*Party Crasher* Richard Tafel, 1999 In *Party Crasher* A Gay Republican Challenges Politics as Usual Richard Tafel head of the Log Cabin Republicans issues a challenge to some of America's most sacred political institutions Using personal anecdotes as well as the stories of other gay and lesbian Republicans Rich Tafel succeeds in humanizing the struggle he and others have undertaken in their efforts to have their party deal fairly with gays and gay issues as well as their campaign to make gays aware of the benefits that can accrue from having political alliances with others besides traditional left leaning Democrats The book is laid out in three sections Life Liberty and The Pursuit of Happiness In the part entitled Life Tafel shows that gay political ideologies are a product of the rejection gays experience The next section Liberty shows how those ideologies play themselves out in the course of day to day American politics and Tafel warns of the dangers gays face in being taken for granted by the Democratic Party while being written off by the Republicans In The Pursuit of Happiness Tafel argues that political strategies alone aren't enough to advance the cause of gay rights spiritual values and morals he says must be at the heart of the gay strategy Here he challenges both those within the gay community who reject moral language and spirituality and those in organized religion

particularly those in his own Christian faith who view sexuality simply as a matter of choice and a choice to be condemned if it is not the straight and narrow
