**Passing of the Third Floor Back** Jerome K. Jerome,2015-03-04 The neighbourhood of Bloomsbury Square towards four o'clock of a November afternoon is not so crowded as to secure to the stranger of appearance anything out of the common immunity from observation Tibb's boy screaming at the top of his voice that she was his honey stopped suddenly stepped backwards on to the toes of a voluble young lady wheeling a perambulator and remained deaf apparently to the somewhat personal remarks of the voluble young lady Not until he had reached the next

corner and then more as a soliloquy than as information to the street did Tibb's boy recover sufficient interest in his own affairs to remark that he was her bee The voluble young lady herself following some half a dozen yards behind forgot her wrongs in contemplation of the stranger's back There was this that was peculiar about the stranger's back that instead of being flat it presented a decided curve It ain't a ump and it don't look like kervitcher of the spine observed the voluble young lady to herself Blimy if I don't believe e's taking ome is washing up his back      *The Columbian Magazine* Henry Mann,1910
