susceptible to staggering swings from election to election and its provincial and federal branches often seem unrelated Unruly and inscrutable it is a system that defies logic and classification until now In this political science tour de force Richard Johnston makes sense of the Canadian party system With a keen eye for history and deft use of recently developed analytic tools he articulates a series of propositions underpinning the system Chief among them was domination by the centrist Liberals stemming from their grip on Quebec which blocked both the Conservatives and the NDP He also takes a close look at other peculiarities of the Canadian party system including the stunning discontinuity between federal and provincial arenas For its combination of historical breadth and data intensive rigour *The Canadian Party System* is a rare achievement Its findings shed light on the main puzzles of the Canadian case while contesting the received wisdom of the comparative study of parties elections and electoral systems elsewhere

Canadian Parties in Transition, Fourth Edition Alain-G. Gagnon, A. Brian Tanguay, 2017-01-01 Canadian Parties in Transition examines the transformation of party politics in Canada and the possible shape the party system might take in the near future With chapters written by an outstanding team of political scientists the book presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors The new material covers topics such as the return to power of the Liberal Party voting politics in Quebec women in Canadian political parties political campaigning digital party politics and municipal party politics

The Blueprint J. P. Lewis, Joanna Everitt, 2017-08-28 In this collection J P Lewis and Joanna Everitt bring together a group of up and coming political scientists as well as senior scholars to explore the recent history of the Conservative Party of Canada covering the pre merger period 1993 2003 and both the minority and majority governments under Prime Minister Stephen Harper The contributors provide nuanced accounts about the experience of conservatives in Canada which reflect the contemporary evolution of Canadian politics in both policy and practice They challenge the assumption that Harper s government was built upon traditional toryism and reveal the extent to which the agenda of the CPC was shaped by its roots to the Reform and Canadian Alliance Parties Organized thematically the volume delves into such topics as interest advocacy ethno cultural minorities gender the media foreign policy and more The Blueprint showcases the renewed vigour in political studies in Canada while revealing the contradictory story of the modern Conservative Party

Saskatchewan Politics Howard A. Leeson, 2001 The essays in this volume cover a broad range of topics on Saskatchewan politics including the role of the legislature and the Governor General political institutions premiers cabinets public service judiciary commissions political parties and their history and social issues the economy public finance health care reform economic development rural life demographics First Nations public welfare federal relations the media

Appendices include a table of provincial electoral results 1905-99 and lists of Saskatchewan premiers Lieutenant Governors and presidents chiefs of the Federation of Saskatchewan Indian Nations Digital Politics in Canada Tamara Small, Harold Jansen, 2020-10-01 Digital Politics in Canada addresses a significant gap in the scholarly literature on both media in Canada and Canadian political science Using a comprehensive multidisciplinary historical and focused analysis of Canadian digital politics this book covers the full scope of actors in the Canadian political system including traditional political institutions of the government elected officials political parties and the mass media At a time when issues of inclusion are central to political debate this book features timely chapters on Indigenous people women and young people and takes an in depth look at key issues of online surveillance and internet voting Ideal for a wide ranging course on the impact of digital technology on the Canadian political system this book encourages students to critically engage in discussions about the future of Canadian politics and democracy **Parties, Elections, and the Future of Canadian Politics** Amanda Bittner, Royce

Koop, 2013-03-01 On 2 May 2011 Canadians watched as the Stephen Harper Conservatives won their first majority government Jack Layton led the NDP to its best performance in history and Michael Ignatieff and the federal Liberals had their worst showing to date For most casual observers this election marked a major shift in Canadian politics In reality the country's political landscape and national party system had been changing for quite some time Parties Elections and the Future of Canadian Politics offers the first comprehensive account of political change in Canada over the past two decades It explores developments in the political landscape from both historical and contemporary perspectives and speculates on the future of the national party system By documenting how parties and voters responded to new challenges between 1993 and 2011 this volume enhances our understanding of one of the most tumultuous periods in Canadian political history

America, But Better Chris Cannon, Brian Calvert, 2012-07-01 As the American election increasingly resembles a production of CATS performed by actual cats U S citizens are looking for a new leader That leader is Canada and they want your vote for president of the United States Since launching their viral video campaign in January the Canada Party has been covered around the world including CNN BBC the Huffington Post and German State Television America but Better the Canada Party Manifesto balances the doctrine of American exceptionalism with a dose of Canadian humility and common sense to secure Canada as the new leader of the free world by proxy Their promises One gay couple will be allowed to marry for every straight couple that gets divorced The phrase job creators will be changed to job creationists and they will be given seven days to actually create some Corporations will still be people but if they can't provide a birth certificate they will be legally obligated to care for your lawn Corners will be installed in the Oval Office and timeouts given to congressmen who can't play nice Devoted to restoring America to its former glory the Canada Party will soon have the whole world chanting Yes We Canada *The Big Red Machine* Stephen Clarkson, 2014-05-14 In The Big Red Machine astute Liberal observer Stephen Clarkson tells the story of the Liberal Party's performance in the last nine elections providing essential historical

