

A wooden gavel with a dark green band around its middle, resting on a wooden surface. The gavel has a rounded head with three distinct sections and a handle that tapers to a point.

Therefore let us stop
passing judgment
on one another.

Instead, make up your
mind not to put any
stumbling block or
obstacle in your brother's
way. - Romans 14:13

Passing Judgments:

Passing Judgment Keith Ferrell, 2015-06-23 As the national debate between Hollywood and the Christian Coalition heats up one man must battle an entire town's prejudice to find a fundamentalist killer With the U S presidential campaign in full swing and the players ranging from the Hollywood elite to the Religious Right *Passing Judgment* is a novel poised on the border between politics and religion In this charged atmosphere New Spirit stands at the center of Southern Christian fundamentalism a high profile showplace where everyone knows one another but no one is quite what he seems And these followers and residents of New Spirit are clashing with their local devil Baird Lowen A highly acclaimed Hollywood director forced into early retirement as a result of tragedy on the set of his last masterpiece Baird is content to fish for bass in the nearby pond and write incendiary articles about New Spirit But when the fiery death of a fellow detractor spurs Baird to find the murderers he must first uncover a plot of extortion that circles back on his own troubled past National anti drug crusader and gubernatorial hopeful Roy Duncan is the right hand man to New Spirit's Reverend Frederick Prescott and both are suspects in Baird's private search for the killers But it is Roy who seeks Baird out with an offer he really can't refuse Find Roy's blackmailer or suffer the exposure of his own tragic secret At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Passing Judgment: Praise and Blame in Everyday Life Terri Apter, 2018-01-09 Terri Apter reveals how everyday judgments impact our relationships and how praise blame and shame shape our sense of self Do you know that praise is essential to the growth of a healthy brain That experiences of praise and blame affect how long we live That the conscious and unconscious judgments we engage in every day began as a crucial survival technique Do you think people shouldn't be judgmental But how judgmental are you and how does this impact your relationships Keenly perceptive The Atlantic psychologist and writer Terri Apter reveals how everyday judgments impact our relationships and how praise blame and shame shape our sense of self Our obsession with praise and blame begins soon after birth Totally dependent on others rapidly we learn to value praise and to fear the consequences of blame Despite outgrowing an infant's dependence we continue to monitor others' judgments of us and we ourselves develop what relational psychologist Terri Apter calls a judgment meter which constantly scans people and our interactions with them and registers a positive or negative opinion In *Passing Judgment* Apter reveals how interactions between parents and children within couples and among friends and colleagues are permeated with praise and blame that range far beyond specific compliments and accusations Drawing on three decades of research Apter gives us the tools to learn about our personal needs goals and values to manage our biases to tolerate others' views and to make sense of our most powerful and often confusing responses to ourselves and to others

Passing Judgment Hélène E. Bilis, 2016-01-01 In *Passing Judgment* Helene Bilis examines how an overlooked character type the royal judge remained a constant of the tragic genre throughout the 17th century

Public Roads, 1968 Passing Judgments George Jean Nathan, 1970 George Jean Nathan 1882 1958 was formative

