David Stevenson

Passchendaele In Perspective:

Passchendaele in Perspective Peter H. Liddle, 2017-01-30 *Passchendaele In Perspective* explores the context and real nature of the participants experience evaluates British and German High Command the aerial and maritime dimensions of the battle the politicians and manpower debates on the home front and it looks at the tactics employed the weapons and equipment used the experience of the British German and indeed French soldiers It looks thoroughly into the Commonwealth soldiers contribution and makes an unparalleled attempt to examine together in one volume specialist facets of the battle the weather field survey and cartography discipline and morale and the cultural and social legacy of the battle in art literature and commemoration Each one of its thirty chapters presents a thought provoking angle on the subject They add up to an unique analysis of the battle from Commonwealth American German French Belgian and United Kingdom historians This book will undoubtedly become a valued work of reference for all those with an interest in World War One

Passchendaele Nick Lloyd, 2017-05-04 A timely re appraisal a masterpiece General Lord Richard Dannatt Sweeps aside mythology and provides a rational explanation and cool description of what took place Max Hastings Sunday Times

Between July and November 1917 in a small corner of Belgium more than 500 000 men were killed or maimed gassed or drowned and many of the bodies were never found The Ypres offensive represents the modern impression of the First World War splintered trees water filled craters muddy shell holes The climax was one of the worst battles of both world wars *Passchendaele* The village fell eventually only for the whole offensive to be called off But as Nick Lloyd shows notably through previously unexamined German documents it put the Allies nearer to a major turning point in the war than we have ever imagined Meticulously researched A harrowing and important history PD Smith Guardian He brings the battle and its political context vividly to life a model of what a work of military history should be this is now perhaps the definitive account of this phase of the war on the Western Front Simon Heffer Telegraph *Passchendaele in Perspective* Peter Liddle, 1997 For access contact faculty librarian for Humanities and Social Sciences *From Bapaume to Passchendaele, on the Western Front, 1917* Philip Gibbs, 1918 *They Called it*

Passchendaele Lyn Macdonald, 1983 **Passchendaele** Nigel Steel, Peter Hart, 2015-11-05 A compelling account of the battle for Passchendaele from grand strategy at the highest levels right down to the experience of the ordinary infantrymen In the autumn of 1917 after years of stalemate at Ypres the British and French armies launched a massive offensive to take Passchendaele Ridge Following an intensive bombardment the Allies began their attack but the low ground between the lines had been churned into a quagmire and the attack was literally bogged down All surprise had been lost and the German defence in depth was well organised For the first time the Germans used mustard gas while German planes flew low to strafe the British infantry with machine guns After two and a half months the British finally took the ridge they had been aiming for but at the cost of over 300 000 Allied lives German losses in the offensive were estimated at 260 000 Based on the archival

holdings at the Imperial War Museum this book gathers together a wealth of material about this horrific offensive A history to appeal to the scholar and the general reader alike 1917 David Stevenson,2017-10-06 1917 was a year of calamitous events and one of pivotal importance in the development of the First World War In 1917 War Peace and Revolution leading historian of World War One David Stevenson examines this crucial year in context and illuminates the century that followed He shows how in this one year the war was transformed but also what drove the conflict onwards and how it continued to escalate Two developments in particular the Russian Revolution and American intervention had worldwide repercussions Offering a close examination of the key decisions David Stevenson considers Germany s campaign of unrestricted submarine warfare America s declaration of war in response and Britain s frustration of German strategy by adopting the convoy system as well as why paradoxically the military and political stalemate in Europe persisted Focusing on the abdication of Tsar Nicholas II on the disastrous spring offensive that plunged the French army into mutiny on the summer attacks that undermined the moderate Provisional Government in Russia and exposed Italy to national humiliation at Caporetto and on the British decision for the ill fated Third Battle of Ypres Passchendaele 1917 offers a truly international understanding of events The failed attempts to end the war by negotiation further clarify the underlying forces that kept it going David Stevenson also analyses the global consequences of the year s developments showing how countries such as Brazil and China joined the belligerents Britain offered responsible government to India and the Allies promised a Jewish national home in Palestine Blending political and military history and moving from capital to capital and between the cabinet chamber and the battle front the book highlights the often tumultuous debates through which leaders entered and escalated the war and the paradox that continued fighting could be justified as the shortest road towards regaining peace The German Army at Passchendaele Jack Sheldon,2007-10-06 This WWI military history presents a detailed account of the third Battle of Ypres in the Belgian village of Passchendaele from the German perspective More than a century since the epic battle the name Passchendaele has lost none of its power to shock and dismay Reeling from the huge losses in earlier battles the German army was in no shape to absorb the impact of the Battle of Messines and the subsequent attritional struggle Throughout the fighting on the Somme the German army had always felt that it had the ability to counter Allied thrusts but following the shock reverses of April and May 1917 they introduced new tactics of flexible defense When these tactics proved insufficient the German defenders confidence was deeply shaken Yet despite being outnumbered outgunned and subjected to relentless morale sapping shelling and gas attacks German soldiers in the trenches still fought extraordinarily hard The German army drew comfort from the realization that although it had yielded ground and paid a huge price in casualties its morale was essentially intact The British were no closer to a breakthrough in Flanders at the end of the battle than they had been many weeks earlier *The Salient* Alan Palmer,2013-08-15 Ypres today is an international Town of Peace but in 1914 the town and the Salient the 35 mile bulge in the Western Front of which it is part saw a 1500 day military campaign of mud and blood