context for each and offering incisive behind the scenes detail about how the party has planned changed and executed its successful electoral strategies Arguing that the Liberal Party has opportunistically straddled the political centre since Sir John A Macdonald leaning left or moving right and as circumstances required Clarkson also shows that the party's grip on power is becoming increasingly uncertain having lost its appeal not just in the West but now in Quebec Its campaigns now reflect the splintering of the party system and the integration of Canada into the global economy

Rebuilding Canadian Party Politics R. Kenneth Carty, William Cross, Lisa Young, 2012-01-01 Canadian party politics collapsed in the early 1990s This book is about that collapse about the end of a party system with a unique pattern of party organization and competition that had governed Canada's national politics for several decades and about the ongoing struggle to build its successor Rebuilding Canadian Party Politics discusses the breakdown of the old party system the emergence of the Reform Party and the Bloc Quebecois and the fate of the Conservative and New Democratic Parties It focuses on the internal workings of parties in this new era examining the role of professionals new technologies and local activists To understand the ambiguities of our current party system the authors attended local and national party meetings nomination and leadership meetings and campaign kick off rallies They visited local campaign offices to observe the parties grassroots operations and conducted interviews with senior party officials pollsters media and advertising specialists and leader tour directors Written in a lively and accessible style this book will interest students of party politics and Canadian political history as well as general readers eager to make sense of the changes reshaping national politics today

Party Discipline and Parliamentary Politics Christopher J. Kam, 2009-03-26 This text examines the interaction and contention between party leaders and MPs to study the underlying structure of party unity

Party of Conscience Roberta Lexier, Stephanie Danielle Bangarth, Jon Weier, 2018 Surveying the field of political history in Canada one might assume that the politics of the nation have been shaped solely by the Liberal and Conservative parties Relatively little attention has been paid to the contributions of the CCF and NDP in Canadian politics This collection remedies this imbalance with a critical examination of the place of social democracy in Canadian history and politics Bringing together the work of politicians think tank members party activists union members scholars students and social movement actors in important discussions about social democracy delving into an array of topics including municipal provincial and national issues labour relations feminism contemporary social movements war and society security issues and the media Party of Conscience reminds Canadians of the important contributions the CCF and NDP have made to a progressive compassionate idea of Canada

Agrarian Socialism Seymour Martin Lipset, 1971-01-01 A revision of the author's thesis Ph D Columbia University 1949 Cf p ix

A History of Human Rights in Canada Janet Miron, 2009 Human rights equality and social justice are at the forefront of public concern and political debate in Canada Global events especially the war on terrorism have fostered further interest in the abuse of human rights especially when sanctioned or perpetuated by democratic governments This groundbreaking contributed volume seeks to shed light on this topic by uniting

original essays that examine the history of human rights in Canada Contributors explore a variety of themes integral to the post confederation period including immigration and ethnicity gender sexuality class disability state formation and provincial federal relations Three key issues emerge throughout incidents of discrimination in both government and society the efforts of human rights and civil liberties activists to create a more open and tolerant society and the implementation of state legislation designed to protect or enhance civil rights

The Formation of National Party Systems Pradeep Chhibber, Ken Kollman, 2009-01-10 Pradeep Chhibber and Ken Kollman rely on historical data spanning back to the eighteenth century from Canada Great Britain India and the United States to revise our understanding of why a country s party system consists of national or regional parties They demonstrate that the party systems in these four countries have been shaped by the authority granted to different levels of government Departing from the conventional focus on social divisions or electoral rules in determining whether a party system will consist of national or regional parties they argue instead that national party systems emerge when economic and political power resides with the national government Regional parties thrive when authority in a nation state rests with provincial or state governments The success of political parties therefore depends on which level of government voters credit for policy outcomes National political parties win votes during periods when political and economic authority rests with the national government and lose votes to regional and provincial parties when political or economic authority gravitates to lower levels of government This is the first book to establish a link between federalism and the formation of national or regional party systems in a comparative context It places contemporary party politics in the four examined countries in historical and comparative perspectives and provides a compelling account of long term changes in these countries For example the authors discover a surprising level of voting for minor parties in the United States before the 1930s This calls into question the widespread notion that the United States has always had a two party system In fact only recently has the two party system become predominant

