Passage To Ararat:

Passage to Ararat Michael J. Arlen, 2014-06-17 In *Passage to Ararat* which received the National Book Award in 1976 Michael J Arlen goes beyond the portrait of his father the famous Anglo Armenian novelist of the 1920s that he created in *Exiles* to try to discover what his father had tried to forget Armenia and what it meant to be an Armenian a descendant of a proud people whom conquerors had for centuries tried to exterminate But perhaps most affectingly Arlen tells a story as large as a whole people yet as personal as the uneasy bond between a father and a son offering a masterful account of the affirmation and pain of kinship

The Huntress Alice Arlen, Michael J. Arlen, 2016-08-23 From National Book Award winner Michael J Arlen and screenwriter Alice Arlen here is the fascinating adventurous life of Alicia Patterson who became at age thirty four one of the youngest and most successful newspaper publishers in America when she founded *Newsday* With *The Huntress* the Arlens give us a revealing picture of the lifestyle and traditions of the Patterson Medill publishing dynasty one of the country's most powerful and influential newspaper families but also Alicia's rebellious early years and her dominating father Joseph Patterson Founder and editor of the *New York Daily News* Patterson was a complicated and glamorous figure who in his youth had reported on Pancho Villa in Mexico and had outraged his conservative Chicago family by briefly espousing socialism Not once but twice first at age twenty Alicia agreed to marry men her father chose despite having her own more interesting suitors He encouraged her to do the difficult training required for an aviation transport license in 1934 she became only the tenth woman in America to receive one Patterson brought her along to London to meet with Lord Beaverbrook to Rome to meet Mussolini and to Moscow in 1937 at the time of Stalin's show trials where a young George Kennan took her under his wing Alicia caught the journalism bug writing for *Liberty* magazine an offshoot of the *Daily News* A trip to French Indochina highlighted her hunting skills and made the sultan of Johor an ardent admirer another trip would involve India the dangerous sport of pigsticking several maharajas and a tiger hunt A third marriage to Harry Guggenheim blew hot and cold but it did last it was with him that she started *Newsday* in a former car dealership on Long Island Governor Adlai E Stevenson two time Democratic candidate for president would be one of her last admirers With access to family archives of journals and letters Michael and Alice Arlen have written an astonishing portrait of a maverick newspaperwoman and an intrepid adventurer told with humor compassion and a profound understanding of a time and place With black and white illustrations throughout

Living-room War Michael J. Arlen, 1969 **Black Dog of Fate** Peter Balakian, 2009-02-10 His visions are burning his poetry heartbreaking wrote Elie Wiesel of American poet Peter Balakian Now in elegant prose the prize winning poet who James Dickey called an extraordinary talent has written a compelling memoir about growing up American in a family that was haunted by a past too fraught with terror to be spoken of openly *Black Dog of Fate* is set in the affluent New Jersey suburbs where Balakian the firstborn son of his generation grew up in a close extended family At the center of what was a

quintessential American baby boom childhood lay the dark specter of a trauma his forebears had experienced the Ottoman Turkish government's extermination of more than a million Armenians in 1915 the century's first genocide In a story that climaxes to powerful personal and moral revelations Balakian traces the complex process of discovering the facts of his people's history and the horrifying aftermath of the Turkish government's campaign to cover up one of the worst crimes ever committed against humanity In describing his awakening to the facts of history Balakian introduces us to a remarkable family of matriarchs and merchants physicians a bishop and his aunts two well known figures in the world of literature The unforgettable central figure of the story is Balakian's grandmother a survivor and widow of the Genocide who speaks in fragments of metaphor and myth as she cooks up Armenian delicacies plays the stock market and keeps track of the baseball stats of her beloved Yankees The book is infused with the intense and often comic collision between this family's ancient Near Eastern traditions and the American pop culture of the 50s and 60s Balakian moves with ease from childhood memory to history to his ancestors lives to the story of a poet's coming of age Written with power and grace *Black Dog of Fate* unfolds like a tapestry its tale of survival against enormous odds Through the eyes of a poet here is the arresting story of a family's journey from its haunted past to a new life in a new world *Thunderer* Felix Gilman, 2008 One man embarks on a thrilling and treacherous quest for his people's lost god in an elaborate Dickensian city that is either blessed or haunted From publisher description