at the heart of the First World War that turned it into the devil's nursery Distinguished biographer and historian of modern Europe Alan Palmer tells the story of the war in Flanders as a conflict that has left a deep social and political mark on the history of Europe Denying Germany possession of the historic town of Ypres and access to the Channel coast was crucial to Britain's victory in 1918 But though Flanders battlefields are the closest on the continent to English shores this was always much more than a narrowly British conflict Passchendaele the Menin Road Hill 60 and the Messines Ridge remain names etched in folk memory Militarily and tactically the four year long campaign was innovative and a grim testing ground with constantly changing ideas of strategy and disputes between politicians and generals Alan Palmer details all its aspects in an illuminating history of the place as much as the fighting man's experience *Before My Helpless Sight* Leo van

Bergen, 2016-04-15 Despite the numerous vicious conflicts that scarred the twentieth century the horrors of the Western Front continue to exercise a particularly strong hold on the modern imagination The unprecedented scale and mechanization of the war changed forever the way suffering and dying were perceived and challenged notions of what the nations could reasonably expect of their military Examining experiences of the Western Front this book looks at the life of a soldier from the moment he marched into battle until he was buried In five chapters Battle Body Mind Aid Death it describes and analyzes the physical and mental hardship of the men who fought on a front that stretched from the Belgian coast to the Swiss border Beginning with a broad description of the war it then analyzes the medical aid the Tommies Bonhommes and Frontschweine received or all too often did not receive revealing how this aid was often given for military and political rather than humanitarian reasons getting the men back to the front or munitions factory and trying to spare the state as many war pensions as possible It concludes with a chapter on the many ways death presented itself on or around the battlefield and sets out in detail the problems that arise when more people are killed than can possibly be buried properly In contrast to most books in the field this study does not focus on one single issue such as venereal disease plastic surgery shell shock or the military medical service but takes a broad view on wounds and illnesses across both sides of the conflict Drawing on British French German Belgian and Dutch sources it shows the consequences of modern warfare on the human individuals caught up in it and the way it influences our thinking on humanitarian activities *Tank Battles of World War I* Bryan

Cooper, 2015-02-23 Failure to exploit the potential of an original idea is a recurring phenomenon in our national history Few failures however can have been so costly in human life as that of our military commanders early in 1916 to appreciate that the tank was a war winning weapon The slaughter of the Somme Passchendaele and Ypres salient had to be endured before accepted conventional methods were abandoned and the tank given a chance Bryan Cooper describes the early tank actions in vivid detail with many eye witness accounts He tells of the courage and endurance of the crews not just in battle but in the appalling conditions in which they had to drive and fight their primitive vehicles Scalded scorched and poisoned with exhaust fumes constantly threatened with being burned to death these crews eventually laid the foundation for the Allied Victory in

World War I The book is well illustrated with many original photographs which give the present day reader a glimpse of the infancy of a dominant weapon of modern war **The Material Culture Reader** Victor Buchli, 2020-05-31 Material culture has finally earned a central place within anthropology Emerging from the pioneering work done at University College London this reader brings together for the first time seminal articles that have helped shape the anthropological study of material culture With topics ranging from the anthropology of art to architecture landscape studies archaeology consumption studies and heritage management this key text reflects the breadth of material culture studies today The authors who discuss field sites as distant as Vanuatu New Ireland Trinidad and Soviet Russia show how material culture provides a new lens for viewing the world around us and effectively bridges the gap between theory and data Providing the first ever synthesis of these ground breaking essays in an easily accessible volume this book will serve as a comprehensive introduction to the subject and a valuable reference guide for anyone interested in material culture anthropology art and museum studies

