# Passing Over Easter Constructing The Boundaries Of Messianic Judaism

**M. Avrum Ehrlich**

## **Passing Over Easter Constructing The Boundaries Of Messianic Judaism:**

**Passing Over Easter** Shoshanah Feher, 1998 Chosen by Yahweh saved by Jesus Messianic Jews identify themselves as both Christian and Jewish and yet neither Passing Over Easter brings this peculiar movement to life with an ethnographic look at Adat HaRauch a Messianic Jewish congregation in Southern California The ethnic Jews who have found the Lord the Gentiles with a heart for Israel that make up Adat HaRauch negotiate their identity borrowing from both traditions The congregants see Yshua the Hebrew name for Jesus as the Jewish Messiah the passover matzoh as symbolic of Yshua's body being broken for sinners the New Testament as a fulfillment of the Old Through participant observation in depth interviews and reflections on her own beliefs and role as researcher Feher paints a fascinating picture of this fluctuating religious group Passing Over Easter makes a compelling read for sociologists concerned with new religious movements and group formation students of Jewish identity and Jewish Christian relations and anyone interested in the contemporary American religious scene

**Messianic Judaism** Dan Cohn-Sherbok, 2013-02-11 Who are the Messianic Jews What do they believe and practice What is the Jewish community's reaction to the development of Messianic Judaism In this pioneering study Dan Cohn Sherbok traces the development of the Messianic movement from ancient times to its transformation after World War II Focusing on the nature of the movement today the volume continues with a detailed examination of Messianic practices and the place of Messianic Judaism within the contemporary Jewish community

*Introduction to Messianic Judaism* Zondervan, 2013-02-05 This book is the go to source for introductory information on Messianic Judaism Editors David Rudolph and Joel Willits have assembled a thorough examination of the ecclesial context and biblical foundations of the diverse Messianic Jewish movement Unique among similar works in its Jew Gentile partnership this book brings together a team of respected Messianic Jewish and Gentile Christian scholars including Mark Kinzer Richard Bauckham Markus Bockmuehl Craig Keener Darrell Bock Scott Hafemann Daniel Harrington R Kendall Soulen Douglas Harink and others Opening essays written by Messianic Jewish scholars and synagogue leaders provide a window into the on the ground reality of the Messianic Jewish community and reveal the challenges questions and issues with which Messianic Jews grapple The following predominantly Gentile Christian discussion explores a number of biblical and theological issues that inform our understanding of the Messianic Jewish ecclesial context Here is a balanced and accessible introduction to the diverse Messianic Jewish movement that both Gentile Christian and Messianic Jewish readers will find informative and fascinating

**Introduction to New and Alternative Religions in America** William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens

Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today

Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more [Fellow Travellers](#) Peter Lawrence,2020-10-27

Messianic Jews Arab Evangelicals and Muslim Background Believers in the Holy Land face unique challenges when they follow in the footsteps of Jesus in the places where he walked on this earth Questions related to their identity seem to be most pressing and at the same time deeply puzzling Who am I Where do I belong How do I practice my faith This book provides an in depth study on the personal and collective experiences of these Jesus Followers from Jewish Christian and Muslim backgrounds It will demonstrate that although they might have the same destination in mind at times they take different routes Nevertheless when they encounter each other on their faith journey as fellow travellers there is a strong sense of connection and belonging between these believers of evangelical faith [Hugh Schonfield](#) Owen Power,2013-03-13

With this book Owen Power offers the first full length intellectual history of the thinker Hugh Schonfield

1901 1988 Power contextualises Schonfield and his work in the spheres of Jewish ideology and Messianic Jewish politics as a means to explain the complicated nature of Messianic Jewish identity There are many problems in making sense of the varied claims made about the Jewishness of Jewish Believers in Jesus as there is a striking lack of agreement as to their Jewish status among halakhic authorities and there is no real consensus among Messianic Jews themselves in answering the question Who is a Messianic Jew On the other hand the attitude of many Jewish commentators regarding Messianic Jews is that they are traitors and apostates pretending to be Jews Christian missionaries hell bent on enticing Jews from their communities to the welcoming embrace of the Church Normative Jewish opinion tends to treat Jewish Believers in Jesus as a monolithic group and thus fails to recognise the wide range of groups and individuals who claim to be Messianic Jews even if there is among them little consensus as to what such a label means Schonfield s case both reinforces such convictions and problematizes them