Note-books of Nathaniel Hawthorne Nathaniel Hawthorne, 1868 *Fierce Attachments* Vivian Gornick, 2005-09-14 Vivian Gornick's *Fierce Attachments* hailed by the *New York Times* for the renowned feminist author's mesmerizing thrilling truths within its pages has been selected by the publication's book critics as the 1 Best Memoir of the Past 50 Years In this deeply etched and haunting memoir Vivian Gornick tells the story of her lifelong battle with her mother for independence There have been numerous books about mother and daughter but none has dealt with this closest of filial relations as directly or as ruthlessly Gornick's groundbreaking book confronts what Edna O'Brien has called the principal crux of female despair the unacknowledged Oedipal nature of the mother daughter bond Born and raised in the Bronx the daughter of urban peasants Gornick grows up in a household dominated by her intelligent but uneducated mother's romantic depression over the early

death of her husband Next door lives Nettie an attractive widow whose calculating sensuality appeals greatly to Vivian These women with their opposing models of femininity continue well into adulthood to affect Gornick's struggle to find herself in love and in work As Gornick walks with her aged mother through the streets of New York arguing and remembering the past each wins the reader's admiration the caustic and clear thinking daughter for her courage and tenacity in really talking to her mother about the most basic issues of their lives and the still powerful and intuitively wise old woman who again and again proves herself her daughter's mother Unsparing deeply courageous *Fierce Attachments* is one of the most remarkable documents of family feeling that has been written a classic that helped start the memoir boom and remains one of the most moving examples of the genre Gornick stares unflinchingly at all that is hidden difficult strange unresolvable in herself and others at loneliness sexual malice and the devouring claustrophobic closeness of mothers and daughters *Fierce Attachments* is a portrait of the artist as she finds a language original allergic to euphemism and therapeutic banalities worthy of the women that raised her *The New York Times* *The Gimmicks* Chris McCormick, 2020-01-07 *The Gimmicks* is a gorgeous epic that astounds with its scope and beauty With empathy and humor McCormick unravels the ties between brotherhood and betrayal love and abandonment and the fictions we create to live with the pain of the past This novel will blow you away Brit Bennett *New York Times* bestselling author of *The Mothers* Set in the waning years of the Cold War a stunning debut novel about a trio of young Armenians that moves from the Soviet Union across Europe to Southern California and at its center one of the most tragic cataclysms in twentieth century history the Armenian Genocide whose traumatic reverberations will have unexpected consequences on all three lives This exuberant wholly original novel begins in Kirovakan Armenia in 1971 Ruben Petrosian is a serious solitary young man who cares about two things mastering the game of backgammon to beat his archrival Mina and studying the history of his ancestors Ruben grieves the victims of the 1915 Armenian Genocide a crime still denied by the descendants of its perpetrators and dreams of vengeance When his orphaned cousin Avo comes to live with his family Ruben's life is transformed Gregarious and physically enormous with a distinct unibrow that becomes his signature Avo is instantly beloved He is everything Ruben is not yet the two form a bond they swear never to break But their paths diverge when Ruben vanishes drafted into an extremist group that will stop at nothing to make Turkey acknowledge the genocide Unmoored by Ruben's disappearance Avo and Mina grow close in his absence But fate brings the cousins together once more when Ruben secretly contacts Avo convincing him to leave Mina and join the extremists a choice that will dramatically alter the course of their lives Left to unravel the threads of this story is Terry Angel Hair Krill a veteran of both the US Navy and the funhouse world of professional wrestling whose life intersects with Avo Ruben and Mina's in surprising and devastating ways Told through alternating perspectives *The Gimmicks* is a masterpiece of storytelling Chris McCormick brilliantly illuminates the impact of history and injustice on ordinary lives and challenges us to confront the spectacle of violence and the specter of its aftermath *There Was and There Was Not* Meline Toumani, 2014-11-04 *National Book*