influence on American letters in the first half of this century and is generally considered the leading drama critic of his era With H L Mencken Nathan edited *The Smart Set* and founded and edited *The American Mercury* journals that shaped opinion in the 1920s and 1930s This series of reprints individually introduced by the distinguished critic and novelist Charles Angoff collects Nathan s penetrating witty and sometimes cynical drama criticism *Forms of Judgments and Orders in the High Court of Justice and Court of Appeal* Sir Henry Wilmot Seton,1912 Judgment and Action Vivasvan Soni,Thomas Pfau,2017-12-15 Written by theologians literary scholars political theorists classicists and philosophers the essays in *Judgment and Action* address the growing sense that certain key concepts in humanistic scholarship have become suspect if not downright unintelligible amid the current plethora of critical methods These essays aim to reassert the normative force of judgment and action two concepts at the very core of literary analysis systematic theology philosophy ethics aesthetics and other disciplines Interpretation is essential to every humanistic discipline and every interpretation is an act of judgment Yet the work of interpretation and judgment has been called into question by contemporary methods in the humanities which incline either toward contextual determination of meaning or toward the suspension of judgment altogether Action is closely related to judgment and interpretation and like them it has been rendered questionable An action is not simply the performance of a deed but requires the deed s intelligibility which can be secured only through interpretation and judgment Organized into four broad themes interiority contemplation ethics politics community and aesthetics image the aim of this broad ranging and insightful collection is to illuminate the histories of judgment and action identify critical sites from which rethinking them may begin clarify how they came to be challenged and relocate them within a broader intellectual historical trajectory that renders them intelligible Judgment and Leadership Kayes, Anna B.,Kayes, D. C.,2021-10-12 *Judgment and Leadership* presents original thinking and addresses age old concerns regarding the relationship between judgment and leadership These two concepts are inseparable Judgment guides every action that a leader takes and underlies every thought emotion or justification that leaders form This volume extends the study of judgment and leadership across disciplinary and conceptual boundaries *Hiberniae Leges Et Institutiones Antiquae* ,1865 **Ancient laws of Ireland** Ireland,1865 Ancient Laws of Ireland Ireland. Commissioners for Publishing the Ancient Laws and Institutes of Ireland,1865 *The Road to Judgment* Robin Chapman Stacey,2015-08-28 Examines the institution of personal suretyship through the remarkable rich sources extant from medieval Ireland and Wales **Values in the Key of Life** Kent L. Koppelman,2017-03-02 First Published in 2017 This book is grounded in real events because values should not be regarded as abstractions but as the substance of our lives It is helpful for those who are engaged in the important and ongoing struggle to identify and practice those values which are meaningful to them as members of a community **Judgment in the Victorian Age** James Gregory,Daniel J.R. Grey,Annika Bautz,2018-10-09 This volume concerns judges judgment and judgmentalism It studies the Victorians as judges across a range of important fields including the legal and aesthetic spheres

and within literature It examines how various specialist forms of judgment were conceived and operated and how the propensity to be judgmental was viewed Knowledge, Belief, and Strategic Interaction Cristina Bicchieri,1992-08-28 A group of pre eminent figures offer a conspectus of the interaction of game theory logic and episemology in the formal models of knowledge belief deliberation and learning *Phenomenology of Human Understanding* Brian Cronin,2018-01-01 The problem of human knowing has been foundational for the enterprise of philosophy since the time of Descartes The great philosophers have offered different accounts of the power and limits of human knowing but no generally acceptable system has emerged Contemporary writers have almost given up on this most intractable issue In this book Brian Cronin suggests using the method of introspective description to identify the characteristics of the act of human understanding and knowing Introspection far from being private and unverifiable can be public communal and verifiable If we can describe our dreams and our feelings then we can describe our acts of understanding Using concrete examples one can identify the activities involved namely questioning researching getting an idea expressing a concept reflecting on the evidence and inferring a conclusion Each of these activities can be described clearly and in great detail If we perform these activities well we can understand and know both truth and value The text invites readers to verify each and every statement in their own experience of understanding This is a detailed and verifiable account of human knowing an extremely valuable contribution to philosophy and a solution to the foundational problem of knowing **Rationalism, Realism, and Relativism** Robert L. Arrington,2019-05-15 During the 1970s and 1980s the field of ethics underwent a profound change in perspective from noncognitivism to cognitivism regarding moral judgments and reasoning Although metaethical noncognitivism had been the predominant point of view during the previous three decades a series of attacks had undermined its authority by the 1970s and it gave way to the cognitivist belief that moral judgments have truth values This book provides a descriptive and critical guide to the often bewildering scene that resulted from these controversies in contemporary moral epistemology **Oxbowl Incident** Taylor Samuel Lyen,2010-11-01 In the Land of Ox Clayton Thomas Moore is a righteous follower of Christ but he is also a student of evolutionary biology Moore has found a way to mix science and Christianityand in the process bring enlightenment to both sides of the spectrum However in the Land of Ox there is a strong divide between science and religion Because of this divide Moore is brought up on charges Moore must appear before the Oxian Supreme Court and answer for his actions He is guilty of unsettling the faith science split threatening the cultural equilibrium in the Land of Ox As Moore prepares to defend his case before the Oxian Supreme Court justices though it becomes apparent that the Supreme Court justices are deeply divided along lines of religious belief Oxbowl Incident is a religious courtroom drama that argues for the validity of science and religion Although the case of Moore vs Oxbowl is fictitious the farce is not far from the truth as modern society wrestles with similar quandaries Will the Oxian Supreme Court hand down punishment upon Clayton Thomas Moore Or will the varied beliefs of the Oxian justices leaveMoore to be the last man standing in this battle of Christian faith
