Passion on the Vine Sergio Esposito, 2009-05-19 As a young child in Naples Italy Sergio Esposito sat at his kitchen table observing the daily ritual of his large loud family bonding over fresh local dishes and simple country wines While devouring the rich bufala mozzarella still sopping with milk and salt and the platters of fresh prosciutto sliced so thin he could see through it he absorbed the profound relationship of food wine and family in Italian culture Growing up in Albany New York after emigrating there with his family he always sat next to his uncle Aldo and sipped from his wineglass during their customary hours long extended family feasts Thus from a very early age Esposito came to associate wine with the warmth of family the tastes of his mother's cooking and above all memories of his former life in Italy When he was in his twenties he headed for New York and undertook a career in wine beginning a journey that would culminate in his founding of Italian Wine Merchants now the leading Italian wine source in America His career offered him the opportunity to make frequent trips back to Italy to find wine for his clients to learn the traditions of Italian winemaking and in so doing to rediscover the Italian way of life he'd left behind *Passion on the Vine* is Esposito's intimate and evocative memoir of his colorful family life in Italy his abrupt transition to life in America and of his travels into the heart of Italy its wine country and the lives of those who inhabit it The result is a remarkably engaging and entertaining wine travel narrative replete with vivid portraits of seductive places the world famous cellars of Piedmont the sweeping estates of Tuscany the lush fields of Campania the chilly hills of Friuli the windy beaches of Le Marche and of memorable people diverse and vibrant wine artisans from a disco dancing vintner who bases his farming on the rhythm of the moon to an obsessive prince who destroys his vineyards before his death so that his grapes will never be used incorrectly Esposito's luscious accounts of the wonderful food and wine that are so much a part of Italian life and his poignant and often hilarious stories of his relationships with his family and Italian friends make *Passion on the Vine* an utterly unique and enchanting work about Italy and its eternally seductive lifestyle

Wildflowers and Plant Communities of the Southern Appalachian Mountains and Piedmont Timothy P. Spira,2011-05-16 This richly illustrated field guide serves as an introduction to the wildflowers and plant communities of the southern Appalachians and the rolling hills of the adjoining piedmont Rather than organizing plants including trees shrubs and herbaceous plants by flower color or family characteristics as is done in most guidebooks botanist Tim Spira takes a holistic ecological approach that enables the reader to identify and learn about plants in their natural communities This approach says Spira better reflects the natural world as plants like other organisms don t live in isolation they coexist and interact in

myriad ways Full color photo keys allow the reader to rapidly preview plants found within each of the 21 major plant communities described and the illustrated species description for each of the 340 featured plants includes fascinating information about the ecology and natural history of each plant in its larger environment With this new format readers can see how the mountain and piedmont landscapes form a mosaic of plant communities that harbor particular groups of plants The volume also includes a glossary illustrations of plant structures and descriptions of sites to visit Whether you re a beginning naturalist or an expert botanist this guidebook is a useful companion on field excursions and wildflower walks as well as a valuable reference Southern Gateways Guide is a registered trademark of the University of North Carolina Press
