Purity and Contamination in Late Victorian Detective Fiction Dr Christopher Pittard,2013-05-28 Concentrating on works by authors such as Fergus Hume Arthur Conan Doyle Grant Allen L T Meade and Marie Belloc Lowndes Christopher Pittard explores the complex relation between the emergence of detective fictions in the 1880s and 1890s and the concept of purity The centrality of material and moral purity as a theme of the genre Pittard argues both reflected and satirised a contemporary discourse of degeneration in which criminality was equated with dirt and disease and where national boundaries were guarded against the threat of the criminal foreigner Situating his discussion within the ideologies underpinning George Newnes s Strand Magazine as well as a wide range of nonfiction texts Pittard demonstrates that the genre was a response to the seductive and impure delights associated with sensation and gothic novels Further

Pittard suggests that criticism of detective fiction has in turn become obsessed with the idea of purity thus illustrating how a genre concerned with policing the impure itself became subject to the same fear of contamination Contributing to the richness of Pittard s project are his discussions of the convergence of medical discourse and detective fiction in the 1890s including the way social protest movements like the antivivisectionist campaigns and medical explorations of criminality raised questions related to moral purity Small Acts of Defiance Michelle Wright,2022-07-19 In Small Acts of Defiance Michelle Wright paints a beautifully intimate portrait that celebrates the courage and resilience of the human spirit Jane Harper author of *The Survivors* A stunning debut WWII novel from award winning short story writer Michelle Wright about the small but courageous acts a young woman performs against the growing anti Jewish measures in Nazi occupied Paris Doing nothing is still a choice A choice to stand aside and let it happen January 1940 After a devastating tragedy young Australian woman Lucie and her mother Yvonne are forced to leave home and flee to France There they seek help from the only family they have left Lucie s uncle G rard As the Second World War engulfs Europe the two women find themselves trapped in German occupied Paris sharing a cramped apartment with the authoritarian G rard and his extremist views Drawing upon her artistic talents Lucie risks her own safety to engage in small acts of defiance against the occupying Nazi forces and the collaborationist French regime illustrating pro resistance tracts and forging identity cards Faced with the escalating brutality of anti Jewish measures and the indifference of so many of her fellow Parisians Lucie must decide how far she will go to protect her friends and defend the rights of others before it s too late **The New Music Review and**
