The Church During the Search Jason Lowe, 2021-01-01 This book is a unique resource that speaks to the average person in the pew rather than to the Pastor Search Committee What a needed resource Having observed Lowe in his varied ministry roles for several years now I can assure you that he writes as one who is investing his life in seeing the church healthy and flourishing This resource is an invaluable and lasting contribution to that end Paul Chitwood President International Mission Board Occasionally a resource comes about that has the ability to help our churches in a transformational way Usually these resources break ground in areas that have not been considered before This is one of those resources Structuring a book about the Pastor Search Process from the perspective and concerns of the congregant is genius Rick Curtis Convention and Associational Relations North American Mission Board This book and study by Jason Lowe will be a consolation and source of encouragement to many churches I believe God will use it to bring churches comfort hope and continuity of ministry during the difficult time of being without a pastor I highly recommend it Ray Gentry President and CEO Southern Baptist Conference of Associational Leaders In this work Jason Lowe helps church members consider their own role in the search process and he challenges them to continue being the church in the interim period The Bible is his guide and healthy church transitions are his goal You will find this work helpful encouraging and relevant Chuck Lawless Dean of Doctoral Studies and Vice President of Spiritual Formation and Ministry Southeastern Baptist Theological Seminary About the Book Church members are often left largely in the dark while the Pastor Search Committee goes about their task Far too often this leads to unnecessary frustration suspicion and conflict The Church During the Search sheds light on the Pastor Search Process for the people in the pews so they can pursue Christ honoring attitudes and behaviors throughout the search process

The Book Your Pastor Wishes You Would Read Christopher Ash,2019-05-01 Caring for your pastor and the difference it makes Caring for your pastor and the difference it makes What do you think about your pastor Do you chew over his sermons and wonder if they are clear and helpful Do you feel he spends enough time with you In fact do you ever catch yourself wondering what he does all day The truth is often we think What can my pastor do for me Far less often do we think What can I do for my pastor Seasoned former pastor Christopher Ash urges church members to think about pastors not just in terms of what they do how they lead and pray and preach and teach and so on but about who they are He encourages us to remember that pastors are people and to pray for them as they serve us Paradoxically caring for our pastor will be a blessing to us as well as to them and create a culture of true fellowship in our church family Expository Exultation John
