She's landed an internship with a fabulous event planner for the Hollywood elite, taking her from small town Texas to the bright lights of LA. Landon finds herself in a world in which spending a million dollars on an event, even a child's birthday party, is de rigueur and the whims of celebrity clients are life and death matters. At first the thrill of working on A-list parties and celebrity weddings is enough to survive the seventy-five hour workweeks and her mercurial boss. But when the reality of the business reveals itself, she's forced to make a choice: do whatever it takes to get ahead or stay true to herself. Drawing on the author's real-life experiences as an event planner to the stars, *Party Girl* takes listeners on an adventure among Hollywood's most beautiful and most outrageous people, revealing the ugly side of Hollywood's prettiest parties.
