**The Passing of the Storm and Other Poems** Alfred Castner King, 2020-07-25 Reproduction of the original The Passing of the Storm and Other Poems by Alfred Castner King [The Passing of the Storm](#) Alfred Castner King, 2003-03-01 Originally published in 1907 Alfred Castner King's unique and beautiful The Passing of the Storm survives as his most enduring work A rare example of epic verse it sends its readers deep into the heart of the ruggedly wild world of the late 19th and early 20th centuries blending together the pivotal events of that tumultuous era with an ageless tale of brotherly courage and love Even before his accidental blinding midway through life it was King's passion to forever memorialize the natural splendor and simple majesty of the American frontier and its humble working class But it was his continual struggle to come to terms with his late tragedy that gives much of his collected Other Poems their unique and intensely captivating voice The Passing of the Storm and Other Poems takes readers on a journey through the mind of King as he explores his mournful love of nature and a world now gone bringing them back to life as he could only do through words Alfred Castner King had been a lover of nature a man of the mountains and forests who had embraced the beauty of the natural world with his heart and soul His poems were written after an accident left him blind I have read his poems over the years and at times have been overwhelmed by the beauty of his words King's poetry possesses a spirit that reaches through time and beyond the darkness that shrouded the man **The Passing of the Storm, and Other Poems (Classic Reprint)** Alfred Castner King, 2015-07-13 Excerpt from The Passing of the Storm and Other Poems Oh that my words were now written Oh that they were inscribed in a book Job xix 23 Books have from time immemorial been the conservators of human wisdom the repositories of information the mentors of youth and adolescence the counsellors of manhood the comfort and companionship of age The experience of an individual school or era when committed to book form becomes the common property of all succeeding time and the accumulated knowledge of the past transmitted from generation to generation through the medium of books may with justice be regarded as the most valuable of human heritages But they have not always been unmixed blessings they have both led and misled they have elucidated yet have mystified They have dissipated the shadows of ignorance and superstition but in some instances have confused and obscured the searchlight of truth In the economy of human affairs books have been factors of no small importance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Passing of the Storm and Other Poems** King Alfred Castner, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
