Passages An Address:

Light in a Dark Place John S. Feinberg, 2018-04-30 What we believe about the Bible is foundational to every part of life Scripture is the very Word of God the final authority for all of theology the governing source of all other doctrines In the latest volume of the Foundations of Evangelical Theology series theology professor John S Feinberg has written a landmark work on the doctrine of Scripture offering a robust serious treatment of topics such as revelation the canon inerrancy infallibility sufficiency preservation and more all with the goal of helping readers cherish obey and be transformed by what God has spoken in his Word

The Anti-Gospel Edward Hendrie, 2012-03-19 Edward Hendrie uses God's word to strip the sheep's clothing from false Christian ministers and expose them as ravening wolves preaching an anti gospel The anti gospel is based on a myth that all men have a will that is free from the bondage of sin to choose whether to believe in Jesus The Holy Bible however states that all men are spiritually dead and cannot believe in Jesus unless they are born again of the Holy Spirit Ephesians 2:1-7 John 3:3-8 God has chosen his elect to be saved by his grace through faith in Jesus Christ Ephesians 1:3-9 2:8-10 God imbues his elect with the faith needed to believe in Jesus Hebrews 12:2 John 1:12-13 The devil's false gospel contradicts the word of God and reverses the order of things Under the anti gospel instead of a sovereign God choosing his elect sovereign man decides whether to choose God The calling of the Lord Jesus Christ is effectual all who are chosen for salvation will believe in Jesus John 6:37-44 The anti gospel has a false Jesus who only offers the possibility of salvation with no assurance The anti gospel blasphemously makes God out to be a liar by denying the total depravity of man and the sovereign election of God All who preach that false gospel are under a curse from God Galatians 1:6-9

perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective

Isaiah among the Ancient Near Eastern Prophets Matthijs de Jong, 2007-12-31 Focusing on the phenomenon of prophecy in the ancient Near East this study offers a comparison between parts of First Isaiah and the Assyrian prophecies In the first part the material from First Isaiah and from seventh century Assyria is investigated in its own right The second part is a comparison of the Isaiah tradition in its earliest shape with the prophetic material from seventh century Assyria The topics dealt with in the comparison are the interrelation of prophetic oracles and historical events the functions of the prophets and the literary development of prophecy The study shows that ancient Israelite prophecy of which the historical Isaiah was an exponent was much in conformity with ancient Near Eastern prophecy in general

Office,2002 *Spring and Autumn Historiography* Newell Ann Van Auken,2023-03-14 The Spring and Autumn is an annals text composed of brief records covering the period 722 479 BCE and written from the perspective of the ancient Chinese state of Lu A long neglected part of the Chinese canon it is traditionally ascribed to Confucius who is said to have embedded his evaluations of events within the text However the formulaic and impersonal records do not resemble the repository of moral judgments that they are alleged to be Driven by her discovery that the Spring and Autumn is governed by a system of rules Newell Ann Van Auken argues that Lu record keepers not a later editor produced the formally regular core of the text She demonstrates that the Spring and Autumn employs formulaic phrasing and selective omission to encode the priorities of Lu and to communicate the relative importance of individuals states and events and that many of its records are derived from diplomatic announcements received in Lu from regional states and the Zhou court The Spring and Autumn is fundamentally a document designed to enhance the prestige of Lu and its records reveal a profound concern with relative rank displaying an idealized hierarchy that positions the state of Lu and its rulers at the apex By establishing the Spring and Autumn as a genuine Bronze Age record this book transforms our understanding of its significance and purpose and also offers new approaches to the study of ancient annals in early China and elsewhere **Passion in the Pulpit** Jerry Vines,Adam B. Dooley,2018-07-03 Biblical exegesis doesn't stop with the words alone Faithful preachers exegete the emotion of the text as well It's easy to let our own personalities dictate the emotional dimension of our sermons but the best preachers mirror the Bible's emotive intent in their sermons In *Passion in the Pulpit* Jerry Vines and Adam Dooley will teach you how to exegete not just the verbal content of Scripture but its emotional appeal as well They show you the role the Bible's emotional intent should play in each stage of sermon prep and Offer exegetical steps to discern the biblical pathos Teach you how to avoid manipulation while making your sermons emotional Help you determine the appropriate limitations of emotional appeal Give you verbal vocal and visual techniques to help convey the biblical emotional intent in your sermons When we elevate the Bible's emotional intent above our own we preach truth rather than personality **Middle English Poetry** Alastair J.