Cataclysm David Stevenson, 2009-03-25 David Stevenson s widely acclaimed history of World War I changes forever our understanding of that pivotal conflict Countering the commonplace assumption that politicians lost control of events and that the war once it began quickly became an unstoppable machine Stevenson contends that politicians deliberately took risks that led to war in July 1914 Far from being overwhelmed by the unprecedented scale and brutality of the bloodshed political leaders on both sides remained very much in control of events throughout According to Stevenson the disturbing reality is that the course of the war was the result of conscious choices including the continued acceptance of astronomical casualties In fluid prose Stevenson has written a definitive history of the man made catastrophe that left lasting scars on the twentieth century Cataclysm is a truly international history incorporating new research on previously undisclosed records from governments in Europe and across the world From the complex network of secret treaties and alliances that eventually drew all of Europe into the war through the bloodbaths of Gallipoli and the Somme to the arrival of American forces and the massive political economic and cultural shifts the conflict left in its wake Cataclysm is a major revision of World War I history

Material Culture Victor Buchli, 2004 Publisher description **At the Eleventh Hour** Hugh Cecil, Peter H. Liddle, 1998-08-12 Following on from the highly acclaimed Facing Armageddon and Passchendaele in Perspective At the Eleventh Hour recognises that a world was ending in November 1918 and by international collaboration on the 80th Anniversary we learn through this book what it was like to experience the transition from war to peace Distinguished historians brilliantly convey a sense of immediacy as the Armistice is recreated and analysed The reader will not just acquire new areas of information he will have some of the existing knowledge which he thought was soundly held strikingly challenged in the pages of this superbly illustrated book *The British Army and the First World War* Ian Beckett, Timothy Bowman, Mark Connolly, 2017-05-25 A comprehensive new history of the shaping and performance of the British army during the First World War *Matériel Culture* Colleen M. Beck, William Gray Johnson, John Schofield, 2003-09-02 Mat riel culture

encompasses the material remains of conflict from buildings and monuments to artefacts and militia as well as human remains This collection of essays from an international range of contributors illustrates the diversity in this material record highlights the difficulties and challenges in preserving presenting and interpreting it and above all demonstrates the significant role material culture can play in contemporary society Among the many studies are the culture of shells the archaeology of nuclear testing grounds Cambodia's killing fields the Berlin Wall and the biography of a medal the reappearance of Argentina's disappeared World War II concentration camps

Great Battles of the Great War Michael Stedman, 2010-09-30 Linking with a six part television programme to be shown on ITV in November covering the history of Gallipoli The Somme and Ypres this book combines contemporary imagery with atmospheric photographs revealing the very essence of these places Quality photography is matched by powerful commentary encompassing the grand sweep of the Great War sustained by an intimate local knowledge

Steady The Buffs! Mark Connelly, 2006-11-30 This book fully revises standard regimental history by establishing the framework and background to the regiment's role in the Great War It tests the current theories about the British army in the war and some of the conclusions of modern military historians In recent years a fascinating reassessment of the combat performance of the British Army in the Great War has stressed the fact that the British Army ascended a learning curve during the conflict resulting in a modern military machine of awesome power Research carried out thus far has been on a grand scale with very few examinations of smaller units This study of the battalion of the Buffs has tested these theoretical ideas The central questions addressed in this study are The factors that dominated the officer man relationship during the war How identity and combat efficiency was maintained in the light of heavy casualties The relative importance of individual characters to the efficiency of a battalion as opposed to the managerial structures of the BEF The importance of brigade and division to the performance of a battalion The effective understanding and deployment of new weapons The reactions of individual men to the trials of war The personal and private reactions of the soldiers communities in Kent Using previously uncovered material this book adds a significant new chapter to our understanding of the British army on the Western Front and the way its home community in East Kent reacted to experience It reveals the way in which the regiment adjusted to the shock of modern warfare and the bloody learning curve the Buffs ascended as they shared the British Expeditionary Force's march towards final victory

War in the Age of Technology Geoffrey Jensen, Andrew Wiest, 2001-04 Considering the relationships between war technology and modern society this book fuses military and social history concerning the use of organized violence between states during the period since 1789 Thirteen essays look at the military use of technology on and off the battlefield the introduction of total war during the two world wars and the possibility of limited war in the nuclear age The experiences of the British military are emphasized Contributors include historians archivists psychologists and military scholars c Book News Inc

Passchendaele In Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Passchendaele In Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Passchendaele In Perspective has opened up a world of possibilities. Downloading Passchendaele In Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Passchendaele In Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Passchendaele In Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Passchendaele In Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Passchendaele In Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Passchendaele In Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Passchendaele In Perspective Books

1. Where can I buy Passchendaele In Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Passchendaele In Perspective book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Passchendaele In Perspective books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Passchendaele In Perspective audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Passchendaele In Perspective books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
