Party Politics In The South

William J. Cooper, Jr.

Party Politics In The South:

Republican Party Politics and the American South, 1865-1968 Boris Heersink, Jeffery A. Jenkins, 2020-03-19 In *Republican Party Politics and the American South 1865 1968* Heersink and Jenkins examine how National Convention politics allowed the South to remain important to the Republican Party after Reconstruction and trace how Republican organizations in the South changed from biracial coalitions to mostly all white ones over time Little research exists on the GOP in the South after Reconstruction and before the 1960s *Republican Party Politics and the American South 1865 1968* helps fill this knowledge gap Using data on the race of Republican convention delegates from 1868 to 1952 the authors explore how the whitening of the Republican Party affected its vote totals in the South Once states passed laws to disenfranchise blacks during the Jim Crow era the Republican Party in the South performed better electorally the whiter it became These results are important for understanding how the GOP emerged as a competitive and ultimately dominant electoral party in the late twentieth century South

Politics and Society in the South Earl Black, Merle Black, 1987 This book is a systematic interpretation of the most important national and state tendencies in southern politics since 1920 The authors contend that notable improvements in race relations aside the central tendencies in southern politics are primarily established by the values beliefs and objectives of the expanding white urban middle class

The South and the Transformation of U.S. Politics Charles S. Bullock, Susan A. MacManus, Jeremy D. Mayer, Mark J. Rozell, 2019 A strong case can be made that the South has had the greatest impact of any region on the transformation of U S politics and government Since 1968 we have seen the demise of the solid Democratic South and the rise of the Republican dominated South the rise of the largely southern white evangelical religious right movement and demographic changes that have vastly altered the political landscape of the region and national politics Overriding all of these changes is the major constant of southern politics race Since the 1990s the Republican Party has dominated politics in the Southern United States Race relations were a large factor in this shift that began about a half century ago but nonetheless race and demographic change are once again realigning party politics in the region this time back toward an emergent Democratic Party Membership in the Southern Democratic Party is majority African American Latino and Asian and rapidly expanding with an influx of immigrants primarily Latino While race continues to shape politics in the region population growth is as this book argues the major factor affecting politics in the South In fact the populations of Georgia North Carolina South Carolina and Virginia have grown more rapidly than the population of the nation as a whole over the past half century and each of these states has gained at least one seat in Congress These growth states are the ones in which populations are diversifying economies are surging and Democrats are making headway They along with Florida and Texas are also among the most competitive states with the largest numbers of Electoral College votes in the region It is likely therefore that among the key battlegrounds for determining the presidency will be the southern states with the fastest growing populations This will especially be the case once the Latino population in Texas mobilizes This book describes and

analyzes the ways in which demographic change has shaped politics in the South since the late 1960s and may enable the Democratic Party in the future to re take politics in the region and even shut out Republicans from the nation s highest office

The Invention of Party Politics Gerald Leonard,2002 A reexamination of party history and a detailed exposition of party politics in Illinois argues that constitutional issues not economic or social affiliations were key to early party development

Handbook of Party Politics Richard S Katz,William J Crotty,2006-01-05 This thoughtful and wide ranging review of parties and party research contains contributions from many of the foremost party scholars and is a must for all library shelves Richard Luther Keele University The study of political parties has never been livelier and this genuinely international Handbook theoretically rich comparatively informed and focused on important questions defines the field This volume is both an indispensable summary of what we know and the starting point for future research R K Carty University of British Columbia Political parties are ubiquitous but their forms and functions vary greatly from regime to regime from continent to continent and from era to era The Handbook of Party Politics captures this variation and richness in impressive ways The editors have assembled an excellent team and the scope of the volume is vast and intriguing Kaare Strom University of California San Diego Political parties are indispensable to democracy and a central subject of research and study in political science around the world This major new handbook is the first to comprehensively map the state of the art in contemporary party politics scholarship The Handbook is designed to provide an invaluable survey of the major theories and approaches in this dynamic area of study and research give students and researchers a concise road map to the core literatures in all the sub fields of party related theorizing and research identify the theories approaches and topics that define the current cutting edge of the field The Handbook is comparative in overall approach but also addresses some topics to be addressed in nationally or regionally specific ways The resulting collaboration has brought together the world s leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today

