# Party The National Question In China

**Zhiyi Zhang**

## **Party The National Question In China:**

**The Party and the National Question in China** Zhiyi Zhang, 1966      **The State, Identity, and the National Question in China and Japan** Germaine A. Hoston, 2021-02-09 The first decades of the twentieth century witnessed an explosion of nationalist sentiment in East Asia as in Europe This comprehensive work explores how radical Chinese and Japanese thinkers committed to social change in this turbulent era addressed issues concerning national identity social revolution and the role of the national state in achieving socio economic development Focusing on the adaptation of anarchism and then Marxism Leninism to non European contexts Germaine Hoston shows how Chinese and Japanese theorists attempted to reconcile a relatively new appreciation for the nation state with their allegiance to a vision of internationalist socialist revolution culminating in stateless socialism Given the influence of Western experience on Marxism Chinese and Japanese theorists found the Marxian national question to be not merely one of whether the working man has no country but rather the much more fundamental issue of the relative value of Eastern and Western cultures Marxism argues Hoston thus placed native Marxists in tension with their own heritage and national identity The author traces efforts to resolve this tension throughout the first half of the twentieth century and concludes by examining how the tension persists as Chinese and Japanese dissidents seek identity affirming modernity in accordance with the Western democratic model

**The Party and the People** Bruce J. Dickson, 2021-05-25 What keeps the party in power How are leaders chosen How are policies made Does China have a civil society Do political protests threaten political stability Why does the party fear religion How nationalistic is China Will China become democratic      The Party Richard McGregor, 2010-06-02 A masterful depiction of the party today McGregor illuminates the most important of the contradictions and paradoxes An entertaining and insightful portrait of China's secretive rulers The Economist Few outsiders have any realistic sense of the innards motives rivalries and fears of the Chinese Communist leadership But we all know much more than before thanks to Richard McGregor's illuminating and richly textured look at the people in charge of China's political machinery Invaluable James Fallows National Correspondent for The Atlantic In this provocative and illuminating account Financial Times reporter Richard McGregor offers a captivating portrait of China's Communist Party its grip on power and control over China and its future China's political and economic growth in the past three decades has been one of astonishing epochal dimensions The most remarkable part of this transformation however has been left largely untold the central role of the Chinese Communist Party McGregor delves deeply into China's inner sanctum for the first time showing how the Communist Party controls the government courts media and military and keeps all corruption accusations against its members in house The Party's decisions have a global impact yet the CCP remains a deeply secretive body hostile to the law and unaccountable to anyone or anything other than its own internal tribunals It is the world's only geopolitical rival of the United States and is primed to think the worst of the West      *The Party and the National Question in China* Jiyi Zhang, 1969      **How the Communist**

**Party of China Manages the Issue of Nationality** Shiyuan Hao, 2015-11-30 This book introduces the background of China's issue of nationality from the very beginning Throughout the country's history all the nationalities that lived and prospered on Chinese land created a pattern of cultural diversity within national unity through their interaction and integration The formation of this pattern is due not only to the geographical fact that China covers a broad expanse on the Asian continent but also to the historical fact that it is home to disparate and ancient human heritages and to culturally diverse historical sources The book's five chapters explain the evolution of the CPC's policy towards nationalities At the time of the PRC's founding the Common Program in essence an interim Constitution passed by the Chinese People's Political Consultative Congress which was composed of people from all sectors of society and all of China's nationalities not only declared that people of all China's nationalities had equal rights but also stipulated that regional national autonomy would be practiced in all areas where minority nationalities were concentrated that all nationalities had the right to develop their native languages and culture and to maintain or reform their customs and religious beliefs and also mandated that people's governments support the development of minority nationalities in the areas of politics the economy culture and education In the final section the book demonstrates that the subject of how the CPC addresses nationality related issues is a dynamic one that encompasses the past present and future and is simultaneously an answer a process and a question

*Ethnicity* Nathan Glazer, Daniel Patrick Moynihan, Corinne Saposs Schelling, 1975 Deals with ethnicity in modern Society The National Question James Morris Blaut, 1987-01-01

**Frontier Passages** Xiaoyuan Liu, 2004 In this pathbreaking book Xiaoyuan Liu establishes the ways in which the history of the Chinese Communist Party was from the Yan'an period onward intertwined with the ethnopolitics of the Chinese periphery As a Han dominated party the CCP had to adapt to an inhospitable political environment particularly among the Hui Muslims of northwest China and the Mongols of Inner Mongolia Based on a careful examination of CCP and Soviet Comintern documents only recently available Liu's study shows why the CCP found itself unable to follow the Russian Bolshevik precedent by inciting separatism among the non-Han peoples as a stratagem for gaining national power Rather than swallowing Marxist-Leninist dogma on the nationalities question the CCP took a position closer to that of the Kuomintang stressing the inclusiveness of the Han dominated Chinese nation Zhonghua Minzu

