human beings Mary's fiat to God is the pathway to our salvation as it is inextricably linked with the obedience unto death of Jesus her son Like the Son's acceptance of the Cross Mary's acceptance of her maternity symbolizes for all mankind the self-surrender to the Creator required of every human soul Since any woman's acceptance of motherhood is likewise a yes to God when womanhood and motherhood are properly understood and appreciated the nature of the soul's relationship to God is revealed

The Girl in the Red Coat Roma Ligocka, 2016-01-12 This poignant Holocaust memoir does honor to all children bewildered by horror and injustice Thomas Keneally author of *Schindler's List* When she first saw *Schindler's List* to whose premiere in Germany she was invited Roma Ligocka suddenly realized she was witnessing a part of her own life She felt instinctively that the little girl in the red coat the only spot of color in the film was her When she had lived in the Krakow ghetto during the Second World War she had worn a strawberry red coat given to her by her grandmother Unlike the girl in Spielberg's film however Roma survived the war Startled by this eerie conjunction of art and reality Ligocka determined to write the story of her own life to find out what had become of the little girl and to measure who she now was From a harrowing childhood under the Nazis described with a simplicity and innocence that lends it even greater power through the trials of living in Communist Poland to a career in the theater and film an artistic struggle paralleling that of her cousin Roman Polanski Ligocka traces her struggle for self-definition and happiness *The Girl in the Red Coat* is a courageous and moving story of survival and triumph This is not only a Holocaust memoir but also a story of one woman's quest for contentment Booklist A fascinating work that reads like a novel Library Journal
