Pasaje Hacia La Gloria:

Exultación expositiva John Piper, 2019-01-22 La predicación cristiana es un medio designado por Dios para transformar a sus oyentes tanto en la mente como en el corazón. Con ejemplos claros de muchos específicos Piper muestra a los predicadores cómo y qué comunicar desde el púlpito de una manera que toma en serio la tarea de manejar la Palabra de Dios semana tras semana en el contexto de y como la adoración cristiana. Christian preaching is a God appointed means of transforming its hearers in both head and heart. With clear examples of specific methods Piper shows preachers how and what to communicate from the pulpit in a way that takes seriously the task of handling the word of God week in and week out in the context of and as Christian worship. *La humanidad nueva* José Ignacio González Faus, 1984 Jesús es la Palabra y el Hijo de Dios, mediador de la creación y de la comunicación de Dios y por serlo es clave de lectura de lo creado. Jesús es el Hijo encarnado y por ello no se puede encontrar la divinidad si no es en forma humana con lo que se conoce a Dios como Aquel que no es para sí sino que es Solidaridad y al buscar lo cristiano no hay que buscar algo diverso del hombre sino al hombre mismo como hombre para Dios y para los hombres. Jesús es el Hijo Crucificado y por eso rubrica a la vez la impiedad del mundo y la reconciliación de Dios y así nos libera para vivir ante Dios en medio del mundo sin Dios. Jesús es finalmente el Resucitado y por eso su ser o sobre la realidad es el ser o del Origen de la Meta y de la Esencia de esta Cristonomía. Supera el dilema entre autonomía y heteronomía expresando así la liberación de lo creado para que llegue a ser su propia verdad fundada en Cristo. Estas palabras que figuran en la Conclusión de la presente obra resumen si así puede decirse tratándose de una obra de estas dimensiones la trayectoria seguida por el autor en su acercamiento sistemático a la revelación de Dios en Jesús el Cristo. José Ignacio González Faus realiza aquí una auténtica reflexión teológica y no solo histórica y exegética sobre Cristo atendiendo de un modo especial a las preguntas que actualmente se plantean acerca de Jesús la fundamental de las cuales se refiere a la significación del acontecimiento Cristo para el hombre. Pregunta perenne pero ahora intensamente reformulada a la que el autor responde con el sugerente enfoque de Cristo como Humanidad Nueva que es la humanidad de Cristo santificada por su unión con el Hijo y universalizada por la Resurrección. **¡Socorro! Alguien a Quien Amo Está Deprimido: Consejos prácticos para aquellos que sufren ataques de depresión, así como para sus familias, amigos, encargados del cuidado, e iglesias.** Greg L. Russ, 2020-12-03 Baby Jesus is Missing is set in the small town of Reedy River. It is early December and baby Jesus figurines have been mysteriously disappearing from all over town. When Catherine and her younger sister Susanna Mae learn of a 500 reward for information leading to the arrest of the person responsible they begin their careers as detectives. But will they solve the mystery of the baby Jesus thief and collect the reward money or will the danger, heartache and betrayal they encounter be more than they bargained for? Baby Jesus is Missing chronicles the sometimes humorous, sometimes frightening and ultimately life changing experience of Catherine and Susanna Mae whose journey will require self sacrifice, faith and courage. *La obra de Cristo* R. C. Sproul, 2020-07-27 LA OBRA DE CRISTO

Servants for His Glory Miguel N3ñez, 2021-06-15 Being is greater than doing We all come into the world with a certain emptiness in our lives an emptiness that leads to a search for meaning And the world tells us that search for meaning can be solved by doing Unfortunately an overemphasis on doing has led many people away from cultivating an interior life that allows them to sustain their exterior life This explains the many failures we continuously see in day to day

life When a person's inner life who he or she is is not prepared that person's character does not have the maturity or the strength to sustain them in the long run In this book Miguel N ez points us to Scripture and experience to show us how being is more important than doing He teaches us how to cultivate the foundations of our lives so that we can be what we need to be in order to do what we need to do *Encuentros con la enseñanza* Roberto Benavent de la Cámara,2015-07-21 Unas de las trayectorias más extensas que se pueden seguir en la enseñanza es aquella que discurre entre la alfombra del parvulario en la que estamos atendiendo a la maestra mientras cuenta un relato infantil y el aula de un departamento de la universidad en la que un investigador nos cuenta los detalles de un artículo de investigación que ha publicado en una revista En el caso del autor a nadie le sorprende ya que participa en la docencia de varias asignaturas de matemáticas en la enseñanza media y en carreras de ciencias Es evidente que durante el camino que acabamos de describir se acumulan experiencias muy variadas El autor ha recurrido a la memoria para comparar y dar forma a algunas de las observaciones que realizó y las ha reunido en una colección de escritos breves que presentamos en este volumen **Licencia para dudar** Chris Du-Pond,2019-06-01 La duda y la confianza están íntimamente relacionadas y afectan las decisiones del ser humano en todos los ámbitos En *Licencia para dudar* el autor presenta argumentos bíblicos que ayudan al lector a entender el funcionamiento de la confianza y muestra los tipos de duda que le paralizan y le privan de experimentar una vida plena El libro claramente presenta cómo obtener herramientas para controlar la ansiedad que provoca la duda por medio de la comprensión y análisis de la misma Ofrece una autoevaluación en la cual el lector podrá personalizar las soluciones prácticas a su caso particular y minimizar las dudas de la vida que le paralizan angustian y asedian Doubt and confidence are intimately related and affect a human being's decisions in every sphere of life In *Licencia para dudar* Licence to Doubt the author presents arguments that will help the reader understand how confidence functions and it shows the kinds of doubts that paralyze and deprives us of being able to experiment life in all of its fullness The book offers a clear path to tools for understanding and analyzing doubts and in that way controlling the anxieties that doubts create *Licencia para Dudar* offers a self analysis that allows the reader to customize practical solutions for his particular case and minimize the kinds of doubts that paralyze and besiege us and make us anxious
