Online Practice Test, 2nd Edition Christopher Coughlin, 2018-01-05. REA's EMT Crash Course is the only book of its kind for the last-minute student or any prospective Emergency Medical Technician who wants a quick refresher before taking the NREMT Certification Exam. Targeted Focused Review: Study Only What You Need to Know. Written by an EMS Program Director and NREMT paramedic with 30 years of experience, EMT Crash Course relies on the author's careful analysis of the exam's content and actual test questions. It covers only the information tested on the exam so you can make the most of your valuable study time. Our fully indexed targeted review covers all the official test categories including airway, ventilation, oxygenation, trauma, cardiology, medical, and EMS operations, and is packed with practice questions and answers at the end of each chapter. Also included are tips and insights on résumé building, information on finding additional training opportunities, and more. Expert Test-taking Strategies: Our experienced EMT author explains the structure of the NREMT Certification Exam so you know what to expect on test day. He also shares detailed question-level strategies and shows you the best way to answer questions. By following our expert tips and advice, you can score higher on every section of the exam. Must-know Key Terms: Knowing the right medical terminology can make a real difference in your test score. That's why we cover more than 400 EMT terms you need to know before you take your exam. Full-length Online Practice Exam: The book comes with a true-to-format online practice test with diagnostic feedback, topic-level scoring, and detailed answer explanations to help students gauge their test readiness. No matter how or when you prepare for the EMT exam, REA's EMT Crash Course will show you how to study efficiently and strategically so you can get a great score. **EMT Exam For Dummies with Online Practice** Arthur Hsieh, 2014-07-09.
