Passage Through Divorce:

The Life-Saving Divorce Gretchen Baskerville, 2020-02 You Can Love God and Still Get a Divorce And get this God will still love you Really Are you in a destructive marriage One of emotional physical or verbal abuse Infidelity Neglect If yes you know you need to escape but you re probably worried about going against God s will I have good news for you You might need to divorce to save your life and sanity And God is right beside you In The Life Saving Divorce You ll Learn How to know if you should stay or if you should go The four key Bible verses that support divorce for infidelity neglect and physical and or emotional abuse Twenty seven myths about divorce that aren t true for many Christians Why a divorce is likely the absolute best thing for your children How to deal with friends and family who disapprove of divorce How to find safe friends and churches after a divorce Can you find happiness after leaving your destructive marriage Absolutely yes You can get your life back and flourish more than you thought possible Are you ready Then let s go It s time to be free This book includes multiple first person interviews Explains psychological abuse gaslighting the abuse cycle Christian divorce and remarriage children and divorce domestic violence parental alienation mental abuse and biblical reasons for divorce Includes diagrams such as the Duluth Wheel of Power and Control the Duluth Model and the Abuse Cycle as well as graphs based on Paul Amato s 2003 study analyzing Judith Wallerstein s book The Unexpected Legacy of Divorce Includes quotes by Leslie Vernick Lundy Bancroft Shannon Thomas David Instone Brewer Natalie Hoffman LifeWay Research Kathleen Reay Gottman Institute Glenda Riley Martin Luther John Calvin Steven Stosny Michal Gilad Leonie Westenberg Nancy Nason Clark Julie Owens Marg Mowczko Justin Holcomb Barna Group Justin Lehmiller Alan Hawkins Brian Willoughby William Doherty Brad Wright Bradford Wilcox Sheila Gregoire E Mavis Hetherington John Kelly Betsey Stevenson Justin Wolfers Norm Wright Virginia Rutter Judith Herman and Bessel van der Kolk Recommended reading list includes Henry Cloud John Townsend Boundaries books Richard Warshack books *Remarriage is Adultery Unless...* David Pawson, 2013-02-01 Consecutive polygamy as many husbands or wives as you like but only one at a time is now an accepted norm in contemporary society Hardly surprising since the social legal moral and financial restraints holding marriages together for a lifetime have been steadily eroded in a relativist age where anything goes What is surprising is that divorce and remarriage are becoming as common inside the church as outside even among Christian leaders and especially in the Evangelical stream Believers have been outspoken about such issues as abortion and homosexuality though their Lord Jesus said nothing about either He did say quite a lot about the subject of this book but there is either a reluctance to take his teaching at face value or an eagerness to enlarge his exception until it becomes the rule This volume primarily appeals to those for whom the Bible is the final authority in all matters of belief and behaviour especially those who preach to teach and counsel others The author believes that the church should be leading the world uphill rather than following the world downhill David Pawson has a worldwide teaching ministry particularly for church leaders He is known to many through Christian broadcasting and is the author of

Encouragement for Today R. Swope, L. TerKeurst, Samantha Evilsizer, 2013 Offers one hundred devotions of wit wisdom and encouragement for women sharing highs and lows humorous stories and tender moments from the realities of everyday life *Divorce and Remarriage in the Bible* David Instone-Brewer, 2002-06-07 To many the New Testament's teaching on divorce and remarriage seems to be both impractical and unfair The plain meaning of the texts allows for divorce only in cases of adultery or desertion and it does not permit remarriage until the death of one's former spouse But are these proscriptions the final word for Christians today Are we correctly reading the scriptures that address these issues By looking closely at the biblical texts on divorce and remarriage in light of the first century Jewish and Greco Roman world this book shows that the original audience of the New Testament heard these teachings differently Through a careful exploration of the background literature of the Old Testament the ancient Near East and especially ancient Judaism David Instone Brewer constructs a biblical view of divorce and remarriage that is wider in scope than present day readings Among the important findings of the book are that both Jesus and Paul condemned divorce without valid grounds and discouraged divorce even for valid grounds that both Jesus and Paul affirmed the Old Testament grounds for divorce that the Old Testament allowed divorce for adultery and for neglect or abuse and that both Jesus and Paul condemned remarriage after an invalid divorce but not after a valid divorce Instone Brewer shows that these principles are not only different from the traditional church interpretation of the New Testament but also directly relevant to modern relationships Enhanced with pastoral advice on how to apply the biblical teaching in today's context this volume will be a valuable resource for anyone seeking serious answers about married life *On Divorce* John MacArthur, 1985 *Marriage, Divorce, and Remarriage in the Bible* Jay E. Adams, 1986 Many pastors counselors and theologians consider this book the most helpful on the issue of marriage and divorce **Matthew for Beginners** Mike Mazzalongo, 2015-08-29 This book provides an in depth look at the most well structured gospel record originally designed to address Jewish questions about Jesus but later used by the early church as a