Why Parties Matter John H. Aldrich,John D. Griffin,2018-01-10 Since the founding of the American Republic the North and South have followed remarkably different paths of political development Among the factors that have led to their divergence throughout much of history are differences in the levels of competition among the political parties While the North has generally enjoyed a well defined two party system the South has tended to have only weakly developed political parties and at times no system of parties to speak of With Why Parties Matter John H Aldrich and John D Griffin make a compelling case that competition between political parties is an essential component of a democracy that is responsive to its citizens and thus able to address their concerns Tracing the history of the parties through four eras the Democratic Whig party era that preceded the Civil War the post Reconstruction period the Jim Crow era when competition between the parties virtually disappeared and the modern era Aldrich and Griffin show how and when competition emerged between the parties and the conditions under which it succeeded and failed In the modern era as party

competition in the South has come to be widely regarded as matching that of the North the authors conclude by exploring the question of whether the South is poised to become a one party system once again with the Republican party now dominant

The Unsolid South Devin Caughey, 2018-09-25 During the Jim Crow era the Democratic Party dominated the American South presiding over a racially segregated society while also playing an outsized role in national politics In this compelling book Devin Caughey provides an entirely new understanding of electoral competition and national representation in this exclusionary one party enclave Challenging the notion that the Democratic Party's political monopoly inhibited competition and served only the Southern elite he demonstrates how Democratic primaries even as they excluded African Americans provided forums for ordinary whites to press their interests Focusing on politics during and after the New Deal Caughey shows that congressional primary elections effectively substituted for partisan competition in part because the spillover from national party conflict helped compensate for the informational deficits of elections without party labels Caughey draws on a broad range of historical and quantitative evidence including archival materials primary election returns congressional voting records and hundreds of early public opinion polls that illuminate ideological patterns in the Southern public Defying the received wisdom this evidence reveals that members of Congress from the one party South were no less responsive to their electorates than members from states with true partisan competition Reinterpreting a critical period in American history *The Unsolid South* reshapes our understanding of the role of parties in democratic theory and sheds critical new light on electoral politics in authoritarian regimes

The South and the Politics of Slavery, 1828-1856 William J. Cooper, Jr., 1980-06-01 The politics of slavery consumed the political world of the antebellum South Although local economic ethnic and religious issues tended to dominate northern antebellum politics *The South and the Politics of Slavery* convincingly argues that national and slavery related issues were the overriding concerns of southern politics during these years Accordingly southern voters saw their parties both Democratic and Whig as the advocates and guardians of southern rights in the nation William Cooper traces and analyzes the history of southern politics from the formation of the Democratic party in the late 1820s to the demise of the Democratic Whig struggle in the 1850s reporting on attitudes and reactions in each of the eleven states that were to form the Confederacy Focusing on southern politicians and parties Cooper emphasizes their relationship with each other with their northern counterparts and with southern voters and he explores the connections between the values of southern white society and its parties and politicians Based on extensive research in regional political manuscripts and newspapers this study will be valuable to all historians of the period for the information and insight it provides on the role of the South in politics of the nation during the lifespan of the Jacksonian party system

The Rise of Southern Republicans Earl Black, Merle Black, 2002-04-22 Tracing the slow and difficult rise of Republicans in the South over five decades Earl and Merle Black tell the remarkable story of political upheaval

The Dixiecrat Revolt and the End of the Solid South, 1932-1968 Kari A. Frederickson, 2001 Examines the origins of the Dixiecrat movement of the 1930s and

1940s analyzing the movement's influence in Southern politics as it severed ties with the Democratic Party and facilitated the rise of the Republican Party

