Passing Over:

Passing Over and Returning Paul O. Ingram, 2013-10-23 In *Passing Over and Returning* Paul O Ingram describes his particular dialogue with the world's religions illustrated by his experience of passing over into Hinduism Buddhism Daoism and Confucianism Judaism and Islam and by his return to his home as a Lutheran Christian While religious diversity is not new neither are the questions posed by religious diversity What is new is that more and more people are actively engaged with the world's religions because more and more people are willing to be informed by insights found in religious traditions other than their own This is particularly true among progressive Christians But openness does not necessarily mean rejecting one's own tradition even though persons sometimes convert to another tradition or combine their original religious identity with the identity of another tradition Whether one returns to the home of one's own faith tradition after passing over or assumes a dual religious identity or converts to another tradition all persons engaged in interreligious dialogue undergo processes of creative transformation *The Art of Passingover* Francis Dorff, 1988-01-01 Presents a process of Letting go Letting be and Letting grow which is the basis of spiritual growth and creativity *Passing Over Easter* Shoshanah Feher, 1998 Chosen by Yahweh saved by Jesus Messianic Jews identify themselves as both Christian and Jewish and yet neither Passing Over Easter brings this peculiar movement to life with an ethnographic look at Adat HaRauch a Messianic Jewish congregation in Southern California The ethnic Jews who have found the Lord the Gentiles with a heart for Israel that make up Adat HaRauch negotiate their identity borrowing from both traditions The congregants see Yshua the Hebrew name for Jesus as the Jewish Messiah the passover matzoh as symbolic of Yshua's body being broken for sinners the New Testament as a fulfillment of the Old Through participant observation in depth interviews and reflections on her own beliefs and role as researcher Feher paints a fascinating picture of this fluctuating religious group *Passing Over Easter* makes a compelling read for sociologists concerned with new religious movements and group formation students of Jewish identity and Jewish Christian relations and anyone interested in the contemporary American religious scene *When You Pass Over My Tomb* Sergio Blanco, 2024-02-21 I remember thinking what difference is there between donating my body to science and donating it to someone who might find pleasure in it when I'm dead Sergio Blanco and Daniel Goldman collaborate again after the success of their critically acclaimed Offie award winning productions of *Thebes Land* and *The Rage of Narcissus* to tell a mesmerising story of love and lust beyond the grave Desire friendship and eroticism intertwine in *When You Pass Over My Tomb* a dazzling play by Latin America's biggest living playwright that asks how far would you go for love And will the world allow it This edition was published to coincide with the world premiere at London's Arcola Theatre in February 2024 *"Let Us Pass Over to the Other Side."* *Being the Substance of an Extempore Address, Etc* afterwards DENNING HOOPER (Emma Geraldine Henrietta Hamilton), 1868 **Let Us Pass Over to the Other Side** Joyce L. Smith, 2010-07 God has always had a cure for his people With the Israelites it was the opening of the Red Sea with Abraham it was the ram in the

bush and with the disciples it was Jesus in the boat with them In each instance God s people were at their wit s end and saw no way out But it was always God who came to the rescue In these last days with extreme weather disasters greed in the pharmaceutical industry and deficiency in Medicare in order to survive this coming era of manipulation and greed we ll have to be like Moses and Abraham We ll have to walk by faith and not by sight and just as the disciples we re going to have to rely on the word of God Join new author Evangelist Joyce Smith as the Lord steers her into a revolutionary journey with his word Travel with her as she leaves the natural realm and passes over into the spirit realm with God s word as her shield and buckler When you come to your Mt Moriah your Red Sea and even when you decide to get in the boat with Jesus fear not Jesus will be with you as he was with the disciples and Evangelist Smith because he said Let Us Pass Over to the Other Side
