personas jóvenes con un total aproximado de 800 000 muertes al año a nivel mundial. Esto lo convierte en uno de los problemas de salud mental más preocupantes del presente situación que se agrava debido a la creciente desigualdad económica y social así como a la depresión debida a la pandemia por covid 19. En este libro Arnoldo Kraus reúne a algunas de las voces más relevantes del panorama científico intelectual y literario de nuestro país para discutir el fenómeno del suicidio en un intento por comprenderlo mejor sin mitos ni prejuicios. Algunas de las preguntas que cruzan estas páginas indagan sobre las circunstancias que propician los pensamientos suicidas sobre la posibilidad de prevenirlo y sobre la necesidad de que no se estigmatice y se comprenda como un derecho irrenunciable cuando la vida ya no es digna ni plena. Lejos de ofrecer respuestas definitivas o de censurar los hechos desde la superioridad moral, la intención principal de estos textos es propiciar un diálogo honesto y plural sobre uno de los problemas más profundos de la condición humana: la terrible angustia de sentir que la vida no vale la pena.

Un hombre astuto Robertson Davies, 2016-05-08. Cuando el padre Hobbes muere misteriosamente en Toronto durante la celebración del Viernes Santo, el doctor Jonathan Hullah, cuyos heterodoxos métodos clínicos le han valido el apodofo de el Hombre Astuto, decide averiguar el porqu. Azuzado por una joven periodista que investiga la figura del padre Hobbes Hullah, el protagonista de esta memorable historia vuelve la vista atrás en busca de respuestas y repasa una vida plagada de acontecimientos y personajes inolvidables. Con su excepcional inteligencia narrativa hecha de una rara combinación de ritmo y atención por el detalle y un sentido del humor tan demoledor como hilarante, Davies se sirve de un extraordinario personaje para demostrar que la religión y la ciencia, la poesía y la medicina son los diferentes caminos que el hombre emprende para intentar desentrañar el misterio de la existencia. El resultado es una fascinante novela, la última y seguramente una de las mejores de Robertson Davies, que confirma a su autor como uno de los más destacados novelistas del siglo xx. Un autor que en su canto de cisne parece haberlo dado todo: una novela llena de ideas, un juego intelectual donde la vida resulta fácil de soportar.

Diego Gándara La Razón. Leyendo este libro se comprende todo lo bueno que Davies aprendió de

Dickens y todo lo bueno que John Irving saca de Davies de quien llega a ser amigo Y se concluye que solo Iris Murdoch o Anthony Burgess estuvieron a la altura de Davies a la hora de elevar y fundir la alta cultura con el puro acontecer del más noble y ocurrente de los folletines Rodrigo Fresán ABC Cultural Es el más brillante divertido e inteligente novelista de nuestro tiempo y me atrevo a decir de nuestro siglo John Kenneth Galbraith La cándida energía de Davies y su atención por los detalles conducen la historia de este particular doctor y sus amigos Una historia ingeniosa impredecible y absorbente San Francisco Chronicle Davies compone una suerte de gran novela repleta de personajes emblemáticos intrigas arquetípicas conmovedoras y un reparto brillante The Washington Post Book World Una delicia una novela que recorre setenta años de historia un libro sobre el amor y la sabiduría sobre la pérdida y la ironía The Boston Sunday Globe Esta es una novela sabia humana y tremendamente entretenida La curiosidad y el talento de Davies resultan tan ágiles como siempre y su repertorio de conocimientos un placer constante The New York Times