The Europeanization of Party Politics in Ireland, North and South Katy Hayward, Mary Murphy, 2013-10-31 Ireland's relationship with the European Union has been determined by the behaviour, actions and discourse of political parties. This book examines this impact through an in-depth analysis of the Europeanization of party politics in the Republic of Ireland and Northern Ireland. First, it presents original research on cross-cutting issues that have featured in political debates about European integration, including referendum campaigns on EU treaties, Irish neutrality and party policy positions on the EU. Secondly, it is the first book of its kind to examine in detail how each of the main parties on the island of Ireland has adapted to EU membership. In doing so, it both tests the thesis of Europeanization and deepens understanding of the impact that EU membership can have on national and sub-national party politics. What this study reveals is that while Europeanization is clearly evident in all parties in Ireland, including those most critical of European integration, its influence has been strictly curtailed. We argue that the effects of Europeanization in Irish party politics have been limited by enduring resistance to and conditions placed upon EU influence in particular policy areas, the importance of pragmatism and sub-national priorities in shaping parties' approaches to European integration, and the fact that engagement with the EU continues to be a predominantly elite-led process. This book was published as a special issue of *Irish Political Studies*.

The Confederate Republic George C. Rable, 1994 Although much has been written about the ways in which Confederate politics affected the course of the Civil War, George Rable is the first historian to investigate Confederate political culture in its own right. Focusing on the assumptions, values and beliefs...

Yellow Dogs and Republicans Ricky F. Dobbs, 2005 From the end of Reconstruction until the 1950s, Texas was classified as part of the Solid South, consistently electing Democrats to national and local office. After World War II, however, a new politics began to emerge throughout the South that ultimately made the region as solidly Republican as it had once been Democratic. Allan Shivers wielded extraordinary influence in this about-face. Serving as governor from 1949 to 1957, Shivers stands as an important transitional figure who, while staying within the Democratic Party all his life, nonetheless led Texas into Eisenhower's column and toward a new political alignment. Author Ricky F. Dobbs traces the political career of Allan Shivers from his student days at the University of Texas through his World War II service with the 36th Infantry and various state offices to his role within the party after leaving the governor's mansion. Throughout, Dobbs places Shivers's career in the context of the modernization and urbanization that changed the state and regional picture. He portrays Shivers as one of the state's most powerful governors and compellingly shows his influence on modern Texas.

Confederate Reckoning Stephanie McCurry, 2010-08-30 Pulitzer Prize Finalist, Winner of the Frederick Douglass Book Prize, Winner of the Merle Curti Award. McCurry strips the Confederacy of myth and romance to reveal its doomed essence. Dedicated to the proposition that men were not created equal, the Confederacy had to fight a two-front war. Not only against Union armies but also slaves and poor white women who rose in revolt across the South. Richly

detailed and lucidly told Confederate Reckoning is a fresh bold take on the Civil War that every student of the conflict should read Tony Horwitz author of Confederates in the Attic McCurry challenges us to expand our definition of politics to encompass not simply government but the entire public sphere The struggle for Southern independence she shows opened the door for the mobilization of two groups previously outside the political nation white women of the nonslaveholding class and slaves Confederate Reckoning offers a powerful new paradigm for understanding events on the Confederate home front Eric Foner The Nation Perhaps the highest praise one can offer McCurry s work is to say that once we look through her eyes it will become almost impossible to believe that we ever saw or thought otherwise At the outset of the book McCurry insists that she is not going to ask or answer the timeworn question of why the South lost the Civil War Yet in her vivid and richly textured portrait of what she calls the Confederacy s undoing she has in fact accomplished exactly that Drew Gilpin Faust New Republic A brilliant eye opening account of how Southern white women and black slaves fatally undermined the Confederacy from within Edward Bonekemper Civil War News The story of the Confederate States of America the proslavery antidemocratic nation created by white Southern slaveholders to protect their property has been told many times in heroic and martial narratives Now however Stephanie McCurry tells a very different tale of the Confederate experience When the grandiosity of Southerners national ambitions met the harsh realities of wartime crises unintended consequences ensued Although Southern statesmen and generals had built the most powerful slave regime in the Western world they had excluded the majority of their own people white women and slaves and thereby sowed the seeds of their demise Wartime scarcity of food labor and soldiers tested the Confederate vision at every point and created domestic crises to match those found on the battlefields Women and slaves became critical political actors as they contested government enlistment and tax and welfare policies and struggled for their freedom The attempt to repress a majority of its own population backfired on the Confederate States of America as the disenfranchised demanded to be counted and considered in the great struggle over slavery emancipation democracy and nationhood That Confederate struggle played out in a highly charged international arena The political project of the Confederacy was tried by its own people and failed The government was forced to become accountable to women and slaves provoking an astounding transformation of the slaveholders state Confederate Reckoning is the startling story of this epic political battle in which women and slaves helped to decide the fate of the Confederacy and the outcome of the Civil War