*The Rabbi as a Surrogate Priest* Stuart Dauermann,2009-05-01 There are many aspects to this task of rabbinic training but four closely related questions rise to the surface as requiring primary attention The first is a question of description What ought to be the functions performed by a messianic Jewish rabbi The second is a question of legitimacy What similarities exist between the functions performed by messianic Jewish rabbis and rabbis in the wider Jewish context such that the rabbinate in both contexts may legitimately be seen to be variations on the same theme and the messianic Jewish rabbinate therefore legitimately a rabbinate The third is a question of differentiation How and why are the functions performed by a messianic Jewish rabbi contextually particularistic and therefore different from those performed by Christian clergy In other words how is a messianic rabbi more than just a Protestant Pastor with switched labels The fourth is a question of biblicity Is there biblical justification or precedent for the proposed paradigm of the rabbi as a surrogate priest Each of these questions emerges from messianic Judaism s interaction with different but overlapping audiences The question of description is addressed primarily to the messianic Jewish context The question of legitimacy is addressed primarily to the wider Jewish world The question of differentiation is addressed primarily to the church world The question of biblicity is addressed both to the messianic Jewish context and the church world And in all cases looking over our shoulder is the general public from the Prologue

*Messianic Judaism is Not Christianity* Stan Telchin,2004-09 A self proclaimed Messianic Jew discusses the growth and dangers of the Messianic Judaism movement reiterating God s intention for his church to serve as one new man and advocating unity among the body of believers

**Within Judaism? Interpretive Trajectories in Judaism, Christianity, and Islam from the First to the Twenty-First Century** Karin Hedner Zetterholm,Anders Runesson,2023-11-27 This book charts the shifting boundaries of Judaism from antiquity to the modern period in order to bring clarity to what scholars mean when they claim that ancient texts or groups are within Judaism as well as exploring how rabbinic Jews Christians and Muslims have negotiated and renegotiated what Judaism is and is not in order to form their own identities Belief in Jesus as the Messiah was seen as part of first century Judaism but by the fourth or fifth century the

boundaries had shifted and adherence to Jesus came to be seen as outside of Judaism Resituating New Testament texts within first or second century Judaism is an historical exercise that may broaden our view of what Judaism looked like in the early centuries CE but normatively these texts remain within Christianity because of their reception history The historical within Judaism perspective however has the potential to challenge and reshape the theology of contemporary Christianity while at the same time the long held consensus that belief in Jesus cannot belong within Judaism is again challenged by the modern Messianic Jewish movement

**Encyclopedia of the Jewish Diaspora** M. Avrum Ehrlich, 2008-10-03 This three volume work is a cornerstone resource on the evolution and dynamics of the Jewish Diaspora as it played out around the world from its beginnings to the present Encyclopedia of the Jewish Diaspora Origins Experiences and Culture is the definitive resource on one of world history s most curious phenomena encompassing the communities cultures ethnicities and experiences created by the Diaspora in every region of the world where Jews live or Jewish ancestry exists The encyclopedia is organized in three volumes The first includes 100 essays on the Jewish Diaspora experience with coverage ranging from ethnography and demography to philosophy history music and business The second and third volumes feature hundreds of articles and essays on Diaspora regions countries cities and other locations With an editorial board of renowned Jewish scholars and with an extraordinarily accomplished team of contributors Encyclopedia of the Jewish Diaspora captures the full scope of its subject like no other reference work before it