Provinces Christopher Dunn, 2006-08-01 *Provinces* is both a study of Canadian provincial government and a review of comparative politics As such it represents a long overdue return to the comparative tradition with its emphasis on subject specific studies across the country The chapters in this revised edition of *Provinces* each of which has been written for the book by a leading scholar are arranged according to four major sections political life institutions public administration and public policy making the book highly suitable for those interested in areas beyond provincial politics At the same time the adopted comparative approach reveals a wealth of insight into Canadian politics at the beginning of the new millennium This new edition covers some of the vital concerns of our time a disquiet about the quality of democracy concern about women s place in provincial societies interest in the nature and potential of governance in the north unease on the question of the fiscal imbalance between all orders of government a sensitivity to the needs of cities and communities assessment of the retrenchment of the state and consideration of the policy futures influenced by the changing demography of the provinces Special Combined Price

Provinces second edition may be ordered together with The Provincial State in Canada Politics in the Provinces and Territories at a special discounted price In order to secure the package price the following ISBN must be used when ordering 978 1 55402 587 9 *Cultural Identity and the Nation-state* Carol Gould,Pasquale Paquino,2001 In this collection several distinguished political philosophers consider alternative models of the recognition of diverse cultures and the significance of cultural and national identity within democratic societies The impact of this recognition for conceptions of citizenship and the supposed neutrality of the democratic state is examined in the framework of economic and political globalization on the one hand and the widespread assertion of cultural and ethnic differences on the other The tension between the recognition of diverse cultures and universal frameworks of human rights is discussed as are the idea of national self determination and the new forms of democratic and civic institutions that may be required in order to deal with present political conflicts

Politics and Ideology in Canada Michael Ornstein,Michael Stevenson,2003-02-18 Winner of the Harold Adams Innis Prize Politics and Ideology in Canada examines a period of crucial historical change in Canada beginning in the mid 1970s when the crisis of the Keynesian welfare state precipitated a transition to a new political order based on the progressive downsizing of state involvement in the economy and society Using class and ideology as key concepts Michael Ornstein and Michael Stevenson examine this transition in terms of the nature of hegemony and hegemonic crisis and the conditions of political order and instability These concepts guide the interpretation of three large surveys of representative samples of the Canadian public and two unique elite surveys conducted between 1975 and 1981 The surveys cover an exceptionally broad spectrum of political issues including social programs civil and economic rights economic policy foreign ownership labour relations and language issues and sovereignty A wide ranging analysis of public and elite attitudes reveals a hegemonic order through the early 1980s built around public support for the institutions of the Canadian welfare state But there was also widespread public alienation from politics Public opinion was quite strongly linked to class but not to party politics Regional variation in political ideology on a broad range of issues was less pronounced than differences between Quebec and English Canada Much deeper ideological divisions separated the elites with a dramatic polarization between corporate and labour respondents State elites fell between these two though generally more favourable to capital The responses of the business elites reveal the ideological roots of the Mulroney years in support for cuts in social programs free trade privatization and deregulation

Political Communication in Canada Alex Marland,2014-11-17 Changes in technology and media consumption are transforming the way people communicate about politics Are they also changing the way politicians communicate to the public Political Communication in Canada examines the way political parties politicians interest groups the media and citizens are using new tactics tools and channels to disseminate information and also investigates the implications of these changes Drawing on recent examples contributors review such things as the branding of the New Democratic Party how Stephen Harper s image is managed and politicians use of Twitter They also discuss the evolving role

of political journalism including media coverage of politics and how Canadians use the Internet for political discussions In an era when political communication from political marketing to citizen journalism is of vital importance to the workings of government this timely volume provides insight into the future of Canadian democracy **Party Politics in Canada** Hugh G. Thorburn, Alan Whitehorn, 2001 Aimed at upper level undergraduate and graduate classes at the university level this collection of 33 essays provides a broad range of perspectives on Canada's diverse and dynamic political climate It is a classic political studies reader that combines the strengths of tradition and innovation papers by distinguished political experts are combined with the perspectives of modern scholars to create a thoroughly updated text *Gender and Party Politics* Joni Lovenduski, Pippa Norris, 1993 This is the first systematic study of how political parties have responded to women's claims for representation Experts on gender and politics represent 11 liberal democracies including Australia Britain Canada France Germany Ireland Italy the Netherlands Norway Sweden and the United States

Party Politics In Canada Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Party Politics In Canada free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Party Politics In Canada free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Party Politics In Canada free PDF files is convenient, its

important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Party Politics In Canada. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Party Politics In Canada any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Party Politics In Canada Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Party Politics In Canada is one of the best book in our library for free trial. We provide copy of Party Politics In Canada in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Politics In Canada. Where to download Party Politics In Canada online for free? Are you looking for Party Politics In Canada PDF? This is definitely going to save you time and cash in something you should think about.