primer for new Christians **Your Child's Divorce** Marsha Temlock, 2006 When an adult child's marriage ends lots of folks are hurt. The divorcing couple, of course, and their children. Until now, however, little attention has been paid to the parents of the divorcees. Temlock's examination of this sensitive topic offers parents a friendly guidebook packed with helpful information and suggestions from parents who've been there. Her five-stage model of the divorce process for parents: Accepting the News, Rescuing Your Child, Responding to Changes, Stabilizing the Family, Refocusing and Rebuilding will help readers stay grounded through the emotional upheavals they'll share with their children and grandchildren. This practical manual puts an arm around the shoulder of parents of divorcing adults and supports them through the difficult days of the divorce process and its aftermath.

Divorce Busting Michele Weiner-Davis, 1992 A marriage counseling guide teaches readers how to target their present marital problems and set attainable goals for the future with strategies that help break destructive behavior patterns.

It Doesn't Have to Be That Way Laura A. Wasser, 2013-10-01 Maria Shriver Kim Kardashian, Stevie Wonder, Britney Spears. Who do they have in common? Top LA divorce lawyer Laura Wasser. If anyone ever had a platform to write a how-to divorce book for today's generation, it's Laura Wasser. She has been practicing in her field for nearly twenty years, represented many of the country's top celebrities, and has been celebrated for her unique style, her empathy, and her expertise. Wasser's personal and professional life have been profiled by publications like the Los Angeles Times, Vogue, and Interview. Most important, her approach and advice are different from almost any others, and she articulates them in a simple manner. Laura Wasser addresses an entire generation who want and need to handle their breakups differently. It's no secret that the divorce rate in America is more than half the marriage rate. Yet the means for dissolving a relationship often seem hopelessly mired in an outdated perception of how it's supposed to be done. Wasser acknowledges that this generation's realities have evolved greatly since the previous generation's in almost every way, and that they want to get divorced cheaply and efficiently and maintain control of the process themselves. The daughter and partner of a prominent Los Angeles Family Law attorney, she has a deep history in the field and she knows the available roads to uncontested resolution like nobody else. At times psychologist, at times strategist, and distinctly of this generation, Laura and her book will offer readers a safer passage through what can be a devastating time, emotionally and financially.

Disqualified? Dave Miller,2021-04-22 I want to stick with what the Bible says No compromise The church has operated on the assumption that all divorce is always sin and disqualifies every man as serving as a pastor elder or deacon Variations from that position have been viewed as compromise of the Word of God After studying every passage in the Bible that deals with divorce and remarriage Dave Miller has come to a different position In *Disqualified* he examines the Old Testament evidence that sets the cornerstone and lays the foundation of the biblical teaching then looks at the framework constructed in Jesus radical teachings He examines the finishing touches put on by Paul especially in 1 Corinthians 7 establishing the key biblical teachings on divorce remarriage and ministry God s intent from creation was that marriage be a lifelong covenant between one man and one woman but in a world broken by sin also granted exceptions based on the hardness of the human heart After surveying the biblical evidence Dave Miller asks several key questions for individuals and churches to consider Have those who been divorced been permanently disqualified from leadership positions in churches What does the phrase husband of one wife mean The church cannot ignore this subject and must search the Scriptures to seek the mind of Christ on it Simply relying on tradition or doing what pleases people is not sufficient God s word is always right and Dave Miller is convinced that we need to take a new look at this difficult topic
