set in motion the events that caused a series of deranged murders Dr Frankenstein now living a happy and privileged life sets to work on restoring the voice of beautiful young opera singer Maria Clementi But things are not always as they seem and soon the rumors about Victor Frankenstein begin to worry his new assistant Jonathan Goodall When Jonathan spies a mysterious figure lurking near Maria s theatre and later discovers his own wife and child murdered in cold blood he knows he ll do anything to uncover the truth of Frankenstein and his newest experiments a truth he knows will change everything For more than two hundred years Mary Shelley s Frankenstein or The Modern Prometheus has kept readers enthralled Shelley brought to life not only Frankenstein s monster but also a masterpiece that authors have reimagined again and again Frankenstein s Bride is perfect for seekers of the supernatural classic horror fans and readers of gothic fiction **The Passage of Power** Robert A. Caro, 2013-05-07 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD THE LOS ANGELES TIMES BOOK PRIZE THE MARK LYNTON HISTORY PRIZE THE AMERICAN HISTORY BOOK PRIZE One of the New York Times s 100 Best Books of the 21st Century Book Four of Robert A Caro s monumental The Years of Lyndon Johnson displays all the narrative energy and illuminating insight that led the Times of London to acclaim it as one of the truly great political biographies of the modern age A masterpiece The Passage of Power follows Lyndon Johnson through both the most frustrating and the most triumphant periods of his career 1958 to 1964 It is a time that would see him trade the extraordinary power he had created for himself as Senate Majority Leader for what became the wretched powerlessness of a Vice President in an administration that disdained and distrusted him Yet it was as well the time in which the presidency the goal he had always pursued would be thrust upon him in the moment it took an assassin s bullet to reach its mark By 1958 as Johnson began to maneuver for the presidency he was known as one of the most brilliant politicians of his time the greatest Senate Leader in our history But the 1960 nomination would go to the young senator from Massachusetts John F Kennedy Caro gives us an unparalleled account of the machinations behind both the nomination and Kennedy s decision to offer Johnson the vice presidency revealing the extent of Robert Kennedy s efforts to force Johnson off the ticket With the consummate skill of a master storyteller he exposes the savage animosity between Johnson and Kennedy s younger brother portraying one of America s great political feuds Yet Robert Kennedy s overt contempt for Johnson was only part of the burden of humiliation and isolation he bore as Vice President With a singular understanding of Johnson s heart and mind Caro describes what it was like for this mighty politician to find himself altogether powerless in a world in which power is the crucial commodity For the first time in Caro s breathtakingly vivid narrative we see the Kennedy assassination through Lyndon Johnson s eyes We watch Johnson step into the presidency inheriting a staff fiercely loyal to his slain predecessor a Congress determined to retain its power over the executive branch and a nation in shock and mourning We see how within weeks grasping the reins of the presidency with supreme mastery he propels through Congress essential legislation that at the time of Kennedy s death seemed hopelessly logjammed and seizes on a dormant Kennedy program to create the

revolutionary War on Poverty Caro makes clear how the political genius with which Johnson had ruled the Senate now enabled him to make the presidency wholly his own This was without doubt Johnson's finest hour before his aspirations and accomplishments were overshadowed and eroded by the trap of Vietnam In its exploration of this pivotal period in Johnson's life and in the life of the nation *The Passage of Power* is not only the story of how he surmounted unprecedented obstacles in order to fulfill the highest purpose of the presidency but is as well a revelation of both the pragmatic potential in the presidency and what can be accomplished when the chief executive has the vision and determination to move beyond the pragmatic and initiate programs designed to transform a nation It is an epic story told with a depth of detail possible only through the peerless research that forms the foundation of Robert Caro's work confirming Nicholas von Hoffman's verdict that Caro has changed the art of political biography

**The Conservative Party and the Destruction of Selective Education in Post-War Britain** Piers Legh, 2023-01-26 The book tells the untold story of the Conservative Party's involvement in terms of stance and policy in the destruction of selective state education from 1945 up to the present day Close consideration is paid to their attitudes and prejudices towards education both in power and in opposition Legh examines the Party's responses to the pressure for comprehensive schooling and egalitarianism from the Labour Party and the British left In doing so Legh defies current historiography to demonstrate that the Party were not passive actors in the advancement of comprehensive schooling The lively narrative is moved along by the author's critical examination of the Education Ministers throughout this period Florence Horsbrugh and David Eccles serving under Churchill and Eden and also Quintin Hogg and Geoffrey Lloyd under Macmillan as well as Edward Boyle and Margaret Thatcher under Edward Heath Legh's detailed research utilises a range of government documents personal papers parliamentary debates and newspapers to provide this crucial re-assessment of the Conservative Party and selective education and in doing so questions over simplistic generalisations about wholesale support for selective education policy It reveals instead questioning compromises and disagreements within the Party and its political and ideological allies The result is a stimulating revival of existing scholarship which will be of interest to scholars of British education and politics