*China's Communist Party* David L Shambaugh, 2008-04-02 Few issues affect the future of China and hence all the nations that interact with China more than the nature of its ruling party and government In this timely study David Shambaugh assesses the strengths and weaknesses durability adaptability and potential longevity of China's Communist Party CCP He argues that although the CCP has been in a protracted state of atrophy it has undertaken a number of adaptive measures aimed at reinventing itself and strengthening its rule Shambaugh's investigation draws on a unique set of inner-Party documents and interviews and he finds that China's Communist Party is resilient and will continue to retain its grip on power

Copub Woodrow Wilson Center Press *The Party and the National Question in China* Zhiyi Zhang, 1966 Chinese Nationalism

in Perspective C. X. George Wei, Xiaoyuan Liu, 2001-08-30 Wei and Liu argue that Chinese nationalism is a multifaceted concept At different historical moments and under certain circumstances it had different meanings and interacted with other competing motives and interests The authors of this timely volume all of whom are of Chinese origin and bi national education have produced a balanced and non culture bound work of scholarship It contains diverse provocative and in depth analysis of both historical and recent case studies that can shed light on the contemporary incarnation of Chinese nationalism This interdisciplinary anthology looks at variants of Chinese nationalism upheld and contended by social groups classes and power holders from the past to the present The authors argue that nationalism can be supported by both patriotic and group or party oriented interest calculations Forms of Chinese nationalism can result from situational as well as ideological conditions

*Recast All Under Heaven* Xiaoyuan Liu, 2010-08-12 Xiaoyuan Liu has provided a most compelling study of frontier in the shaping of modern China s territorial identity Ethnopolitics usually confined to the domestic sphere must now be recast and brought to the forefront of any attempt to understand China s international relations and vice versa Uradyn E Bulag University of Cambridge UK In this collection of well argued essays Professor Xiaoyuan Liu offers an extremely valuable perspective on the evolution of China s geo body in the nineteenth and twentieth centuries that is its evolution from an empire to a modern nation state This complex process involved a constant effort to reconcile the unifying impulses of the central government with the vibrant ethnic particularism that existed within China s constantly shifting borders Richard J Smith George and Nancy Rupp Professor of Humanities and Professor of History Rice University USA In this illuminating set of essays Liu Xiaoyuan the master of China s frontier history and ethnopolitics ranges widely across the boundaries of space and time to examine how modern China came into being By emphasizing the seemingly paradoxical centrality of the periphery in the consolidation and legitimation of Chinese political authority Liu explains Beijing s concern about trouble on its Inner Asian frontiers and expands our understanding of China s modern history Steven I Levine Senior Research Associate Maureen and Mike Mansfield Center University of Montana USA In applying the two interpretative themes of frontier and ethnicity *Recast All Under Heaven* examines the externalization from and internalization to China by a number of the tributary affiliates and outlying territories of the by gone Qing Empire This unique book blends analyses of domestic and international developments involved in China s modern reincarnation and provides an integral narrative that links historical themes pertinent to the eastern and western halves of China This is the first study contending that frontier China has remained a fitting characterization of the rising Asian giant

Chinese Political Thought Y.P. Chen, 2013-03-09 As a member of the House Foreign Affairs Subcommittee on Asian and Pacific Affairs I am necessarily concerned about the future role of Communist China in world affairs A true understanding of Peking s foreign policy motives and objectives is possible only if one has a grasp of the ideological foundations and conflicts of the contemporary leaders of the Chinese Communist Party Therein lies the value of Professor Yung Ping Chen s revised edition *Chinese Political Thought* Mao Tse tung and Liu Shao chi

Within a compact number of pages Professor Chen's book provides the reader with a clear and ready grasp of the fundamentals of Communist Chinese ideology. Although its scholarship is evident, the work's interpretation does not overwhelm the reader with lengthy quotations or confuse him with excessive speculations, difficulties sometimes associated with books about China. Instead, Professor Chen appears to have the ability to reduce complicated ideas to manageable proportions. In his revised edition, the author makes use of source material which recently has become available outside China to clarify issues involved in the Great Proletarian Cultural Revolution. That phenomenon, which has caused so much wonder and speculation in the West, is analyzed by Professor Chen. He describes for the reader the underlying ideological factors which have emerged from the great turmoil in China, placing them within a framework of verified historical events while avoiding the pitfall of endless theorizing about situations and events inside China about which too little is yet known.

