Passion on the Vine Sergio Esposito, 2009-05-19 As a young child in Naples Italy Sergio Esposito sat at his kitchen table observing the daily ritual of his large loud family bonding over fresh local dishes and simple country wines While devouring the rich bufala mozzarella still sopping with milk and salt and the platters of fresh prosciutto sliced so thin he could see through it he absorbed the profound relationship of food wine and family in Italian culture Growing up in Albany New York after emigrating there with his family he always sat next to his uncle Aldo and sipped from his wineglass during their customary hours long extended family feasts Thus from a very early age Esposito came to associate wine with the warmth of family the tastes of his mother's cooking and above all memories of his former life in Italy When he was in his twenties he headed for New York and undertook a career in wine beginning a journey that would culminate in his founding of Italian Wine Merchants now the leading Italian wine source in America His career offered him the opportunity to make frequent trips back to Italy to find wine for his clients to learn the traditions of Italian winemaking and in so doing to rediscover the Italian way of life he'd left behind *Passion on the Vine* is Esposito's intimate and evocative memoir of his colorful family life in Italy his abrupt transition to life in America and of his travels into the heart of Italy its wine country and the lives of those who inhabit it The result is a remarkably engaging and entertaining wine travel narrative replete with vivid portraits of

seductive places the world famous cellars of Piedmont the sweeping estates of Tuscany the lush fields of Campania the chilly hills of Friuli the windy beaches of Le Marche and of memorable people diverse and vibrant wine artisans from a disco dancing vintner who bases his farming on the rhythm of the moon to an obsessive prince who destroys his vineyards before his death so that his grapes will never be used incorrectly Esposito's luscious accounts of the wonderful food and wine that are so much a part of Italian life and his poignant and often hilarious stories of his relationships with his family and Italian friends make *Passion on the Vine* an utterly unique and enchanting work about Italy and its eternally seductive lifestyle

Gemme, 2012-06-01 When antebellum Americans talked about the contemporary struggle for Italian unification the Risorgimento they were often saying more about themselves than about Italy In *Domesticating Foreign Struggles* Paola Gemme unpacks the American cultural record on the Risorgimento not only to make sense of the U S engagement with the broader world but also to understand the nation's domestic preoccupations Swayed by the myth of the United States as a catalyst of and model for global liberal movements says Gemme Americans saw parallels to their own history in the Risorgimento and they said as much in newspapers magazines travel accounts diplomatic dispatches poems maps and paintings And yet in American eyes Italians were too civically deficient to ever achieve republican goals Such a view says Gemme reaffirmed cherished beliefs both in the United States as the center of world events and in the notion of American exceptionalism Gemme argues that Americans also pondered the place of subordinate ethnic groups in domestic culture especially Irish Catholic immigrants and enslaved African Americans through the discourse on Risorgimento Italy Thus says Gemme national identity rested not only on differentiation from outside groups but also on a desire for internal racial and cultural homogeneity Writing in a tradition pioneered by Amy Kaplan Richard Slotkin and others Gemme advances the

movement to internationalize American studies by situating the United States in its global cultural context