Judaism , **Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and

Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world

**First-Century Christians in Twenty-First Century Africa** Nathan P. Devir, 2022-02-28 Millions of African Christians who consider themselves genealogical descendants of one of the Ten Lost Tribes of Israel in other words Jewish by ethnicity but Christian in terms of faith are increasingly choosing a religious affiliation that honors both of these identities Their choice Messianic Judaism Messianic adherents emulate the Christians of the first century observing the Jewish commandments while also affirming the salvational grace of Yeshua Jesus As the first comparative ethnography of such fulfilled Jews on the African continent this book presents case studies that will enrich our understanding of one of global Christianity's most overlooked iterations

*Mishpachah* Leonard J. Greenspoon, 2016-10-15 Dictionary definitions of the term mishpachah are seemingly straightforward A Jewish family or social unit including close and distant relatives sometimes also close friends As accurate as such definitions are they fail to capture the diversity and vitality of real flesh and blood Jewish families Families have been part of Jewish life for as long as there have been Jews It is useful to recall that the family is the basic narrative building block of the stories in the biblical book of Genesis which can be interpreted in the light of ancient literary traditions archaeological discoveries and rabbinic exegesis Rabbinic literature also is filled with discussions about interactions rancorous as well as amicable between parents and among siblings Sometimes harmony characterizes relations between the parent and the child as often alas there is conflict The rabbis always aware of the realities of life chide and advise as best they can For the modern period the changing roles of males and females in society at large have contributed to differing expectations as to their roles within the family The relative increase in the number of adopted children from both Jewish and non Jewish backgrounds and more recently the shifting reality of assisted reproductive technologies and the possibility of cloning human embryos all raise significant moral and theological questions that require serious consideration Through the studies brought together in this volume more than a dozen scholars look at the Jewish family in wide variety of social historical religious and geographical contexts In the process they explore both diverse and common features in the past and present and they chart possible courses for Jewish families in the future

*How Jewish is Christianity?* Louis Goldberg, John Fischer, 2003 Diverse perspectives about the messianic movement from six contributors Are Messianic congregations necessary or should Jewish believers be incorporated into the Gentile church This is the topic of the latest volume in the Counterpoints series The question of how Christian Jews relate their Jewish practices and customs to the church has been an issue within Christianity since the first century Contemporary contributors who have lived and wrestled with this issue present informed arguments and counter arguments The book concludes with a chapter on the future for Messianic Jews and a directory of messianic movement organizations Contributors include John Fischer ThD California Graduate School of Theology PhD University of South Florida is a rabbi of Congregation Ohr Chadash and Chairman of Judaic Studies at St Petersburg Theological Seminary Arnold G Fruchtenbaum ThM PhD New York University has served with the

Chosen People Ministries and Christian Jew Foundation in the past and is now the founder and director of Ariel Ministries Gershon Nerel PhD Hebrew University Jerusalem has served as Israel Secretary for the International Messianic Jewish Alliance and has also been a member of the executive committee for the Messianic Jewish Alliance of Israel David Stern PhD MDiv is the translator of the Jewish New Testament from Greek to English to express its Jewishness his version of the Tanak is the Complete Jewish Bible Will Varner EdD Temple University servers as professor of biblical studies at the Master s College CA and the director of the Israel Bible Extension campus of this college in Israel The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians Counterpoints books address two categories Church Life and Bible and Theology Complete your library with other books in the Counterpoints series

**Judaizing Christianity and Christian Zionism in Northern Ireland** Véronique Altglas,2025-04-22 This book explores the contemporary Judaization of evangelical Christianity through the ethnography of a Messianic congregation in Northern Ireland A constellation of Messianic congregations have expanded worldwide over recent years combining Jewish liturgy symbols and artifacts with prophecies about the End Times and the return of Jesus Increasingly recognized as a legitimate subdivision within evangelicalism the Messianic movement has facilitated a popularization of Jewish practices and symbolism beyond its own congregations The author considers What insights do these congregations offer about the deregulation of religions Is there any logic to the combinations of Christian and Jewish sources in Messianic beliefs and practices How can we understand this fascination with Jews and Judaism Finally what is the political significance of Messianic relationship with Jewish people the state of Israel and Christian Zionism The book will be of particular interest to scholars of the sociology and anthropology of religion religion and politics and Jewish Christian relations **Apostates, Hybrids, or True Jews?**