**Construction of Chinese Nationalism in the Early 21st Century** Suisheng Zhao, 2014-07-25 Chinese nationalism is powered by a narrative of China's century of shame and humiliation in the hands of imperialist powers and calls for the Chinese government to redeem the past humiliations and take back all lost territories. The continuing surge of Chinese nationalism in the early 21st century therefore has fed a roiling sense of anxiety in many political capitals about whether a virulent nationalism has emerged to make China's rise anything but peaceful. This book addresses this anxiety by examining the domestic sources and foreign policy implications of Chinese nationalism in the early 21st century. It is divided into three parts. Part I is an overview of the scholarly debate about if the rise of Chinese nationalism has driven China's foreign policy in a more irrational and inflexible direction in the first one and half decades of the 21st century. Part II analyzes the construction of Chinese nationalism by a variety of domestic forces including the communist state, the angry youth, *fen qing*, liberal intellectuals, and ethnic groups. Part III explores whether Chinese nationalism is affirmative, assertive, or aggressive through the case studies of China's maritime territorial disputes with Japan in the East China Sea and with several Southeast Asian countries in the South China Sea, the border controversy over the ancient Koguryo with Korea, and the cross Taiwan Strait relations. This book was based on articles published in the *Journal of Contemporary China*.

**The National Question** Berch Berberoglu, 2009 This volume examines the volatile nature and complex dynamics of national movements and ethnic conflict around the world.

*Xinjiang and the Chinese State* Debasish Chaudhuri, 2017-08-18 This book focuses on the nature of ethno-national conflicts and impacts of ideological orientation of the Communist Party of China (CPC) towards the national question in the context of Han nationalism and political economic and security policies towards Xinjiang. Violence in Xinjiang since the mid 1990s is projected as one of the major national security challenges for China along with issues pertaining to Tibet and Taiwan. The author argues that the post-Mao reformist model may have been a beneficial economic and political innovation but failed in dealing with regional conflicts and unrests arising out of the demands for independence, freedom, greater autonomy, and assertion of democratic and civic rights. The book discusses Chinese nationalism and the construction of Uyghur national

identity consequences of economic modernisation in the region ethnic conflicts and coercive measures the security and social stability situation in Xinjiang intensification of violence in Xinjiang under the new leadership vision of the Chinese dream key policies and programmes post riot fallouts and social contradictions manifest in discourses surrounding development separatist violence religious fundamentalism and international terrorism With its in depth accessible and comprehensive analyses this book will be a valuable addition to scholars and researchers of Chinese studies politics and international relations security and strategic studies sociology social anthropology and ethnic studies *Tibetan Nation* Warren Smith, 2019-07-31 This detailed history offers the most comprehensive account available of Tibetan nationalism Sino Tibetan relations and the issue of Tibetan self determination Warren Smith explores Tibet s ethnic and national origins the birth of the Tibetan state the Buddhist state and its relations with China Tibet s quest for independence and the Chinese takeover of Tibet after 1950 Focusing especially on post 1950 Tibet under Chinese Communist rule Smith analyzes Marxist Leninist and Chinese Communist Party nationalities theory and policy their application in Tibet and the consequent rise of Tibetan nationalism Concluding that the essence of the Tibetan issue is self determination Smith bolsters his argument with a comprehensive analysis of modern Tibetan and Chinese political histories **Xinjiang and China's Rise in Central Asia - A History** Michael E. Clarke, 2011-03-08 The recent conflict between indigenous Uyghurs and Han Chinese demonstrates that Xinjiang is a major trouble spot for China with Uyghur demands for increased autonomy and where Beijing s policy is to more firmly integrate the province within China This book provides an account of how China s evolving integrationist policies in Xinjiang have influenced its foreign policy in Central Asia since the establishment of the People s Republic in 1949 and how the policy of integration is related to China s concern for security and its pursuit of increased power and influence in Central Asia The book traces the development of Xinjiang from the collapse of the Qing empire in the early twentieth century to the present and argues that there is a largely complementary relationship between China s Xinjiang Central Asia and grand strategy derived interests This pattern of interests informs and shapes China s diplomacy in Central Asia and its approach to the governance of Xinjiang Michael E Clarke shows how China s concerns and policies although pursued with vigour in recent decades are of long standing and how domestic problems and policies in Xinjiang have for a long time been closely bound up with wider international relations issues **Inside China's Cold War** Christian F. Ostermann, 2008 Featuring new evidence on Mao Stalin and the road to the 1950 Summit The 1954 Geneva Conference Sino Albanian summits 1961 67 Mongolia and the Cold War North Korea in 1956 Romania and the Sino US opening Cover

Yeah, reviewing a book **Party The National Question In China** could accumulate your near links listings. This is just one of the solutions for you to be successful. As understood, capability does not suggest that you have extraordinary points.

Comprehending as skillfully as bargain even more than other will come up with the money for each success. neighboring to, the message as without difficulty as sharpness of this Party The National Question In China can be taken as skillfully as picked to act.

### **Party The National Question In China Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Party The National Question In China has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Party The National Question In China has opened up a world of possibilities. Downloading Party The National Question In China provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Party The National Question In China has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Party The National Question In China. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Party The National Question In China. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Party The National Question In China, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Party The National Question In China has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for

students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Party The National Question In China Books**

1. Where can I buy Party The National Question In China books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Party The National Question In China book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
