Party Of The Year:

Yael and the Party of the Year Tamsin Lane,2018-05-08 There are many ways this story can go YOU decide what happens next And if you don't like how it ends Just start again The Yes No Maybe So series is an interactive reading experience about friendships family and all the feelings Yael Lewis is dreading her bat mitzvah Her loving but clueless mother insists on throwing an epic birthday extravaganza even though Yael hates the spotlight Despite herself Yael is excited when her crush Cam accepts the invitation But then she meets Gabriel the emcee's son whose chill attitude makes her rethink the party plans Thank goodness her old friend Eli will be there to keep her steady even though he's returned from camping a little bit different Will Yael's party be the best or a bust You have the power to choose what happens and the chance to choose differently next time

Class and the Communist Party of China, 1921-1978 Marc Blecher,David S G Goodman,Yingjie Guo,Jean-Louis Rocca,Tony Saich,2022-02-24 Examining the interaction between the Communist Party of China CCP and specific social categories including peasants workers the middle classes and the dominant class with a focus on class and class discourse this volume analyses the CCP's impact on social change in China between 1921 and 1978 By exploring the CCP's evolving discourse of class this book demonstrates that while class has retained its centrality its meaning has been re-articulated from an ideological political tool to a less meaningful signifier though always used instrumentally By examining the impact of the CCP's policies and discourse surrounding class it also reveals how its own policies since 1921 have shaped the CCP's current 2021 perspectives on class and stratification This volume through an analysis of economic political and cultural inequalities in Chinese society even after 1949 also reveals the emergence of a diverse and often overlooked middle class in Chinese society during the 1950s Delivering a detailed analysis of how the CCP has developed its practical approaches to class and mobilization this study will be of interest to students and scholars of Chinese politics Chinese history Asian politics and Asian studies
