a convent or a life grinding pigment for her father's paint. She chose paint. By the time she was seventeen, Artemisia did more than grind pigment. She was one of Rome's most talented painters, even if no one knew her name. But Rome in 1610 was a city where men took what they wanted from women, and in the aftermath of rape, Artemisia faced another terrible choice: a life of silence or a life of truth, no matter the cost. "He will not consume my every thought. I am a painter. I will paint." Joy McCullough's bold novel in verse is a portrait of an artist as a young woman filled with the soaring highs of creative inspiration and the devastating setbacks of a system built to break her. McCullough weaves Artemisia's heartbreaking story with the stories of the ancient heroines Susanna and Judith, who become not only the subjects of two of Artemisia's most famous paintings but sources of strength as she battles to paint a woman's timeless truth in the face of unspeakable and all too familiar violence. I will show you what a woman can do. A captivating and impressive Booklist starred review. Belongs on every YA shelf. SLJ starred review. Haunting Publishers Weekly starred review.