Raymond Lillevik,2014-07-03 This book explores the relationship between Christian faith and Jewish identity from the perspective of three Jewish believers in Jesus living in eastern and central Europe before World War 1 Rudolf Hermann Chaim Gurland Christian Theophilus Lucky Chaim Jedidjah Pollak and Isaac Ignatz Lichtenstein They were all rabbis or had rabbinic education and were in different ways combining their faith in Jesus as Messiah with a Jewish identity The book offers a biographical study of the three men and an analysis of their understandings of identity This analysis considers five categories for identification the relation of Gurland Lucky and Lichtenstein to Jewish tradition to the Jewish people to Christian tradition to the Christian community and to the network of Jewish believers in Jesus Lillevik argues that Gurland Lucky and Lichtenstein in very different ways transcended essentialist as well as constructionist ideas of Jewish and Christian identity **A Profile of Jewish Believers in the UK Church** Jonathan Allen,2018-03-02 Given that mission

agencies have been reporting for the last two hundred years or more the number of Jewish people coming to faith in Christ this book asks the question where are they and their descendants now Using a multidisciplinary approach covering social identity theory social memory theory and translation theory this book constructs a profile of Jewish believers in the UK

church based upon interviews carried out with church members and leaders who are Jewish or have experience working with Jewish believers After examining both theory and data the conclusion is that church is a hostile environment for Jewish identity Unlike Chinese Ghanaian and Korean churches whose members are encouraged to retain their traditions as diaspora communities reaching out to their own people the church has a strongly assimilationist policy toward Jewish believers who are encouraged even pressured to forget their Jewish traditions customs and practices in favor of blending into Gentile church and disappearing Jewish believers are at best an oxymoron at worst an anathema not to be trusted or tolerated unless as in the days of the early church from the third century onwards they renounce their previous lives families and communities

*Ethnographic Encounters in Israel* Fran Markowitz, 2013-06-11 Essays on the challenges of anthropological work in a complicated country A compelling anthology Ruth Behar Israel is a place of paradoxes a small country with a diverse population and complicated social terrain Studying its culture and social life means confronting a multitude of ethical dilemmas and methodological challenges These first person accounts by anthropologists engage contradictions of religion politics identity kinship racialization and globalization to reveal fascinating and often vexing dimensions of the Israeli experience Caught up in pressing existential questions of war and peace social justice and national boundaries the contributors explore the contours of Israeli society as insiders and outsiders natives and strangers as well as critics and friends

**An Unusual Relationship** Yaakov Ariel, 2013-06-24 In this enormously well researched and gracefully argued book Ariel develops a nuanced theme the complexity ambivalence and even paradox that has characterized conservative Protestant beliefs regarding Jews and Israel and the diverse responses among Jews First rate scholarship presented in a pleasingly accessible style Stephen Spector author of *Evangelicals and Israel The Story of American Christian Zionism* It is generally accepted that Jews and evangelical Christians have little in common Yet special alliances developed between the two groups in the nineteenth and twentieth centuries Evangelicals viewed Jews as both the rightful heirs of Israel and as a group who failed to recognize their true savior Consequently they set out to influence the course of Jewish life by attempting to evangelize Jews and to facilitate their return to Palestine Their double edged perception caused unprecedented political cultural and theological meeting points that have revolutionized Christian Jewish relationships *An Unusual Relationship* explores the beliefs and political agendas that evangelicals have created in order to affect the future of the Jews This volume offers a fascinating comprehensive analysis of the roots manifestations and consequences of evangelical interest in the Jews and the alternatives they provide to conventional historical Christian Jewish interactions It also provides a compelling understanding of Middle Eastern politics through a new lens Yaakov Ariel is Professor of Religious Studies at the University of North Carolina at Chapel Hill His book *Evangelizing the Chosen People* was awarded the Albert C Outler prize by the American Society of Church History In the Goldstein Goren Series in American Jewish History

## **Passing Over Easter Constructing The Boundaries Of Messianic Judaism** Book Review: Unveiling the Magic of Language
