**The Train Rolls on** Jodi Adams, 2021

**Shark vs. Train** Chris Barton, 2011-02-11

Shark VS Train WHO WILL WIN If you think Superman vs Batman would be an exciting matchup wait until you see Shark vs Train. In this hilarious and wacky picture book Shark and Train egg each other on for one competition after another including burping, bowling, Ping Pong, piano playing, pie eating, and many more. Who do YOU think will win Shark or Train star? This is a genius concept. Publishers Weekly starred review: star. Lichtenheld's snarling shark and grimacing train are definitely ready for a fight and his scenarios gleefully play up the absurdity. The combatants' expressions are priceless when they lose. A glum train in smoky dejection or a bewildered, crestfallen shark. It's hard to choose; both are winners. Kirkus starred review.

**The Best Train Set Ever** Pat Hutchins, 1979

*The House Party* Rita Cameron, 2022

When a house party goes terribly wrong, a suburban town fractures along lines of privilege, exposing disturbing truths about the community perfect for fans of *Little Fires Everywhere* and *Ask Again Yes*. It's the party of the year. Afterward, nothing will ever be the same. Maja Jensen is smart, stylish, and careful, the type of woman who considers every detail when building her dream home in the suburbs of Philadelphia. The perfect house that would compensate for her failure to have a child, the house that was going to save her marriage. But when a group of reckless teenagers trash the newly built home just weeks before she moves in, her plans are shattered. Those teenagers, two months away from graduating high school, are the good kids, the ones on track to go to college and move on to the next stage of their privileged lives. They have grown up in a protected bubble and are accustomed to getting by with just a slap on the wrist. Did they think they could just destroy property without facing punishment? Or was there something deeper, darker, at play that night? As the police close in on a list of suspects, the tight-knit community begins to fray as families attempt to protect themselves. What should have been the party of the year will have repercussions that will put Maja's marriage to the ultimate test, jeopardize the futures of the good kids, and divide the town over questions of privilege and responsibility. An absorbing novel told through shifting perspectives, *The House Party* explores how easily friendships, careers, communities, and marriages can upend when differences in wealth and power are forced to the surface.