The Rise and Fall of the American Whig Party Michael F. Holt, 2003-05-01 Here Michael F Holt gives us the only comprehensive history of the Whigs ever written He offers a panoramic account of the tumultuous antebellum period a time when a flurry of parties and larger than life politicians Andrew Jackson John C Calhoun Martin Van Buren and Henry Clay struggled for control as the U S inched towards secession It was an era when Americans were passionately involved in politics when local concerns drove national policy and when momentous political events like the Annexation of Texas and the Kansas Nebraska Act rocked the country Amid this contentious political activity the Whig Party

continuously strove to unite North and South emerging as the nation's last great hope to prevent secession *Parties and Politics in America* Clinton Rossiter, 2018-08-06 A distinguished historian and political scientist provides a forthright and objective account of American party politics in this concise and invaluable guide In vigorous and lively language he examines the two major parties the peacemakers of the American community describing their historic functions and the way they have helped to achieve national unity He discusses their make up their achievements and failures the images each has established of itself and of the opposition party The demographic forces influencing the American voter and the complex question of how the parties actually differ receive thought provoking treatment This invigorating analysis of the hard facts of American political life will live far beyond the election year of 1960 **Politics at the Periphery** J. David Gillespie, 1993 Examines the value of third parties as well as the cultural structural constraints that relegate them to the periphery of American political life *Before Jim Crow* Jane Elizabeth Dailey, 2000 Long before the Montgomery bus boycott ushered in the modern civil rights movement black and white southerners struggled to forge interracial democracy in America This innovative book examines the most successful interracial coalition in the nineteenth century South Virginia's Readjuster Party and uncovers a surprising degree of fluidity in postemancipation southern politics Melding social cultural and political history Jane Dailey chronicles the Readjusters efforts to foster political cooperation across the color line She demonstrates that the power of racial rhetoric and the divisiveness of racial politics derived from the everyday experiences of individual Virginians from their local encounters on the sidewalk before the magistrate's bench in the schoolroom In the process she reveals the power of black and white southerners to both create and resist new systems of racial discrimination The story of the Readjusters shows how hard white southerners had to work to establish racial domination after emancipation and how passionately black southerners fought each and every infringement of their rights as Americans Politics in the New South Charles E. Menifield, Stephen D. Shaffer, 2005-09-01 Documents political advances made by African Americans in the South over the last twenty five years *The New Politics of the Old South* Charles S. Bullock, Mark J. Rozell, 2010 The latest presidential election demonstrated the national importance of the shifting demographics and partisan leanings of the Southern states When it first appeared in 1998 *The New Politics of the Old South* broke new ground by examining Southern political trends at the end of the twentieth century Now in its fourth edition with all chapters extensively revised and updated to cover events up through the 2008 elections the authors continue their unique state by state analysis of political behavior Written by the country's leading scholars of Southern politics and designed to be adopted for courses on Southern politics but accessible to any interested reader this book traces the shifting trends of the Southern electorate and explains its growing influence on the course of national politics

Party Politics In The South Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Party Politics In The South PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Party Politics In The South PDF books and manuals is convenient and cost-effective, it is vital to respect

copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Party Politics In The South free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Party Politics In The South Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Party Politics In The South is one of the best book in our library for free trial. We provide copy of Party Politics In The South in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Politics In The South. Where to download Party Politics In The South online for free? Are you looking for Party Politics In The South PDF? This is definitely going to save you time and cash in something you should think about.
